## Combined Volume

### Faith for a Dark Saturday

Grave Distractions Pub. (pub-8395162334927303) **"The darkest hour is just before dawn." The age-old adage has been borne out through the experiences of countless lives as a true statement. In Faith for a Dark Saturday, the noted theologian and historian James Baker shows how nine men from the Bible prove the point. Each man tells, in his own words, the misery of his darkest hour, a time that he did not know but we do was just before the dawning of a morning of hope. There is Abraham as he prepared to sacrifice his son Isaac. Jacob as he prepared to meet his hostile brother and possible death. Moses in desert exile before he sees the burning bush and receives the commission of his life. King Hezekiah as he awaits assault from the invincible Assyrian army. Joseph as he contemplates the scandal caused by his finance's pregnancy. The apostle Peter on the Saturday between the crucifixion and resurrection. Paul as he prepares to leave for Damascus to round up Christians. The jailer of Philippi before the earthquake that will bring his salvation. John in exile on Patmos before his vision. You will be inspired to lean on your own faith as you share the experiences of these men, caught in fear and despair, during the agony of their dark Saturdays, just before the dawn of a new day of hope.**

### White Dogs

Grave Distractions Pub. (pub-8395162334927303) **James T. Baker's White Dogs is the story of a young woman and the six men who know her in six different ways. It is the story of how the way men see women affects both men and women. James T. Baker has created an astounding commentary on the human condition, discovering universal truths in a few grains of sand along the side of a rural road. Mary Charlotte Lafferty's life is molded by these six men: her father, whose suicide leaves her to grow up with a brother; her brother whose innocence involves the two in the world's oldest taboo; the boy preacher who falls in love with her and loses his innocence as he learns the truth and strips her of her own innocence; the Mexican who helps her escape her prison and by worshiping her destroys himself; the man who uses his wealth to make claims on her that result in the deaths of two men; and the boy who starts out to kill her and what she means to him and ends up loving her as none of the others did or could do.**
