## **LA GUERRE EN LIBYE À BORD D'UN RAFALE MARINE**

---

*Le monde arabe s'embrase en ce printemps 2011. En Libye, les chars de Kadhafi sont aux portes de Benghazi et menacent de réprimer dans le sang une population en révolte. Le 17 mars, l'ONU vote la mise en place d'une zone d'exclusion aérienne. Soixante-huit heures plus tard, le Charles de Gaulle appareille. Dès lors, pour le capitaine de corvette Yannick Piart, les missions vont se succéder à un rythme effréné. Catapulté à bord de son Rafale Marine de jour comme de nuit, il va mener des frappes aériennes des plus diverses aux commandes du fleuron de l'aviation française. Véritable immersion dans l'ambiance survoltée d'un cockpit de chasseur et portrait fidèle de la carrière d'un pilote de l'aéronavale, La pointe du diamant offre également un témoignage sincère sur les combats et l'engagement exceptionnel des hommes et des femmes du groupe aérien embarqué, ainsi que sur l'incroyable fourmilière humaine que constituent le Charles de Gaulle et ses 2000 membres d'équipage.*

Lulu.com Depuis 2005, date de la découverte du Parisis Code, les recherches dans la trame des voies de la Capitale n'ont jamais cessées. Grâce à l'expérience et l'utilisation de nouveaux paramètres comme les points éphémères (bars, hotels, restaurants, sociétés) de nouveaux alignements symboliques encore plus extraordinaires ont été découverts. La précision déjà impressionnante des lignes s'est considérablement améliorée. Ce dernier volet, montre à quel point, tout prédestinait l'auteur à découvrir ce code parisien. Depuis sa naissance, les grandes étapes de sa vie étaient inscrites à travers un impressionnant alignement d'une trentaine de paramètres... elles attendaient d'être découvertes !"

Nelson Thornes This is part of a series which covers the NVQ and GNVQ language options in Business, and Leisure & Tourism, and is available in French, German and Spanish. Each course comprises a student book, a resource and assessment file, two presentation cassettes and two consolidation cassettes. End-of-unit progress checks are cross-matched with NVQ criteria for assessment in reading, speaking and writing, and each of the resource files contains photocopiable worksheets and a cassette for preparation and assessment in all four skills.
