KEY=UNTHINKABLE - FRENCH SIMPSON

When I Lay My Isaac Down Unshakable Faith in Unthinkable Circumstances

NavPress You're never ready for calamity to strike. Carol Kent and her husband Gene were devastated by the news that their son killed his wife's ex-husband. Gene and Carol were buoyed in their faith by eight principles, gleaned from the story of Abraham and Isaac: Over the course of eight chapters Carol explores the power of unthinkable circumstances, relinquishment, heartache, community, hope, faith, joy, and speaking up.

When I Lay My Isaac Down Unshakable Faith in Unthinkable Circumstances

Navpress Publishing Group It's not enough to just be a good Christian and do good deeds. You also must make a conscious effort to choose to live like Jesus. Choose the Life Leader's Guide with DVD includes a disciple's guide plus discussion questions for

each community meeting. The DVD features 10-minute clips from Bill Hull that provide insights into the week's lesson.

A New Kind of Normal

Hope-Filled Choices When Life Turns Upside Down

Thomas Nelson *Carol Kent has lived every parent's nightmare. After her only son was sentenced to life in prison without the possibility of parole, Carol's life took a permanent detour. She and her husband, Gene, have been adjusting ever since, moving to Florida to be near the prison, starting a new ministry for prison inmates and their families, and sharing the faithfulness of God with anyone who will listen. A New Kind of Normal begins with the story of that horrible night when Carol and Gene learned their son had been arrested, but it doesn't end there. In fact, Carol knows what it means to live with an unthinkable circumstance that will never change-and to still make hope-filled choices. Through the eight chapters in this book, Carol will use their own story, the story of Mary mother of Jesus, and stories of women who have experienced their own "new normal" to share how God has led them to choose life, gratitude, vulnerability, involvement, forgiveness, trust, and action.*

Men Are Like Waffles--Women Are Like Spaghetti

Harvest House Publishers *Men Are Like Waffles—Women Are Like Spaghetti* has helped thousands of couples understand each other better. I will continue to recommend this book as a "must read." —Gary Chapman, bestselling author of *The 5 Love Languages*® Pam and Bill Farrel have the ability to take an everyday menu of spaghetti and waffles and transform biblical, practical wisdom into a word picture that has encouraged, equipped, and inspired couples worldwide. —Dr. Kevin Leman, bestselling author of *The Birth Order Book* and *Sheet Music Let Your Differences Make You Irresistible to Each Other* While a man tends to deal with one problem or purpose at a time (moving from waffle square to waffle square), a woman's thoughts generally flow together (like spaghetti noodles). Once you discover how your spouse processes feelings and thoughts, you're on your way to a happy and healthy relationship! Join more than 300,000 other readers as you learn to energize your communication with strategies that work, ignite romance with new ideas to spice up your marriage, and empower your parenting with your combined insights and influence. Find all the ingredients for creating a fabulous recipe of loving, working, and winning together!

Between a Rock and a Grace Place Divine Surprises in the Tight Spots of Life

ReadHowYouWant.com "Their son, Jason, a young man who initially had so much promise, is now serving a life sentence for murder in a maximum-security prison. All their appeals have be exhausted at both the state and federal levels--humanly speaking, they have run out of options. But there's more to the story. Despite their grim situation, Carol and her husband live a life full of grace. Kent reveals how life's problems are a fruitful time to discover the very best divine surprises, including peace, compassion, freedom, and adventure"--Page 2 of cover.

Full Service

Moving from Self-Serve Christianity to Total Servanthood

Baker Books Although servanthood is often discussed as an important part of leadership, it is also the basic calling of every follower of Jesus Christ. Siang-Yang Tan takes a fresh approach to servanthood, exploring it as loving obedience to God in and of itself, regardless of personal greatness, fulfillment, or success. He lays out the biblical case and practical guidance to help all Christians live out their foundational call of being a servant of God in all areas of life. Tan's focus on servanthood alone--in contrast to the many books on servant-leadership--will appeal to pastors, church leaders, and all Christians interested in a biblical perspective on servanthood.

Waiting Together

Hope and Healing for Families of Prisoners

Our Daily Bread Publishing Due to events beyond your control, you find yourself with a loved one in prison. What now? Carol Kent has been there and knows what it's like to have life flipped upside down. She writes *Waiting Together* from a heart that understands what it's like to navigate a new normal, offering hope and healing from a Biblical perspective. This 90-day guide, filled with devotions, prayers, and Scripture, comforts hurting hearts and shows how God can bless families in similar

situations.

Perfect Trust

Thomas Nelson Learn how to rest in God's peace while you develop perfect trust. Beloved Bible teacher and bestselling author Charles Swindoll offers fresh, original insights in this wonderful sequel to *Intimacy with the Almighty*. He encourages readers to discover a more meaningful, intimate relationship with God by learning to trust Him more completely. This classic favorite is revised with an elegant updated design and powerful new quotes that go right to the heart. With his unique, uplifting writing style, Swindoll helps those navigating life's most difficult obstacles to pursue the path that leads to power, blessing, and peace.

Abraham

One Nomad's Amazing Journey of Faith

Tyndale House When we rewind history back to Abraham's era, we encounter people who concocted false superstitions to explain the unexplainable. Powerful kings claimed to be gods, building massive pyramids to achieve immortality. Out of this mass of misunderstandings, one man emerged. The man we know today as Abraham not only claimed that one true Creator existed but also staked his entire life on this belief. Why, thousands of years later, are we still discussing the faith of this desert nomad? One of America's most popular Bible teachers Pastor Chuck Swindoll answers that question and many more in this compelling and insightful biography that will inspire your own faith.

When You Love a Prodigal

90 Days of Grace for the Wilderness

Baker Books Loving a prodigal is a long and desperate journey, filled with fear, worry, anger, self-recrimination. You wait for the phone call--will it be from jail or the hospital? You plead with your loved one. You search for help. You feel the shame. You cry out to God, "How long, Lord?" Author Judy Douglass knows these lovers of prodigals well. She is one herself and has created a large and growing community with others. *When You Love a Prodigal* is a collection of 90 essays--90 days of perspective on what God offers to you as you love your prodigal. At the end of each brief essay, response questions will help you process how God intends to use the wilderness journey to mold your spiritual life. You can work through it day by day, or you can read it straight through. Judy has traveled this road with her own prodigal--reading, learning, praying, and seeking God. Over and over he continued to give her

wisdom, he sustained her, he covered her with grace, and he filled her with hope. May you, too, be strengthened and filled with hope as together you discover how God will take you through your own valley.

Come Back, Barbara: A Father's Pursuit of a Prodigal Daughter

P & R Publishing "A daughter's rejection of her father's faith taught him how to love her on God's terms. Their honest story of grief and reconciliation will bless all those who love prodigals"--

Insights on Philippians, Colossians, Philemon

NavPress *Philippians* is saturated with joy. While under house arrest in Rome, Paul wrote to encourage the Philippians to rejoice in the Lord, despite their circumstances—to find Christ-centered, Spirit-empowered joy in living, serving, sharing, and resting. *Colossians* is addressed to a church suffering from cultural capitulation and spiritual surrender—just like the church of the twenty-first century. Those who deceive others with self-centered philosophies, self-promoting legalism, and self-serving asceticism attract power and attention, while diminishing the gospel of Jesus Christ. *Colossians* serves as a lighthouse piercing the fog of false teaching and leading us to the safe harbor of Christ. *Philemon* illustrates the importance of second chances, the equality of believers in Christ, and the power of the gospel to transcend cultural and social boundaries, it reminds us of the Christ-centered concepts of freedom, forgiveness, mercy, and especially grace. The 15 volume *Swindoll's Living Insights New Testament Commentary* series draws on Gold Medallion Award-winner Chuck Swindoll's 50 years of experience with studying and preaching God's Word. His deep insight, easygoing style, and humor bring a warmth and accessibility not often found in commentaries. Each volume combines verse-by-verse commentary, charts, maps, photos, key terms, and background articles with practical application. This series is a must-have for pastors, teachers, and anyone else who is seeking a deeply practical resource for exploring God's Word.

Mom, Everyone Else Does!

Becoming Your Daughter's Ally in Responding to Peer Pressure to

Drink, Smoke, and Use Drugs

Shaw Books A licensed professional counselor--and mother of two teenagers herself--offers this third book in her Hand-in-Hand series, targeting mothers who want to protect their daughters from the dangers of drug and alcohol use. This guide helps mothers to connect with and influence their daughters.

Mothers Have Angel Wings

A Tribute to the Tears and Triumphs of Being a Mom

Navpress Publishing Group This special collection of stories about motherhood will inspire, encourage, and challenge you.

Worldly Saints

The Puritans As They Really Were

Zondervan "Ryken's *Worldly Saints* offers a fine introduction to seventeenth-century Puritanism in its English and American contexts. The work is rich in quotations from Puritan worthies and is ideally suited to general readers who have not delved widely into Puritan literature. It will also be a source of information and inspiration to those who seek a clearer understanding of the Puritan roots of American Christianity." - Harry Stout, Yale University "...the typical Puritans were not wild men, fierce and freaky, religious fanatics and social extremists, but sober, conscientious, and cultured citizens, persons of principle, determined and disciplined excelling in the domestic virtues, and with no obvious shortcomings save a tendency to run to words when saying anything important, whether to God or to a man. At last the record has been put straight." -J.I. Packer, Regent College "Worldly Saints provides a revealing treasury of primary and secondary evidence for understanding the Puritans, who they were, what they believed, and how they acted. This is a book of value and interest for scholars and students, clergy and laity alike." -Roland Mushat Frye, University of Pennsylvania "A very persuasive...most interesting book...stuffed with quotations from Puritan sources, almost to the point of making it a mini-anthology." - Publishers Weekly "With *Worldly Saints*, Christians of all persuasions have a tool that provides ready access to the vast treasures of Puritan thought." -Christianity Today "Ryken writes with a vigor and enthusiasm that makes delightful reading-never a dull moment." -Fides et Historia "Worldly Saints provides a valuable picture of Puritan life and values. It should be useful for general readers as well as for students of history and literature." -Christianity and Literature

The Culture of Education

Harvard University Press *The One Best System* presents a major new interpretation of what actually happened in the development of one of America's most influential institutions. At the same time it is a narrative in which the participants themselves speak out: farm children and factory workers, frontier teachers and city superintendents, black parents and elite reformers. And it encompasses both the achievements and the failures of the system: the successful assimilation of immigrants, racism and class bias; the opportunities offered to some, the injustices perpetuated for others. David Tyack has placed his colorful, wide-ranging view of history within a broad new framework drawn from the most recent work in history, sociology, and political science. He looks at the politics and inertia, the ideologies and power struggles that formed the basis of our present educational system. Using a variety of social perspectives and methods of analysis, Tyack illuminates for all readers the change from village to urban ways of thinking and acting over the course of more than one hundred years.

International Law and the Cold War

Cambridge University Press *This is the first book to examine in detail the relationship between the Cold War and International Law.*

Selling Spirituality

The Silent Takeover of Religion

Psychology Press *From Feng Shui to holistic medicine, from aromatherapy candles to yoga weekends, spirituality is big business. It promises to soothe away the angst of modern living and to offer an antidote to shallow materialism. Selling Spirituality is a short, sharp, attack on this fallacy. It shows how spirituality has in fact become a powerful commodity in the global marketplace - a cultural addiction that reflects orthodox politics, curbs self-expression and colonizes Eastern beliefs. Exposing how spirituality has today come to embody the privatization of religion in the modern West, Jeremy Carrette and Richard King reveal the people and brands who profit from this corporate hijack, and explore how spirituality can be reclaimed as a means of resistance to capitalism and its deceptions.*

When I Lay My Isaac Down Study Guide

Tyndale House *Carol Kent's son is in prison for murder. In her book When I Lay My Isaac Down (ISBN 9781612914428), she shares eight transformational power principles she and her husband, Gene, learned about forgiveness and faith through*

their emotional and spiritual agony. In this workbook, you will see how their personal story can bolster your faith, renew your hope, and challenge you to new levels of spiritual renewal. Also available is a 2-DVD set appropriate for small group study.

The Ampleforth Journal

A Year with Swollen Appendices

Brian Eno's Diary

Faber & Faber The diary and essays of Brian Eno republished twenty-five years on with a new introduction by the artist in a beautiful hardback edition. 'A cranium tour of one of the most creative minds of our age . . . [Eno] delivers razor-sharp commentary with devilish snarkiness and brutal honesty.' Wired At the end of 1994, Brian Eno resolved to keep a diary. His plans to go to the cinema, theatre and galleries fell quickly to the wayside. What he did do - and write - however, was astonishing: ruminations on his collaborative work with David Bowie, U2, James and Jah Wobble, interspersed with correspondence and essays dating back to 1978. These 'appendices' covered topics from the generative and ambient music Eno pioneered to what he believed the role of an artist and their art to be, alongside adroit commentary on quotidian tribulations and happenings around the world. An intimate insight into one of the most influential creative artists of our time, A Year with Swollen Appendices is an essential classic.

He Holds My Hand

Experiencing God's Presence and Protection

NavPress 2018 Christian Book Award finalist (Devotion and Gift category) He Holds My Hand is a page-per-day 365-day devotional. Based on Scripture, this devotional is written as if God the Father is speaking His words of comfort and protection directly over you. When Carol Kent's son was sentenced to life in prison without parole, Carol was consumed with grief, sadness, and despair. She was distraught wondering why God permitted this to happen. She had prayed for her son since he was a small child. He had been raised with biblical principles and daily prayer. As Carol tried to make sense of everything, she couldn't help asking, Where's God when it hurts so much? In the middle of her sorrow, Carol turned to the place where she had always gone for comfort—the Bible. She was desperate to hear God's voice. She soon discovered that the best way for her to "listen" to His voice was to meditate on Scripture and then write out what she believed He was saying. She wrote it as if it was His prayer over her life, and it comforted her. It was as if He took her by the hand, as a father would

guide a child, and He gently led her in the direction of unconditional love, renewed hope, and fresh faith. Know without a doubt that God is with you and stands ready to protect and guide you. He holds your hand, and He won't let go. Listen to God's voice and put your hand in His. He is your Comforter, your Healer, your Teacher, and your Joy. Remember He holds your hand, and He won't let go.

Punk Rock is My Religion

Straight Edge Punk and 'Religious' Identity

Taylor & Francis As religion has retreated from its position and role of being the glue that holds society together, something must take its place. Utilising a focused and detailed study of Straight Edge punk (a subset of punk in which adherents abstain from drugs, alcohol and casual sex) Punk Rock is My Religion argues that traditional modes of religious behaviours and affiliations are being rejected in favour of key ideals located within a variety of spaces and experiences, including popular culture. Engaging with questions of identity construction through concepts such as authenticity, community, symbolism and music, this book furthers the debate on what we mean by the concepts of 'religion' and 'secular'. Provocatively exploring the notion of salvation, redemption, forgiveness and faith through a Straight Edge lens, it suggests that while the study of religion as an abstraction is doomed to a simplistic repetition of dominant paradigms, being willing to examine religion as a lived experience reveals the utility of a broader and more nuanced approach.

Safe in the Arms of God

Truth from Heaven About the Death of a Child

Thomas Nelson "Is my baby in heaven?" This is the most important question a grieving parent can ask. And even if the little one is someone else's child, the issue remains: What happens to children? those unborn, stillborn, or youngsters? when they die? Can you hope to see them again? Can you let go of your fear and guilt? Can God's love soothe a wound so jagged? With scriptural authority and the warmth of a pastor's heart, bestselling author John MacArthur examines the breadth of the entire Bible and reveals in this compelling book the Heavenly Father's care for every life. "I have sat by the grave of our daughter and son and wondered out loud if my belief that Hope and Gabriel are in heaven has any solid scriptural support. John MacArthur offers truth from God's Word that puts the doubts of any grieving parent to rest. Safe in the Arms of God reveals that confidence of heaven for the child you love is based on much more than mere sentimentality; it is revealed in the Word of God and

reflective of the very heart of God." ?Nancy Guthrie, author of *Holding On to Hope*

Unshakable Faith

Booker T. Washington & George Washington Carver : a Biography

Multnomah Booker T. Washington and George Washington Carver, children of slaves, overcame seemingly insurmountable barriers to find renown in the fields of education and science. Both men retained strong personalities that occasionally came into conflict. Like iron sharpening iron, their differences served to refine and define their collaborative work. An abiding faith in Christ and sense of divine appointment guided them through a world of dark prejudice with humility and self-confidence. They quietly proved their oppressors wrong and along the way made remarkable discoveries and contributions that have inestimably benefited mankind to this day.

Bitcoin and Cryptocurrency Technologies

A Comprehensive Introduction

Princeton University Press *Bitcoin and Cryptocurrency Technologies* provides a comprehensive introduction to the revolutionary yet often misunderstood new technologies of digital currency. Whether you are a student, software developer, tech entrepreneur, or researcher in computer science, this authoritative and self-contained book tells you everything you need to know about the new global money for the Internet age. How do Bitcoin and its block chain actually work? How secure are your bitcoins? How anonymous are their users? Can cryptocurrencies be regulated? These are some of the many questions this book answers. It begins by tracing the history and development of Bitcoin and cryptocurrencies, and then gives the conceptual and practical foundations you need to engineer secure software that interacts with the Bitcoin network as well as to integrate ideas from Bitcoin into your own projects. Topics include decentralization, mining, the politics of Bitcoin, altcoins and the cryptocurrency ecosystem, the future of Bitcoin, and more. An essential introduction to the new technologies of digital currency Covers the history and mechanics of Bitcoin and the block chain, security, decentralization, anonymity, politics and regulation, altcoins, and much more Features an accompanying website that includes instructional videos for each chapter, homework problems, programming assignments, and lecture slides Also suitable for use with the authors' Coursera online course Electronic solutions manual (available only to professors)

Researching New Religious Movements

Responses and Redefinitions

Psychology Press This cutting-edge analysis of American and European new religious movements explores the controversies between religious groups and the majority interests which oppose them. It asks how modern societies can best respond to new religious movements,

The Pandemic Century

One Hundred Years of Panic, Hysteria and Hubris

Oxford University Press Like sharks, epidemic diseases always lurk just beneath the surface. This fast-paced history of their effect on mankind prompts questions about the limits of scientific knowledge, the dangers of medical hubris, and how we should prepare as epidemics become ever more frequent. Ever since the 1918 Spanish influenza pandemic, scientists have dreamed of preventing catastrophic outbreaks of infectious disease. Yet, despite a century of medical progress, viral and bacterial disasters continue to take us by surprise, inciting panic and dominating news cycles. From the Spanish flu and the 1924 outbreak of pneumonic plague in Los Angeles to the 1930 'parrot fever' pandemic and the more recent SARS, Ebola, and Zika epidemics, the last 100 years have been marked by a succession of unanticipated pandemic alarms. Like man-eating sharks, predatory pathogens are always present in nature, waiting to strike; when one is seemingly vanquished, others appear in its place. These pandemics remind us of the limits of scientific knowledge, as well as the role that human behaviour and technologies play in the emergence and spread of microbial diseases.

Investigation Into the Clapham Junction Railway Accident

Calm My Anxious Heart

A Woman's Guide to Finding Contentment

*NavPress Over 500,000 copies sold Fear and anxiety tend to creep into all areas of women's lives. Religion and Men's Violence Against Women

Springer *This reference offers the nuanced understanding and practical guidance needed to address domestic violence, sexual assault, and human trafficking in diverse religious communities. Introductory chapters sort through the complexities, from abusers' distorting of sacred texts to justifying their actions to survivors' conflicting feelings toward their faith. The core of the book surveys findings on gender violence across Christian, Jewish, Islamic, Eastern, and Indigenous traditions--both attitudes that promote abuse and spiritual resources that can be used to promote healing. Best practices are included for appropriate treatment of survivors, their children, and abusers; and for partnering with communities and clergy toward stemming violence against women. Among the topics featured: Ecclesiastical policies vs. lived social relationships: gender parity, attitudes, and ethics. Women's spiritual struggles and resources to cope with intimate partner aggression. Christian stereotypes and violence against North America's native women. Addressing intimate partner violence in rural church communities. Collaboration between community service agencies and faith-based institutions. Providing hope in faith communities: creating a domestic violence policy for families. Religion and Men's Violence against Women will gain a wide audience among psychologists, social workers, marriage and family therapists, and other mental health professionals who treat religious clients or specialize in treating survivors and perpetrators of domestic and intimate partner violence, stalking, sexual assault, rape, or human trafficking.*

Speak Up with Confidence
