**Eucaristia. La mia autostrada per il cielo. Biografia di Carlo Acutis Carlo Acutis l'Eucaristia, autostrada per il cielo : biografia di Carlo Acutis (1991-2006) La Civiltà cattolica Vite vissute** EGEA spa Questo volume idealmente il seguito dei tre libri *Li ho visti cos'Ò*, scritti col giornalista Ermes Zampollo, che ringrazio di cuore. Esso porta da 47 a 57 i personaggi della mia galleria, scelti fra i tanti che ho conosciuto durante la lunga vita accademica e professionale. La mia vita operativa nel frattempo ha raggiunto i 64 anni: 1949-2013. Le regole non sono cambiate. In questo volume si pu forse notare un'accentuata presenza di figure di un passato meno recente. Solo due i personaggi operativi. **Una stella di nome Carlo** Edizioni Frate Indovino Alex, Lea, Nicolò e Nina partono per un campo estivo dell'oratorio. Non si conoscono tra loro e in valigia portano non solo vestiti ma anche storie complicate, desideri e paure. Don Giovanni ha preparato per i ragazzi una particolare caccia al tesoro che intreccerà le loro vite con quella di un altro giovane, innamorato di Gesù. Nelle giornate trascorse insieme tra le mura di Assisi e il Subasio, scopriranno un cielo colmo di nuove promesse, il valore dell'amicizia tra loro e con il Signore, guidati da una stella speciale, quella di Carlo Acutis. Le riflessioni, le emozioni e i pensieri del gruppo di protagonisti, evolvono pagina dopo pagina, guidando i lettori a scoprire la vita del giovane Beato, il legame con san Francesco, il Santuario della Spogliazione e anche l'intreccio prezioso tra terra e cielo, che rende migliore la vita. **Originali, non fotocopie Carlo Acutis e Francesco d'Assisi** Edizioni Frate Indovino Tutti nascono originali. Molti muoiono fotocopie. Parole di Carlo Acutis, morto a quindici anni in concetto di santità. Un ragazzo del nostro tempo. Pieno di vita e di interessi. Appassionato di informatica. Con il cuore pieno di Dio. È sepolto nel Santuario della Spogliazione, che ad Assisi ricorda il giovane Francesco che si spogliò di tutti i beni, fino alla nudità, per seguire Gesù e vivere secondo il Vangelo. Due storie tanto originali. Lontane nel tempo. Ma un filo rosso le unisce. **Incontro di luci per i giovani del nostro tempo. Carlo Acutis, the Servant of God Life beyond the Border** editrice velar In the face of death, the hope of every man is put to the test. When one is dealing with the illness and death of a young boy, one seems to oscillate on the edge of incomprehensibility. Yet there are testimonies that enter the darkness of the mind like a ray of light and warm the hearts of those who have ceased to hope. The life of Carlo Acutis is one of these rays of light. Indeed, it was the light of a lightning bolt on a summer's night that overcame the darkness of fear and meaninglessness and permitted us to see what there truly is beyond the night of life. **A Millennial in Paradise Carlo Acutis** Sophia In each generation, heroes of the Faith, whom the Church recognizes as saints, emerge. There are many characteristics that they have in common, but none thus far have used cell phones, played PlayStation video games, or searched for information on Google. That is about to change. A young "computer geek" named Carlo Acutis, who created a website cataloguing every reported Eucharistic miracle in the world and died of leukemia a year later at age fifteen, was beatified in November 2019, after a healing miracle in Brazil was attributed to his intercession. Since the beatification ceremony one year later, solemn crowds have been filing past the exposed relics of the blessed youth in Assisi's Church of Santa Maria Maggiore. Carlo is a sign of contradiction in the modern world who serves as a heroic model for today's young people--a teenager who programmed computers and enjoyed films and comics yet lived as an authentic and sincere disciple of Christ. In these pages, you'll discover how he embraced the Faith as a boy and developed the virtues necessary to live a Christ-centered life in a secular society, how he overcame the vices that plagued him, and how he gracefully dealt with heartaches he could not divulge even to his parents. When he developed leukemia, he offered his suffering both for Pope Benedict XVI and for the Catholic Church, saying: "I offer all the suffering I will have to undergo for the Lord, for the Pope, and the Church." In this surprising and inspiring book, you'll also learn: How Carlo became holy, in only a few short years The young man's unusual loneliness and how he dealt with it His strategy for resisting peer pressure How he had fun without losing control and learned to resist gluttony How he interacted with teen girls who became his friends Why his explanations about the Mass are used in today's catechism classes in Italy How he dealt with friends who were sexually promiscuous and what he told them How he responded to the shocking news that he was dying (which happened two weeks later) His remarkable Eucharistic Miracles Exhibition--made possible by his computer skills--that is now touring churches all over Europe **La ricchezza del bene** Edizioni Terra Santa «Come mai è così difficile raccontare le cose belle? E ancor più quelle che profumano di buono? Da un po' di tempo, nella mia mente di giornalista, girava questo pensiero. Forse - rimuginavo - perché, da che mondo è mondo, il bene non fa notizia. Ho voluto raccontare le storie di dieci imprenditori che hanno fatto dell'azienda una famiglia, che sono stati capaci di fare del bene non solo ai propri dipendenti, ma anche a un territorio, talvolta anche in Paesi lontani. "Storie di carne", esempi di un'imprenditoria che fa profitti importanti, mai realizzati calpestando le persone ma, anzi, valorizzandole. Per entrare in ogni storia sono andata sul posto, ho visitato le sedi centrali, ho trascorso del tempo con i fondatori, gli imprenditori, gli amministratori delegati, i collaboratori e i dipendenti; mi sono fatta raccontare dalla viva voce dei protagonisti come sono nate queste realtà e le iniziative di solidarietà e sostenibilità che hanno realizzato in Italia e nel mondo. Mi riesce difficile chiamarle "aziende", perché per quanto grandi, alcune leader a livello mondiale, per me hanno acquisito un nome e un volto, che ha dietro altri volti: genitori, mogli

rimaste apparentemente dietro le quinte ma determinanti, collaboratori preziosi nel momento del bisogno. Non sono aziende, sono vite impastate in un'avventura imprenditoriale che dal nulla ha preso il via grazie a un'intuizione, seguita da una passione, messa a frutto da un talento». (Safiria Leccese) **Carlo Acutis The First Millennial Saint** Our Sunday Visitor Carlo Acutis, born May 3, 1991, fully embraced the gift of life. Known as a computer whiz, he also liked to play soccer, video games, and the saxophone. He enjoyed watching his favorite police dramas and making short films with his star cast of cats and dogs. He had many friends and enjoyed spending time with them. Yet Carlo was a little "different" at school, in the pizzerias, and on the soccer field. What set Carlo apart was his constant pursuit of holiness. In addition to his fun hobbies, he spent time teaching catechism classes and serving in soup kitchens. Carlo loved to attend daily Mass and frequent Eucharistic adoration. The Word of God and the Eucharist were the center of his life. Carlo's unwavering devotion to the Eucharist inspired him to tell the story of Eucharistic miracles through a website he created just for fun. He wanted to deepen his own knowledge of these phenomena, to strengthen his devotion to Jesus, and to invite others to grow in love for the Eucharist. The website subsequently caught the attention of people across the globe, introducing countless people to Eucharistic miracles. Carlo died from a sudden and violent illness in 2006 at the age of fifteen. In less than a decade, his story spread across Italy and around the world. After Pope Francis declared him venerable in 2018, his beatification was celebrated in Assisi on October 10, 2020. The next step will be canonization, making him the first millennial saint. **The Power of Silence Against the Dictatorship of Noise** Ignatius Press In a time when technology penetrates our lives in so many ways and materialism exerts such a powerful influence over us, Cardinal Robert Sarah presents a bold book about the strength of silence. The modern world generates so much noise, he says, that seeking moments of silence has become both harder and more necessary than ever before. Silence is the indispensable doorway to the divine, explains the cardinal in this profound conversation with Nicolas Diat. Within the hushed and hallowed walls of the La Grande Chartreux, the famous Carthusian monastery in the French Alps, Cardinal Sarah addresses the following questions: Can those who do not know silence ever attain truth, beauty, or love? Do not wisdom, artistic vision, and devotion spring from silence, where the voice of God is heard in the depths of the human heart? After the international success of *God or Nothing*, Cardinal Sarah seeks to restore to silence its place of honor and importance. "Silence is more important than any other human work," he says, "for it expresses God. The true revolution comes from silence; it leads us toward God and others so as to place ourselves humbly and generously at their service." **Chiara Corbella Petrillo A Witness to Joy** Sophia Institute Press Chiara Petrillo was seated in a wheel chair looking lovingly toward Jesus in the tabernacle. Her husband, Enrico, found the courage to ask her a question that he had been holding back. Thinking of Jesus's phrase, "my yoke is sweet and my burden is light," he asked: "Is this yoke, this cross, really sweet, as Jesus said?" A smile came across Chiara's face. She turned to her husband and said in a weak voice: "Yes, Enrico, it is very sweet." At 28 years old, Chiara passed away, her body ravaged by cancer. The emotional, physical, and spiritual trials of this young Italian mother are not uncommon. It was her joyful and loving response to each that led one cardinal to call her "a saint for our times." Chiara entrusted her first baby to the blessed Virgin, but felt as though this child was not hers to keep. Soon, it was revealed her daughter had life-threatening abnormalities. Despite universal pressure to abort, Chiara gave birth to a beautiful girl who died within the hour. A year later, the death of her second child came even more quickly. Yet God was preparing their hearts for more—more sorrow and more grace. While pregnant a third time, Chiara developed a malignant tumor. She refused to jeopardize the life of her unborn son by undergoing treatments during the pregnancy. Chiara waited until after Francesco was safely born, and then began the most intense treatments of radiation and chemotherapy, but it was soon clear that the cancer was terminal. Almost immediately after giving birth to Francesco, Chiara's tumor became terminal and caused her to lose the use of her right eye. Her body was tested, and so was her soul as she suffered through terrible dark nights. She said "yes" to everything God sent her way, becoming a true child of God. And as her days on earth came to an end, Enrico looked down on his wife and said, "If she is going to be with Someone who loves her more than I, why should I be upset?" Each saint has a special charisma, a particular facet of God that is reflected through her. Chiara's was to be a witness to joy in the face of great adversity, the kind which makes love overflow despite the sorrow from loss and death. **The Soul of a Woman** Bloomsbury Publishing The wise, warm, defiant new book from literary legend Isabel Allende – a meditation on power, feminism and what it means to be a woman An Independent, Guardian and Grazia Highlight for 2021 When I say that I was a feminist in kindergarten, I am not exaggerating. As a child, Isabel Allende watched her mother, abandoned by her husband, provide for her three small children. As a young woman coming of age in the late 1960s, she rode the first wave of feminism. She has seen what has been accomplished by the movement in the course of her lifetime. And over the course of three marriages, she has learned how to grow as a woman while having a partner, when to step away, and the rewards of embracing one's sexuality. So what do women want? To be safe, to be valued, to live in peace, to have their own resources, to be connected, to have control over their bodies and lives, and above all, to be loved. On all these fronts, there is much work to be done, and this book, Allende hopes, will 'light the torch of our daughters and granddaughters with mine. They will have to live for us, as we lived for our mothers, and carry on with the work still left to be finished.' **Petrarch and the Textual Origins of Interpretation** BRILL This volume addresses a far-reaching aspects of Petrarch research and interpretation: the essential interplay between Petrarch's texts and their material preparation and reception. To read and interpret Petrarch we must come to grips with the fundamentals of Petrarchan philology. **Blessed Carlo Acutis 5 Steps to Being a Saint** A beautiful new life of Carlo Acutis the IT enthusiast who died at just 15 years old but lived his life for Christ. The author introduces us to the five simple practices which helped to make Blessed Carlo Acutis the first Millennial Blessed. Richly illustrated with photographs of Blessed Carlo and with a great selection of his sayings this is an ideal introduction to a wonderful life. "We make a choice in life: God or nothing. Blessed Carlo Acutis chose God - "Not I, but God" - in five simple practices. The Mass, Adoration, Confession and spiritual guidance, befriending the Blessed Mother and the saints, and charity. These daily "appointments" led Carlo to a life of intimacy with Jesus and love for neighbour " - Cardinal Sarah **Original, Not Photocopies. Carlo Acutis and Francis of Assisi The Art of Loving** New City Press Space ads in America, Commonweal, Living Church, Living City; Feature in ASpirit of Books@ catalog (120,000); Extensive review campaign; Direct mailings to house list (monthly); E-mail marketing to selected consumer lists **Life of St. Francis of Assisi** Binker North Francis of Assisi is pre-eminently the saint of the Middle Ages. Owing nothing to church or school he was truly theodidact, and if he perhaps did not perceive the revolutionary bearing of his preaching, he at least always refused to be ordained priest. He

divined the superiority of the spiritual priesthood. Saint Francis of Assisi (Italian: San Francesco d'Assisi), born Giovanni di Pietro di Bernardone, informally named as Francesco (1181/1182 - 3 October 1226), was an Italian Catholic friar, deacon and preacher. He founded the men's Order of Friars Minor, the women's Order of Saint Clare, the Third Order of Saint Francis and the Custody of the Holy Land. Francis is one of the most venerated religious figures in history. Pope Gregory IX canonized Francis on 16 July 1228. Along with Saint Catherine of Siena, he was designated Patron saint of Italy. He later became associated with patronage of animals and the natural environment, and it became customary for Catholic and Anglican churches to hold ceremonies blessing animals on his feast day of 4 October. He is often remembered as the patron saint of animals. In 1219, he went to Egypt in an attempt to convert the Sultan to put an end to the conflict of the Crusades.[6] By this point, the Franciscan Order had grown to such an extent that its primitive organizational structure was no longer sufficient. He returned to Italy to organize the Order. Once his community was authorized by the Pope, he withdrew increasingly from external affairs. Francis is also known for his love of the Eucharist.[7] In 1223, Francis arranged for the first Christmas live nativity scene.[8][9][2] According to Christian tradition, in 1224 he received the stigmata during the apparition of Seraphic angels in a religious ecstasy [10] making him the first recorded person in Christian history to bear the wounds of Christ's Passion.[11] He died during the evening hours of 3 October 1226, while listening to a reading he had requested of Psalm 142. **The Boy Who Knew (Carlo Acutis)** Daniel's just been diagnosed with leukemia. As he struggles to come to terms with his uncertain future an unlikely friendship develops between him and a holy dead boy called Carlo Acutis-who may not be quite so dead after all. **Zibaldone** Farrar, Straus and Giroux A groundbreaking translation of the epic work of one of the great minds of the nineteenth century Giacomo Leopardi was the greatest Italian poet of the nineteenth century and was recognized by readers from Nietzsche to Beckett as one of the towering literary figures in Italian history. To many, he is the finest Italian poet after Dante. (Jonathan Galassi's translation of Leopardi's Canti was published by FSG in 2010.) He was also a prodigious scholar of classical literature and philosophy, and a voracious reader in numerous ancient and modern languages. For most of his writing career, he kept an immense notebook, known as the Zibaldone, or "hodge-podge," as Harold Bloom has called it, in which Leopardi put down his original, wide-ranging, radically modern responses to his reading. His comments about religion, philosophy, language, history, anthropology, astronomy, literature, poetry, and love are unprecedented in their brilliance and suggestiveness, and the Zibaldone, which was only published at the turn of the twentieth century, has been recognized as one of the foundational books of modern culture. Its 4,500-plus pages have never been fully translated into English until now, when a team under the auspices of Michael Caesar and Franco D'Intino of the Leopardi Centre in Birmingham, England, have spent years producing a lively, accurate version. This essential book will change our understanding of nineteenth-century culture. This is an extraordinary, epochal publication. **The Death of Balzac** Here, presented in English for the first time in a translation by Brian Stableford, is one of Octave Mirbeau's darkest works: a fictionalized account of the death of the giant of French letters, -HonorE de Balzac. Among his journalistic endeavors, Mirbeau contributed a large number of short stories to the newspapers in the fin-de-siEcle period, and he honed his skill in that kind of work to near-perfection. Many of his anecdotal short stories make the customary tokenistic pretences to be "true," and there is a considerable gray area between his explicit works of fiction, and articles that represent themselves falsely as reportage. None of his other impostures of that -ambiguous kind, however, are quite as brazen or as seductively -persuasive in their deception as the triptych making up The Death of Balzac, which, seen purely as a literary exercise, is a masterpiece of sorts, in terms of the persuasiveness of its mendacious execution and the elegance of its narration. It is a gripping and affectively powerful story, artful in its very atrocity; a prime specimen of the work of an exceptional writer. **Benedict XVI: A Life Volume One Youth in Nazi Germany to the Second Vatican Council 1927-1965** Bloomsbury Publishing By any reckoning, the papacy of Pope Benedict XVI was extraordinary, with moments of high drama. Not the least of these was his resignation from office in February 2013, the first papal resignation in 500 years. But who is Joseph Ratzinger? In this definitive biography, based on meticulous historical research and many hours of taped interviews with his subject, Peter Seewald shows the exceptional circumstances in which the exceptionally talented son of a Bavarian policeman became the first German pope for 950 years. In this first volume, covering the years 1927-1965, we witness Joseph Ratzinger's early days, living above his father's police station. Ratzinger came to adulthood through the years of National Socialism. Though hostile to the rise of Hitler, his family knew well about Dachau and Ratzinger himself was conscripted into the Hitler Youth. Joseph Ratzinger proved to be a man of exceptional intellectual gifts and by the time of the Second Vatican Council (1962-1965) he was already noted as one of the outstanding intellects present and was nominated a 'peritus' or theological expert. This was also the time of the start of his friendship with the Swiss theologian Hans Küng who was to become his nemesis. Of his predecessor, Pope Francis has said: 'Pope Benedict was a great Pope, great for the penetration of his intelligence, great for his important contribution to theology, great for his love of the Church and human beings, great for his virtues and faith'. Even in this first volume, we begin to understand how this came to be true. **The Cambridge Companion to Seneca** Cambridge University Press This Companion examines the complete works of Seneca in context and establishes the importance of his legacy in Western thought. **The Life of Saint Francis** Aeterna Press The grace of God our Saviour hath in these latter days appeared in His servant Francis unto all such as be truly humble, and lovers of holy Poverty, who, adoring the overflowing mercy of God seen in him, are taught by his ensample to utterly deny ungodliness and worldly lusts and to live after the manner of Christ, thirsting with unwearied desire for the blessed hope. For God Most High regarded him, as one that truly was poor and of a contrite spirit, with so great condescension of His favour as that not only did He raise him up in his need from the dust of his worldly way of life, but also made him a true professor, leader, and herald of Gospel perfection. Aeterna Press **War, Progress, and the End of History Including a Short Story of the Anti-Christ, Three Discussions** Vladimir Solovyov's philosophical classic explores the nature of war and battle in human society, and the potential manifestations of the Antichrist foreseen in Christian texts. Taking the form of a dialogue between several participants, Solovyov explores a series of philosophical ideas. At times lively freeform conversation sparkling with wit and insight, at times making intensive use of the Socratic method of questioning, Solovyov's wide-ranging enquiries are intensely readable. Some of the conversationalists have little to no knowledge of philosophy; with this in mind, the book is made entertaining and plain-spoken, advancing deep ideas in a manner understandable. As one of Solovyov's final works prior to his death in 1900, the introduction represents the author's mature outlook, encompassing Western and Eastern religious and philosophic questions, plus a suspicion that East Asian nations were an imminent

threat to Russia. This outlook proved somewhat accurate with the outbreak of war between Russia and Japan in 1904-1905, in which Japan emerged victorious. Questions include whether war is an inevitability given human nature, the geopolitics of the day, and how to recognize manifestations of good and evil in the world. Perhaps most distinctive however is the energetic and insightful concluding monologue on the Antichrist; incisive and stark in its portrayal, this tale offers a memorable finish. **Medjugorje Triumph of the Heart** Children of Medjugorje. Inc A book this genuine was needed! Sister Emmanuel offers through it a pure echo of Medjugorje, the eventful village where the Mother of God has been appearing since 1981. She shares at length some of the personal stories of the villagers, the visionaries, and the pilgrims who flock there by the thousands, receiving great healings. Ten years of awe have inspired this book. These 89 stories offer a glimpse into the miracles of Mary's motherly love. More than just a book, this is a (one-way) ticket to happiness! "This book fills me with joy, as I too am a supporter, protector and propagator of Medjugorje. Sister Emmanuel's presence in Medjugorje is providential: she has a charism of clarity to explain in the messages and events of Medjugorje." Monsignor Frane Franic Archbishop Emeritus of Split (Croatia) "The Gospa is a Mom; she invites us to be her vehicles, really happy, and not floating in the clouds. She calls us to be concrete like her. That's why this book is important! It reveals the marvels our Mother works in our hearts, through Medjugorje. I pray to God for the readers: may this book help you, may these testimonies be an example to change your life." Marija Pavlovic-Lunetti One of the Visionaries at Medjugorje A must read! "The Hidden Child of Medjugorje" (2007) Fr. Jozo Zovko says, "In this book, Sr. Emmanuel has gathered the most beautiful pearls! She offers them to the reader that they may be enriched. It gives great joy, revealing facts, people and events of great value and teaching." Available in bookstores and online at: [www.childrenofmedjugorje.com](http://www.childrenofmedjugorje.com) **Night Conversations with Cardinal Martini: The Relevance of the Church for Tomorrow** Paulist Press Carlo M. Martini was cardinal of the largest diocese in the world, a scholar, and one of the most renowned men of the church. Georg Sporschill has worked in prisons and lived with drug-addicted street children in Romania and Moldavia. The two Jesuits met in Jerusalem and became friends: two worlds, one faith--and a passionate search for ways in which the message of Jesus of Nazareth can still be effective for tomorrow. In a series of conversations they ask what faith can mean for life, what future young people have in the church, and what must be changed so that Christianity itself has a future. The questions from young people are the catalyst for deep thought. Is the future only dark? Where are the rays of light on the horizon? What would Jesus say today? **Francis of Assisi A Life** Scm Press A biography which brings out his quality of holiness against the background of his weaknesses, the defects of his character and his deep-rooted superstition. **Reconciliation Healing the Inner Child** Parallax Press Based on Dharma talks by Zen Master Thich Nhat Hanh and insights from participants in retreats for healing the inner child, this book is an exciting contribution to the growing trend of using Buddhist practices to encourage mental health and wellness. Reconciliation focuses on the theme of mindful awareness of our emotions and healing our relationships, as well as meditations and exercises to acknowledge and transform the hurt that many of us experienced as children. The book shows how anger, sadness, and fear can become joy and tranquility by learning to breathe with, explore, meditate, and speak about our strong emotions. Reconciliation offers specific practices designed to bring healing and release for people suffering from childhood trauma. The book is written for a wide audience and accessible to people of all backgrounds and spiritual traditions. **Light of Assisi The Story of Saint Clare** Franciscan Media While weaving together Clare's story and Francis's story, Margaret Carney draws special attention to Clare's significant contribution to the Franciscan world in the many years following Francis's death. Far from merely reflecting Francis's light, Clare had her own charism, "a gift bestowed by the Spirit of the Lord and given to her in a fullness and forcefulness that was hers alone." This book will introduce St. Clare of Assisi to those who do not know her and those who wish to know her better. It leads the reader from Clare's birth to her death. While taking account of modern scholarship, Sr. Margaret Carney tells the story of this medieval woman in a way readers today can understand. **The Dawn of All Samnium and the Samnites** Cambridge University Press Study of the life and culture of Samnium civilization in Roman Italy till its conquest by Rome. **Essentials of Social Psychology** Pearson Education Essentials of Social Psychology provides a clear, concise and engaging introduction to the field. He was a Dominican priest who taught theology in Cologne and Paris. His most distinguished student was Saint Thomas Aquinas. Albert was called "Doctor universalis" because his breadth of knowledge spanned not only philosophy and theology but all the natural sciences. He was a dedicated student of nature, and although he argued that the physical world can only be known reliably through observation and comparison, Albert distinguished between truths, which are naturally knowable, and mysteries, which cannot be known without revelation. People can only reach God through Himself - that is, by leaving behind the entanglements of earthly things and contemplating Him exclusively. The image and reality of God's incarnation in Jesus gives human beings the opportunity to attain a more perfect knowledge God through contemplation. Albert refers to the teaching of St. Peter, "Cast all your anxiety on him, because he cares for you." **The Dalai Lama's Cat and the Art of Purring** Hay House, Inc "What makes you purr? **The Victorious Queen of the World The Spiritual Diary of Sr. Natalia of Hungary International Law A South African Perspective** Wm Gaunt & Sons **Spiritual Friendship** Follows and completes Aelred's earlier treatise on love, "The Mirror of Charity". In it he reflects on the theories of friendship propounded by the great stoic philosophic Cicero. A humanist and a Christian monk, Aelred advocated friendship on both the natural and the supernatural plane. Frankness and not flattery, generosity and not gain, patience in correction and constancy in affection he saw as the marks of a genuine friendship.
