Aleksandr Blok's Trilogy of Lyric Dramas

A Puppet Show, The King on the Square and the Unknown Woman

Routledge *Aleksandr Blok's Trilogy of Lyric Dramas gathers together for the first time in English translation the first three plays by Aleksandr Blok, the pre-eminent poet of Russian Symbolism and one of the greatest poets of the twentieth century. The three plays that constitute the trilogy - A Puppet Show, The King on the Square and The Unknown Woman - are pivotal documents in the development of modernist drama. In his productions of A Puppet Show; and The Unknown Woman, Meyerhold first began to work the basic tenets of his approach to grotesque and constructivist theatre. Moreover, A Puppet Show provided the inspiration and much of the foundation for Meyerhold's theoretical writings. As a result, these plays are indispensable to any student of Meyerhold or modernist theatre. The plays are presented in the context of the poetry from which they issued in order to suggest how Blok developed the themes and motifs of the plays in other genres.*

A Practical Guide to Qabalistic Symbolism

Weiser Books In this groundbreaking book, Knight shows how the Qabalah and its basic diagram, the Tree of Life, is a system of relationships among mystical symbols that can be used to gain access to the hidden reaches of the mind. He also demonstrates how the Qabalah is applicable to all mystical traditions and religious beliefs, including Christian mysticism, Greek, Egyptian and Celtic mythologies, and even Native American beliefs. It is indeed symbolic of our universal search for the Divine. Included here are two books in one. The first compares the Western Mystery Tradition with the Eastern system of yoga, analyzes the Tree of Life in full detail, and describes the practical application and theories of Qabalistic symbolism. The second gives the most comprehensive analysis ever published of the twenty-two 'Paths of Concealed Glory' that join the Spheres of the Tree of Life taking into account the Hebrew alphabet, astrological signs, and tarot trumps. A large section explores the history of tarot design and the varying systems of correspondence with the Tree of Life.
