Now it's Australia's turn to rediscover this jewel of a book on mindfulness. In times of uncertainty, words of comfort are essential, and the stunning overseas

sales of this title are testament to its universal appeal. These modern tales of hope, forgiveness, freedom from fear and overcoming pain cleverly relate the timeless wisdom of the Buddha's teachings and the path to true happiness in a warm and accessible way. Ajahn Brahm was born and raised in the West and in his more than thirty years as a Buddhist monk he has gathered many poignant, funny and profound stories. He has tremendous ability to filter these stories through the Buddha's teaching so that they can have meaning for all sorts of readers. There are many thousands of Australians who don't even know that they need this book yet, but who will no doubt embrace it just as overseas readers have. It is the perfect gift book as there is truly something in it for everyone. 'Ajahn Brahm is the Seinfeld of Buddhism' - Sumi Loundon, editor of *Blue Jean Buddha: Voices of Young Buddhists* and *The Buddha's Apprentices* **Boo! Hiss! Simon and Schuster** A ghoulish ghost and a slithery snake want their own home sweet home—no humans allowed—in this delightfully spooky graphic novel chapter book. Ghost and Snake live in an old, old house. All by their lonesome, with no one to bother them. They go about their days hooting and hissing, until a family—a human one!—moves in and disturbs their peace and quiet. A crying baby? A barking dog? A wailing saxophone? How will they ever stop all this noise and reclaim their home? Their plan involves lots of scaring and slithering, and they're sure once the family sees them, out they'll move! But could it be that having a noisy, barking, laughing family around isn't all that bad? *The Fairies' Path (Fate: The Winx Saga Tie-in Novel)* (Media tie-in) Scholastic Inc. Don't miss this bold new reinvention of the classic animated *Winx Club* series! This is the first YA novel based on the new NETFLIX series *Fate: The Winx Saga*. It is a retelling of the first season packed with bonus scenes and character backstory not seen on the show. At the Alfea International School, students come from all over the Otherworld to train. To learn magic. To discover how to control their powers. Inside the school's castle, five students—complete strangers—are assigned as roommates: Aisha is an athlete and a classic overachiever whose control over water is the envy of her fellow students. Terra is an awkward do-gooder whose power over the natural world can overwhelm rivals unexpectedly. Musa is an introvert who keeps to herself so her mind isn't overwhelmed by the emotions of those around her. Stella is a princess - yes, a real princess - whose command over light inspires but also intimidates. And then there's Bloom, the outsider, the girl from the human world whose power over fire almost destroyed her family. These five teenagers want what every teenager wants . . . to figure out who they are. To make friends. To fit in at their new school. But when an ancient, long-vanquished evil suddenly resurfaces outside the castle walls, these five teenagers be forced to put their powers to the test. And they'll discover a secret so powerful, it will challenge everything they know about the Otherworld . . . and themselves. *School Freezes Over!: A Branches Book (Eerie Elementary #5)* A Branches Book Scholastic Inc. Norton & Company "A work of enormous breadth, likely to pleasantly surprise both general readers and experts."—New York Times Book Review This revolutionary book provides fresh answers to long-standing questions of human origins and consciousness. Drawing on his breakthrough research in comparative neuroscience, Terrence Deacon offers a wealth of insights into the significance of symbolic thinking: from the co-evolutionary exchange between language and brains over two million years of hominid evolution to the ethical repercussions that followed man's newfound access to other people's thoughts and emotions. Informing these insights is a new understanding of how Darwinian processes underlie the brain's development and function as well as its evolution. In contrast to much contemporary neuroscience that treats the brain as no more or less than a computer, Deacon provides a new clarity of vision into the mechanism of mind. It injects a renewed sense of adventure into the experience of being human. *My Kingdom of Darkness: A Branches Book* (Pets Rule #1) Scholastic Inc. Pets, hilarity, and plots for world
