### Grammar Practice Simplified: Guided Practice in Basic Skills (Book E, Grades 6-7)

# Subjects, Predicates, Contractions, Comparisons, Quotation Marks, Direct and Indirect Objects, and More

**Rainbow Horizons Publishing Strong language skills are essential to success in school and life. Grammar is the structure of language. Knowing the elements of language and understanding how they work together greatly enhances all language-based abilities. Grammar Practice Simplified Book E is designed to help students use the parts of speech correctly in speaking and writing. They review the kinds of sentences; then they study nouns, pronouns, and verbs and use these elements in sentences. Students are introduced to subjects and predicates, adverbs, and adjectives. Punctuation is covered in detail, including correct use of the period, question mark, exclamation point, comma, and apostrophe. Capitalization is reviewed. Short exercises throughout the book require students to write independently. Readability has been carefully controlled for younger students, but the approach and design make the book useful for older, language-delayed students or students who speak English as a second language. Answers are provided at the back of the book. Book E is Grades 6-7.**
