Not to mention Vance, who has his own unique ways of digging into Jules's heart. But Jules makes some bad guys pretty angry, and one will stop at nothing to take her out. And Vance may be too late in making sure that doesn't happen. **Rock Chick Revenge** *Createspace Independent Publishing Platform* **Ava Barlow** hates men. She has reason and she's vowed not only never to get involved with another one again, but also to exact vengeance on her best friend's lying, cheating, rat-bastard husband. Since Luke Stark, Ava's childhood crush, is now a badass mother, she thinks to enlist him, but changes her mind at the last second. Too late. She's not in the mood for love at first sight. Unfortunately, her eyes fall on Hank Nightingale, and she knows it's trouble from the get-go. Roxie tries to hold Hank at arm's length, but Hank wants to be a lot closer (as in, a lot a lot). Roxie's trouble catches up with her and Hank wants to help, but Roxie knows in her heart that she's no good for a White Hat type of guy. The problem is, no one agrees with her, especially her crazy, hippie best friend, Annette, or her parents, the even crazier, small-town Herb and Trish, or her even crazier Uncle Tex, or any of her newfound posse of Rock Chicks. Roxie's got the odds stacked against her and has no choice but to hold on and ride it out through kidnappings, car chases, society parties and a wild night at the Haunted House. And what she's holding on

to through it all is Hank. Rock Chick Revolution *Kristen Ashley* Ally Nightingale has secrets. Secrets she doesn't even share with the Rock Chicks. But two men know what she's up to. One has her back. The other has her heart, but he doesn't know it. As Ally rewinds the last year of her life, she knows two things. One, she's never going to get what every Rock Chick should have—her own Hot Bunch guy. And two, she's a Nightingale through and through. She just isn't sure what to do about it. But as her secrets are revealed, the men in her life react. Darius Tucker, a lifelong friend, as usual, takes her back. Ren Zano, the man she loves, isn't quite so sure. The Rock Chicks, Hot Bunch and the entire gang at Fortnum's weigh in, and a Rock Chick Revolution starts brewing. It's up to Ally to control it and prove what she knows down to her bones. She's a Rock Chick, she deserves her hot guy and she's going to keep the one she wants... Because bottom line: she's a Nightingale. Rock Chick Reawakening *Evil Eye Concepts, Incorporated* Play it Safe *Kristen Ashley* No connections. Play it safe. These were the rules Ivey lived her life by. Until she hit Mustang, Colorado, a perfectly imperfect town where the citizens were welcoming and one of them included the tall, beautiful, macho man rancher cowboy, Grayson Cody. On the run for a decade, Ivey knew she was supposed to play it safe. But she was tired of being on the run. She wanted a normal. She wanted real. She wanted a home. And she wanted Grayson Cody. And Grayson Cody wanted Ivey. No one who looked at them couldn't see they belonged together. There was one man in this world for Ivey and one woman in this world for Grayson Cody. So they fell in love. But just as quickly as they fell together, they were betrayed and torn apart. Separated for years, Ivey was certain her life would not include her rancher cowboy. Until the town of Mustang reached out to her when Gray was in trouble. Even though she thought he broke her heart, she charged in to help. Then Gray and Ivey discovered they were betrayed and, not only that, Gray had an enemy who would stop at nothing to defeat him. Bounty *Kristen Ashley* Justice Lonesome has enjoyed a life of bounty. Even so, she's inherited the curse of the Lonesome. A poet's soul. Which means she's still searching for something. Searching for peace. Searching for the less...that's more. And when the foundation of her life is pulled out from under her, grieving, she goes to the mountains to find her oasis. She hits Carnal, Colorado and decides to stay. Deke Hightower lost everything at the age of two. He lost it again at fifteen. His life has not been about bounty. It's been about learning to live with less, because there's no way to get more. Deke's also watched all his friends go down to the women who gave them what they needed. He wants that for himself. But he knows that search isn't going to be easy because he's a rider. His home is the road. That's the only place he can breathe. And the woman who takes her place at his side has to do it sitting on the back of his bike. When Deke meets Justice, he knows she's not that woman. She's cute. She's sweet. And she's into him, but she's got it all and Deke knows he won't fit into that. So he holds her at arm's length. Establishes boundaries. And Justice will take it because she wants Deke any way he'll let her have him.

But when Justice finds herself a pawn in a dangerous game, Deke makes a decision. When he does, he has no idea he's just opened himself up to bounty. **Rock Chick Reckoning** *Createspace Independent Publishing Platform* Stella Gunn is the lead singer and lead guitarist of the Blue Moon Gypsies and Stella used to be Mace's girl.
