Manhattan Review GMAT Verbal Study Guide [5th Edition] The Turbocharge Your GMAT series is the result of this arduous effort of Manhattan Review, which offers GMAT weekend crash courses, GMAT one-week intensive courses, GMAT weekday and weekend long courses, GMAT online workshops, free seminars, and private GMAT tutoring to students in the US, UK, Continental Europe, Asia and the rest of the world. Its website has a wealth of free information and promotions including free offers to World MBA Tour Fairs, free MBA Panel Discussions, free GMAT & MBA Admissions Workshops, free downloads, MBA and GMAT essentials, free InFocus Newsletters, free interview articles, and more. Its website www.manhattanreview.com is frequently updated with free resources! If you reside outside of the US, please refer to the International Location section for your local content. Manhattan Review's origin can be traced directly to an Ivy-League MBA classroom in 1999. While lecturing on advanced quantitative subjects to MBAs at Columbia Business School in New York City, Prof. Dr. Joern Meissner was asked by his students to assist their friends, who were frustrated with conventional GMAT preparation options. He started to create original lectures that focused on presenting the GMAT content in a coherent and concise manner rather than a download of voluminous basic knowledge interspersed with so-called "tricks." The new approach immediately proved highly popular with GMAT students, inspiring the birth of Manhattan Review. Over the past 15+ years, Manhattan Review has grown into a multi-national firm, focusing on GMAT, GRE, LSAT, SAT, and TOEFL test prep and tutoring, along with business school, graduate school and college admissions consulting, application advisory and essay editing services. The highly-acclaimed Manhattan Review Turbocharge Your GMAT preparation materials include about 600 pages of well-illustrated and professionally presented strategies and originally written problems for both the Verbal Section and Quantitative Section, 200 pages of detailed solutions, and more than 300 pages of internally developed Quantitative Glossary and Verbal Vocabulary List with detailed definitions, related words and sentence examples. The detailed breakdown of exclusive practice problems per

section of the GMAT exam. This book contains the excerpted verbal sections, including Integrated Reasoning, as taken from the parent paperback titled "Game Plan for the GMAT: Your Proven Guidebook for Mastering the GMAT Exam in 40 Short Days." Whether you're a candidate already enrolled in a test-prep course or are undertaking self-study, this book will serve as a rigorous skill-building study guide to help you conquer the verbal section of the GMAT exam. It also includes a special workshop on integrated reasoning. Studying for the verbal sections of the GMAT exam requires some 50 hours of study time. This book's content is conveniently divided into topics, which require two to three hours of study time per day. Total study time will vary between 40 to 60 hours for the entire 20 days. *Track your progress using a specially designed 20-day checklist. *Take "ownership" of your exam and gain the confidence you need by building real skills. *Master the key rules of grammar and review diction, idioms, and style. *Use The Four-Corner Question Cracker to eliminate wrong answers on Reading Comprehension. *Prepare for the new Integrated Reasoning section with a targeted review of graphical data. *Succeed by knowing what makes each problem "tick" and use analytical techniques to avoid traps and to identify common incorrect answer choices. Secret Recipe: Each hand-selected problem comes with a classification, snapshot, and chili rating. "Classification" serves to identify each problem according to category or sub-category. "Snapshot" highlights why that particular problem was chosen, including the underlying problem-solving principle or strategic approach. "Chili rating" helps candidates gauge the estimated difficulty level of a given problem. A single chili indicates that the estimated difficulty level of a given problem is "mild" (500 to 590 difficulty level), two chilies spell "hot" (600 to 690 difficulty level), and three chilies signal "very hot" (700 or above difficulty level). By practicing with problems of varying levels of difficulty, candidates will learn to maintain discipline when solving easy but tricky problems and also to exercise flexibility when tackling harder problems. These latter problems require that a test-taker choose the best approach and look for time-saving shortcuts. Author's bio: Brandon Royal (CPA, MBA) is an award-winning educational author and a graduate of the University of Chicago's Booth School of Business. This book represents, in part, his distilled experience gained from teaching GMAT test-prep courses for Kaplan Educational Centers in Hong Kong and from conducting hundreds of hours of individual tutoring sessions that helped scores of applicants beat the GMAT and achieve acceptance at the world's leading business schools. " **GMAT Reading Comprehension** *Simon and Schuster* This in-depth guide takes the mystery out of complex reading passages by providing a toolkit of sketching techniques that aim to build comprehension, speed, and accuracy. Learn to identify the underlying structure of reading passages and develop methods to tackle the toughest comprehension questions. **GMAT Official Advanced Questions** *John Wiley & Sons* GMAT Official Advanced Questions Your GMAT Official Prep collection of only hard GMAT questions from past exams. The Mometrix guide is filled with the critical information you will need in order to do well on your GMAT exam: the concepts, procedures, principles, and vocabulary that the Graduate Management Admission Council (GMAC) expects you to have mastered before sitting for your exam. The Analytical Writing section covers: Preparing to Write ; Formal Writing ; Thesis ; Argumentative and Persuasive Writing. The Integrated Reasoning section covers: Logical Organization ; Clear and Appropriate Writing ; Synthesizing Information from Graphics ; Interrelated Problems. The Quantitative section covers: Mathematical Operations ; Equations and Functions ; Polynomials ; Probability. The Verbal section covers: Types of Passages ; Author's Purpose ; Cause and Effect ; Implications ...and much more! Our guide is full of specific and detailed information that will be key to passing your exam. Concepts and principles aren't simply named or described in passing, but are explained in detail. The Mometrix GMAT study guide is laid out in a logical and organized fashion so that one section naturally flows from the one preceding it. Because it's written with an eye for both technical accuracy and accessibility, you will not have to worry about getting lost in dense academic language. Any test prep guide is only as good as its practice questions and answer explanations, and that's another area where our guide stands out. The Mometrix test prep team has provided plenty of GMAT practice test questions to prepare you for what to expect on the actual exam. Each answer is explained in depth, in order to make the principles and reasoning behind it crystal clear. Many concepts include links to online review videos where you can watch our instructors break down the topics so the material can be quickly grasped. Examples are worked step-by-step so you see exactly what to do. We've helped hundreds of thousands of people pass standardized tests and achieve their education and career goals. We've done this by

setting high standards for Mometrix Test Preparation guides, and our GMAT Prep Book 2022-2023 - GMAT Study Guide Secrets is no exception. It's an excellent investment in your future. In fact there are hundreds of brilliant students from the Non English speaking world, who easily score in the 99 percentile in GMAT Math, but struggle desperately when it comes to GMAT Verbal. Even if you are comfortable with the English language, you might struggle with the 700+ type of questions, where the GMAT Sentence correction section tests deeper understanding of Grammar rather than just testing the standard rules that the commonly available guides provide. However, if you are NOT comfortable with the nuances of English Grammar, the common list of standard rules will not make much sense anyways. What you need is a thorough understanding of GMAT grammar behind the Sentence Correction section. Unfortunately, this is easier said than done. It can take months, if not years to get a good grasp of the grammar fundamentals. The English speakers study the language for more than 10 years starting from primary school, and still struggle with the SC section of the GMAT. So how do you manage your GMAT Verbal prep? Especially in the Sentence Correction section, where grammar plays a much bigger part than in the GMAT Reading Comprehension or the GMAT Critical Reasoning Section. The best and the most fail-proof way is to get a thorough background on the specific elements of grammar tested in the GMAT. You need to watch out though. There are many English grammar books in the market that will teach you much more than you need for the GMAT, and you can spend weeks studying something that is unlikely to have much effect on your Verbal score. What you need is a concise book that clearly outlines the topics that are tested in the GMAT, and explains these in detail with real examples from the GMAT. This is where the 'Ultimate Guide to GMAT Verbal - Grammar & Sentence Correction' comes in. Some of the unique features of this book are: It gives you a concise background of the English Language without going into details that you do not require for the GMAT

Sentence Correction section. It explains, with multiple examples, the essential concepts and structures of GMAT Grammar. It takes you through the common concepts tested on the GMAT Sentence Correction section and provides detailed background so that these concepts are easier to absorb. Provides a comprehensive list of GMAT Idioms (Over 200 Idioms tested in the GMAT) Over 150 unique Sentence Correction Questions with explanatory answers. Why Should you Buy this Guide? If you struggle with the answer choices in the GMAT Sentence correction section, even after going through the standard books, If you have tried to go through standard Grammar books and given up, or if you simply need a good grasp of the English Grammar relevant for Sentence Correction, then this is what you need. One of the most important parameter that the admissions committee looks for, especially in case of Non Native speakers, is their English score. Your Verbal score doesn't have to be in the nineties, but the closer the better. It has to be high enough to convince them that you deserve that offer letter. This guide has been especially written from real life experience teaching the nuances of Sentence correction to hundreds of students.. It includes Key grammar concepts necessary to crack the Sentence Correction section and scores of examples to illustrate these concepts. **The Official Guide for GMAT Verbal Review** John Wiley & Sons **GMAT Official Guide 2022 Book + Online Question Bank** John Wiley & Sons Your official source of real GMAT™ practice questions. Ace the GMAT Master the GMAT in 40 Days *Maven Publishing* ACE THE GMAT is based on a simple but powerful observation: Test-takers who score high on the GMAT exam do so primarily by understanding how to solve a finite number of the most important, recurring problems that appear on the GMAT. What are these important, recurring problems? The answer to this question is the basis of this book. This manual provides in-depth analysis of over 200 all-star problems that are key to mastering the seven major GMAT problem types including Problem Solving, Data Sufficiency, Sentence Correction, Critical Reasoning, Reading Comprehension, Analytical Writing, and Integrated Reasoning. Apart from providing readers with answers and full explanations, a special feature of this book is that each problem is categorized by type ("classification"), rated by difficulty level ("chili rating"), and supplemented with a problem-solving strategy ("snapshot"). "Chance favors the prepared mind." Whether you're a candidate already enrolled in a test-prep course or are undertaking self-study, this guidebook will serve as a rigorous skill-building study guide to help you conquer the math, verbal, analytical writing, and integrated reasoning sections of the exam. Studying for the math and verbal sections of the GMAT exam requires some 100 hours of study time. This book's content is conveniently divided into topics, which require two to three hours of study time per day. Total study time will vary between 80 to 120 hours for the entire 40 days. Solving (Official exam instructions for Problem Solving, Strategies and approaches, Review of basic math, Multiple-choice problems, Answers and explanations); Chapter 3 - Data Sufficiency (Official exam instructions for Data Sufficiency, Strategies and approaches, How are

answers chosen in Data Sufficiency? How do the big seven numbers work? Multiple-choice problems, Answers and explanations); Chapter 4 – Sentence Correction (Official exam instructions for Sentence Correction, Strategies and approaches, Review of Sentence Correction, Multiple-choice problems, Answers and explanations); Chapter 5 – Critical Reasoning (Official exam instructions for Critical Reasoning, Strategies and approaches, Review of Critical Reasoning, Multiple-choice problems, Answers and explanations); Chapter 6 – Reading Comprehension (Official exam instructions for Reading Comprehension, Strategies and approaches, Review of Reading Comprehension, Answers and explanations); Chapter 7 – Analytical Writing Workshop (Official exam instructions for the Analytical Writing Assessment, Strategies and approaches, Review of Analytical Writing, Essay exercises, Outlines and proposed solutions); Chapter 8 – Integrated Reasoning Workshop (Official exam instructions for Integrated Reasoning, Strategies and approaches; Review of Integrated Reasoning with exercises, Answers and explanations); Appendix I – GMAT and MBA Informational Websites (Registering for the GMAT exam; MBA fairs & forums; MBA social networks; GMAT courses; Other GMAT & MBA websites; Information on business school rankings); Appendix II – Contact Information for the World’s Leading Business Schools (U.S. business schools; Canadian business schools; European business schools; Australian business schools; Asia-Pacific business schools; Latin and South American business schools; South African business schools); Quiz – Answers; On a Personal Note; Praise for Ace the GMAT. “Finally, a book that helps you master those learning skills that are critical to success on the GMAT.” —Linda B. Meehan, former Assistant Dean & Executive Director of Admissions, Columbia Business School
