# Reading First and Beyond

## The Complete Guide for Teachers and Literacy Coaches

*Corwin* Reading proficiency is the most fundamental learning skill, critical to students' success. Renowned educators and authors Cathy Collins Block and Susan Israel present an indispensable guide that will give teachers and literacy coaches crystal clear understanding of the evidenced-based instructional practices required by Reading First Legislation, along with the tools to incorporate them. The authors further expand the support for enriched classroom practice through evidence and practical how-to advice for additional domains that show proven benefits for students, including writing, metacognition and oral language. Through their explanations, teaching directions, and sample lessons, this resource bridges the gap between key research and daily reading classroom teaching. It also summarizes the educator-relevant provisions and requirements of Reading First and the No Child Left Behind federal programs. Each chapter includes: Short classroom-relevant research summaries for teachers- What teachers need to know about phonics, phonemic awareness, vocabulary, comprehension, and fluency- Lesson plans addressing each literacy domain- Components to assess learning- Strategies to differentiate for special learners, ELL, and advanced readers. Reading First and Beyond is packed with enriching ideas for all educators that will enhance their list of literacy instructional strategies, helping them achieve high levels of reading proficiency from all students.

### Evidence Questions for

### Kindergarten Grade

*Createspace Independent Publishing Platform* **Reading Comprehension Passages Kindergarten Grade: Level C Guided Reading Comprehension Passages with Text Evidence Questions for Kindergarten Grade:** This product is designed to help kids who are reading at Guided Reading Level C become skilled at reading simple passages and answering text-based comprehension questions. As students find the evidence that supports their answers, they participate in their very first close reading lessons. This pack is ideal for morning work once students are familiar with the format. (Upon request, an abridged version of this product is now also listed in Spanish. If you'd like to take a look, please [click here](#).) This packet includes 30 reading comprehension passages with three questions per passage. Each passage is presented twice. - In the first set, the passages are provided in a standard format. I have students circle the correct answer and also write it on the line. - In the second set, a color-coded crayon is provided in each answer box. Students use that color to underline the evidence in the text that supports their answer & also answer in a standard format. - Supports the following Kindergarten and First Grade standards: - CCSS ELA-Literacy.RL.1.1 - Ask and answer questions about key details in a text. - CCSS ELA-Literacy.RL.K.1 -With prompting and support, ask and answer questions about key details in a text. - If multiple choice questions are new to your kids, I recommend putting simple questions in a multiple choice format during calendar time or other daily routines. I like to give each student a strip of cardstock with A, B and C written on it and have them

practice answering multiple choice questions by clipping a clothespin on the correct answer. This is an easy, fun way for kids to develop confidence answering multiple choice questions. - Once kids are comfortable with the multiple choice format, I like to discuss the first few passages with groups and demonstrate how to answer the simple text-based multiple choice questions. Some of the passages are similar to each other so you can use one passage to teach and the other to check each student's understanding during independent work. - I am finding that, with guided Reading comprehension practice, kids quickly develop the skills they need to be successful reading these passages and independently answering the multiple choice questions. These passages are based on common sight words. I also have kids find and highlight selected sight words. Supports the following standards: - CCSS ELA-Literacy.RF.1.3g - Recognize and read grade-appropriate irregularly spelled words (for beginning of year words). - CCSS ELA-Literacy.RF.K.3c - Read common high-frequency words by sight.
