**MARK TWAIN'S LETTERS - VOLUME 3 (1876-1885)**

---

**Createspace Independent Publishing Platform** *Mark Twain's Letters - Volume 3 (1876-1885)* by Albert Bigelow Paine *The Monday Evening Club of Hartford was an association of most of the literary talent of that city, and it included a number of very distinguished members. The writers, the editors, the lawyers, and the ministers of the gospel who composed it were more often than not men of national or international distinction. There was but one paper at each meeting, and it was likely to be a paper that would later find its way into some magazine. Naturally Mark Twain was one of its favorite members, and his contributions never failed to arouse interest and discussion. A "Mark Twain night" brought out every member. In the next letter we find the first mention of one of his most memorable contributions - a story of one of life's moral aspects. The tale, now included in his collected works, is, for some reason, little read to-day; yet the curious allegory, so vivid in its seeming reality, is well worth consideration. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.*

*Why buy our paperbacks? Expedited shipping High Quality Paper Made in USA Standard Font size of 10 for all books 30 Days Money Back Guarantee BEWARE of Low-quality sellers Don't buy cheap paperbacks just to save a few dollars. Most of them use low-quality papers & binding. Their pages fall off easily. Some of them even use very small font size of 6 or less to increase their profit margin. It makes their books completely unreadable. How is this book unique? Unabridged (100% Original content) Font adjustments & biography included Illustrated Mark Twain's Letters by Mark Twain Mark Twain's Letters give us the background to his works and show Twain to us as a complex personality with very pronounced weaknesses and strengths : his deep and constant love for his wife Livy, his great capacity for true and loyal friendship, his impetuosity, his restlessness, his extravagance, his occasional childishness, his impatience, moodiness, vanity, generosity, tolerance, honesty, enthusiasm. Nowhere is the human being more truly revealed than in his letters. Not in literary letters-prepared with care, and the thought of possible publication-but in those letters wrought out of the press of circumstances, and with no idea of print in mind. A collection of such documents, written by one whose life has become of interest to mankind at large, has a value quite aside from literature, in that it reflects in some degree at least the soul of the writer. The letters of Mark Twain are peculiarly of the revealing sort. He was a man of few restraints and of no affectations. In his correspondence, as in his talk, he spoke what was in his mind, untrammelled by literary conventions. On his first trip to England to gather material for a book and cement relations with his newly authorized English publishers, Samuel Clemens was astounded to find himself hailed everywhere as a literary lion. America's premier humorist had begun his long tenure as an international celebrity. Meanwhile, he was coming into his full power at home. The Innocents Abroad continued to produce impressive royalties and his new book, Roughing It, was enjoying great popularity. In newspaper columns he appeared regularly as public advocate and conscience, speaking on issues as disparate as safety at sea and political corruption. Clemens's personal life at this time was for the most part fulfilling, although saddened by the loss of his nineteen-month-old son, Langdon, who died of diphtheria. Life in the Nook Farm community of writers and progressive thinkers and activists was proving to be all the Clemenses had hoped for. The letters in this volume, more than half of them never before published, capture the events of these years with detailed intimacy.*

### 1870-1871

---

**Univ of California Press** "You ought to see Livy & me, now-a-days—you never saw such a serenely satisfied couple of doves in all your life. I spent Jan 1, 2, 3 & 5 there, & left at 8 last night. With my vile temper & variable moods, it seems an incomprehensible miracle that we two have been right together in the same house half the time for a year & a half, & yet have never had a cross word, or a lover's 'tiff,' or a pouting spell, or a misunderstanding, or the faintest shadow of a jealous suspicion. Now isn't that absolutely wonderful? Could I have had such an experience with any other girl on earth? I am perfectly certain I could not. . . . We are to be married on Feb. 2d." So begins Volume 4 of the letters, with Samuel Clemens anticipating his wedding to Olivia L. Langdon. The 338 letters in this volume document the first two years of a loving marriage that would last more than thirty years. They recount, in Clemens's own inimitable voice, a tumultuous time: a growing international fame, the birth of a sickly first child, and the near-fatal illness of his wife. At the beginning of 1870, fresh from the success of *The Innocents Abroad*, Clemens is on "the long agony" of a lecture tour and planning to settle in Buffalo as editor of the *Express*. By the end of 1871, he has moved to Hartford and is again on tour, anticipating the publication of *Roughing It* and the birth of his second child. The intervening letters show Clemens bursting with literary ideas, business schemes, and inventions, and they show him erupting with frustration, anger, and grief, but more often with dazzling humor and surprising self-revelation. In addition to *Roughing It*, Clemens wrote some enduringly popular short pieces during this period, but he saved some of his best writing for private letters, many of which are published here for the first time.

### 1869

---

**Univ of California Press** "Don't scold me, Livy—let me pay my due homage to your worth; let me honor you above all women; let me love you with a love that knows no doubt, no question—for you are my world, my life, my pride, my all of earth that is worth the having." These are the words of Samuel Clemens in love. Playful and reverential, jubilant and despondent, they are filled with tributes to his fiancée Olivia Langdon and with promises faithfully kept during a thirty-four-year marriage. The 188 superbly edited letters gathered here show Samuel Clemens having few idle moments in 1869. When he was not relentlessly "banged about from town to town" on the lecture circuit or busily revising *The Innocents Abroad*, the book that would

make his reputation, he was writing impassioned letters to Olivia. These letters, the longest he ever wrote, make up the bulk of his correspondence for the year and are filled with his acute wit and dazzling language. This latest volume of Mark Twain's Letters captures Clemens on the verge of becoming the celebrity and family man he craved to be. This volume has been supported by the National Endowment for the Humanities and by a major donation to the Friends of The Bancroft Library from the Pareto Fund.

## **LETTERS FROM THE EARTH**

---

**Youcanprint** *The Creator sat upon the throne, thinking. Behind him stretched the illimitable continent of heaven, steeped in a glory of light and color; before him rose the black night of Space, like a wall. His mighty bulk towered rugged and mountain-like into the zenith, and His divine head blazed there like a distant sun. At His feet stood three colossal figures, diminished to extinction, almost, by contrast -- archangels -- their heads level with His ankle-bone. When the Creator had finished thinking, He said, "I have thought. Behold!" He lifted His hand, and from it burst a fountain-spray of fire, a million stupendous suns, which clove the blackness and soared, away and away and away, diminishing in magnitude and intensity as they pierced the far frontiers of Space, until at last they were but as diamond nailheads sparkling under the domed vast roof of the universe. At the end of an hour the Grand Council was dismissed. They left the Presence impressed and thoughtful, and retired to a private place, where they might talk with freedom. None of the three seemed to want to begin, though all wanted somebody to do it.*

---

## **MARK TWAIN'S LETTERS**

---

**Jazzybee Verlag** *Like his other writings, Mark Twain's letters attest that he was not the greatest of all humorists, but that he did have an amazing gift of depicting the average American, and what is more, that he could do it sympathetically and from the inside of the house, not ironically through the window as Thackeray depicted the absurdities of his contemporaries. The letters show, also, what a storybook life he*

led. Born obscurely in a western town without advantages, half-educated as a typesetter for a country newspaper, a runaway, a soldier "riding a small yellow mule" to the aid of the Confederacy, a runaway again, a mining prospector familiar with mountain gambling-saloons, a news reporter, he at last acquired some fame with his "Jumping Frog." His reputation travelled east and he became a lecturer and special correspondent. Then, of a sudden, he made himself conspicuous to the entire country with his "Innocents Abroad." He became a mighty traveller. He was feasted by kings, decorated by universities, and honored everywhere. From Hartford all around the earth and back, he was a leading citizen of the world. The ingenious authors of the most shocking fiction could not invent plots swifter or more romantic. This editions contains the letters from the year 1853 all through 1910.

---

## **AUTOBIOGRAPHY OF MARK TWAIN, VOLUME 3**

---

### **THE COMPLETE AND AUTHORITATIVE EDITION**

---

**Univ of California Press** *The surprising final chapter of a great American life. When the first volume of Mark Twain's uncensored Autobiography was published in 2010, it was hailed as an essential addition to the shelf of his works and a crucial document for our understanding of the great humorist's life and times. This third and final volume crowns and completes his life's work. Like its companion volumes, it chronicles Twain's inner and outer life through a series of daily dictations that go wherever his fancy leads. Created from March 1907 to December 1909, these dictations present Mark Twain at the end of his life: receiving an honorary degree from Oxford University; railing against Theodore Roosevelt; Autobiography's "Closing Words" movingly commemorate his daughter Jean, who died on Christmas Eve 1909. Also included in this volume is the previously unpublished "Ashcroft-Lyon Manuscript," Mark Twain's caustic indictment of his "putrescent pair" of secretaries and the havoc that erupted in his house during their residency. Fitfully published in fragments at intervals throughout the twentieth century, Autobiography of Mark Twain has now been critically reconstructed and made available as it was intended to be read. Fully annotated by the editors of the Mark Twain Project, the complete Autobiography emerges as a landmark publication in American literature. Editors: Benjamin Griffin and Harriet Elinor Smith Associate Editors: Victor Fischer, Michael B. Frank, Amanda Gagel, Sharon K. Goetz, Leslie Diane Myrick, Christopher M. Ohge*

## LETTERS OF MARK TWAIN, VOLUME 3, 1876-1885, MARK TWAIN (SAMUEL CLEMENS).

---

### MARK TWAIN'S LETTERS: 1872-1873

---

**Univ of California Press** "Livy darling, it was flattering, at the Lord Mayor's dinner, tonight, to have the nation's honored favorite, the Lord High Chancellor of England, in his vast wig & gown, with a splendid, sword-bearing lackey, following him & holding up his train, walk me arm-in-arm through the brilliant assemblage, & welcome me with all the enthusiasm of a girl, & tell me that when affairs of state oppress him & he can't sleep, he always has my books at hand & forgets his perplexities in reading them!" (10 November 1872) On his first trip to England to gather material for a book and cement relations with his newly authorized English publishers, Samuel Clemens was astounded to find himself hailed everywhere as a literary lion. America's premier humorist had begun his long tenure as an international celebrity. Meanwhile, he was coming into his full power at home. The *Innocents Abroad* continued to produce impressive royalties and his new book, *Roughing It*, was enjoying great popularity. In newspaper columns he appeared regularly as public advocate and conscience, speaking on issues as disparate as safety at sea and political corruption. Clemens's personal life at this time was for the most part fulfilling, although saddened by the loss of his nineteen-month-old son, Langdon, who died of diphtheria. Life in the Nook Farm community of writers and

*progressive thinkers and activists was proving to be all the Clemenses had hoped for. The 309 letters in this volume, more than half of them never before published, capture the events of these years with detailed intimacy. Thoroughly annotated and indexed, they are supplemented by genealogical charts of the Clemens and Langdon families, a transcription of the journals Clemens kept during his 1872 visit to England, book contracts, his preface to the English edition of The Gilded Age, contemporary photographs of family and friends, and a gathering of all newly discovered letters written between 1865 and 1871. This volume is the fifth in the only complete edition of Mark Twain's letters ever attempted, and the twenty-fourth in the comprehensive edition known as The Mark Twain Papers and Works of Mark Twain.*

---

## MARK TWAIN'S LETTERS, VOLUME 6

---

### 1874-1875

---

**Univ of California Press** *Mark Twain's letters for 1874 and 1875 encompass one of his most productive and rewarding periods as author, husband and father, and man of property. He completed the writing of *The Adventures of Tom Sawyer*, published the major collection *Sketches, New and Old*, became a leading contributor to the *Atlantic Monthly*, and turned *The Gilded Age*, the novel he had previously coauthored with Charles Dudley Warner, into one of the most popular comedies of the nineteenth-century American stage. His personal life also was gratifying, unmarred by the family tragedies that had darkened the earlier years of the decade. He and his wife welcomed a second healthy daughter and moved into the showplace home in Hartford, Connecticut, that they occupied happily for the next sixteen years. All of these accomplishments and events are vividly captured, in Mark Twain's inimitable language and with his unmatched humor, in letters to family and friends, among them some of the leading writers of the day. The comprehensive editorial annotation supplies the historical and social context that helps make these letters as fresh and immediate to a modern audience as they were to their original readers. This volume is the sixth in the only complete edition of Mark Twain's letters ever attempted. The 348 letters it contains, many of them never before published, have been meticulously transcribed, either from the original manuscripts (when extant) or from the most reliable sources now available. They have been thoroughly annotated and indexed and are supplemented by genealogical charts, contemporary notices of Mark Twain and his works, and photographs of him, his family, and his friends.*

## 455 MARK TWAIN'S LETTERS — VOLUME 3(1876-1885)}

---

**TTN Theme Travel News Korea** *Mark Twain's Letters* is a collection of the written letters by the famous American author and satirist Mark Twain, the pen name for Samuel Langhorne Clemens. The letters are a detailed insight to the mind and personal life of Twain in such a way not revealed in any other sense. They are a definitive collection of nearly all of Twains letters.

Mark Twain's Speeches by Mark Twain) Chapters from My Autobiography & Mark Twain's Burlesque Autobiography), Quotes and Images From The Works of Mark Twain), Mark Twain's Letters) TTN Korea English Classics) B Nowhere is the human being more truly revealed than in his letters. Not in literary letters—prepared with care, and the thought of possible publication—but in those letters wrought out of the press of circumstances, and with no idea of print in mind. A collection of such documents, written by one whose life has become of interest to mankind at large, has a value quite aside from literature, in that it reflects in some degree at least the soul of the writer. The letters of Mark Twain are peculiarly of the revealing sort. He was a man of few restraints and of no affectations. In his correspondence, as in his talk, he spoke what was in his mind, untrammelled by literary conventions. Necessarily such a collection does not constitute a detailed life story, but is supplementary to it. An extended biography of Mark Twain has already been published. His letters are here gathered for those who wish to pursue the subject somewhat more exhaustively from the strictly personal side. Selections from this correspondence were used in the biography mentioned. Most of these are here reprinted in the belief that an owner of the "Letters" will wish the collection to be reasonably complete. FOREWORD. SAMUEL LANGHORNE CLEMENS, for nearly half a century known and celebrated as "Mark Twain," was born in Florida, Missouri, on November 30, 1835. He was one of the foremost American philosophers of his day; he was the world's most famous humorist of any day. During the later years of his life he ranked not only as America's chief man of letters, but likewise as her best known and best loved citizen. The beginnings of that life were sufficiently unpromising. The family was a good one, of old Virginia and Kentucky stock, but its circumstances were reduced, its environment meager and disheartening. The father, John Marshall Clemens—a lawyer by profession, a merchant by vocation—had brought his household to Florida from Jamestown, Tennessee, somewhat after the manner of judge Hawkins as pictured in The Gilded Age. Florida was a small town then, a mere village of twenty-one houses located on Salt River, but judge Clemens, as he was usually called, optimistic and speculative in his temperament, believed in its future. Salt River would be made navigable; Florida would become a metropolis. He established a small business there, and located his family in the humble frame cottage where, five months later, was born a baby boy to whom they gave the name

of Samuel—a family name—and added Langhorne, after an old Virginia friend of his father. ## MARK TWAIN'S BOOK OF ANIMALS

---

Univ of California Press "For those unaware—as I was until I read this book—that

*Mark Twain was one of America's early animal advocates, Shelley Fisher Fishkin's collection of his writings on animals will come as a revelation. Many of these pieces are as fresh and lively as when they were first written, and it's wonderful to have them gathered in one place." —Peter Singer, author of Animal Liberation and The Life You Can Save "A truly exhilarating work. Mark Twain's animal-friendly views would not be out of place today, and indeed, in certain respects, Twain is still ahead of us: claiming, correctly, that there are certain degraded practices that only humans inflict on one another and upon other animals. Fishkin has done a splendid job: I cannot remember reading something so consistently excellent."—Jeffrey Moussaieff Masson, author of When Elephants Weep and The Face on Your Plate "Shelley Fisher Fishkin has given us the lifelong arc of the great man's antic, hilarious, and subtly profound explorations of the animal world, and she's guided us through it with her own trademark wit and acumen. Dogged if she hasn't." —Ron Powers, author of Dangerous Water: A Biography of the Boy Who Became Mark Twain and Mark Twain: A Life*

---

## **MARK TWAIN AND THE SPIRITUAL CRISIS OF HIS AGE**

---

**University of Alabama Press** *Mark Twain is often pictured as a severe critic of religious piety, shaking his fist at God and mocking the devout. This book highlights Twain's attractions to and engagements with the variety of religious phenomena of America in his lifetime. It offers a more complicated understanding of Twain and his literary output.*

---

## **MARK TWAIN'S OWN AUTOBIOGRAPHY**

---

---

### **THE CHAPTERS FROM THE NORTH AMERICAN REVIEW**

---

**Univ of Wisconsin Press** *Mark Twain's Own Autobiography stands as the last of Twain's great yarns. Here he tells his story in his own way, freely expressing his joys and sorrows, his affections and hatreds, his rages and reverence—ending, as always, tongue-in-cheek: "Now, then, that is the tale. Some of it is true." More than the story of a literary career, this memoir is anchored in the writer's relation to his family—what they meant to him as a husband, father, and artist. It also brims with many of Twain's best comic anecdotes about his rambunctious boyhood in Hannibal, his misadventures in the Nevada territory, his notorious Whittier birthday speech, his travels abroad, and more. Twain published twenty-five "Chapters from My Autobiography" in the North American Review in 1906 and 1907. "I intend that this autobiography . . . shall be read and admired a good many centuries because of its form and method—form and method whereby the past and the present are constantly brought face to face, resulting in contrasts which newly fire up the interest all along, like contact of flint with steel." For this second edition, Michael Kiskis's introduction references a wealth of critical work done on Twain since 1990. He also adds a discussion of literary domesticity, locating the autobiography within the history of Twain's literary work and within Twain's own understanding and experience of domestic concerns.*

---

## CRITICAL COMPANION TO MARK TWAIN

---

### A LITERARY REFERENCE TO HIS LIFE AND WORK

---

**Infobase Publishing** Presents a two-volume examination of the life and writings of Mark Twain including detailed synopses of his works, explanations of literary terms, biographies of friends and family, and social and historical influences.

---

### A HISTORICAL GUIDE TO MARK TWAIN

---

**Historical Guides to American Authors** *The Historical Guides to American Authors* is an interdisciplinary, historically sensitive series that combines close attention to the United States' most widely read and studied authors with a strong sense of time, place, and history. Placing each writer in the context of the vibrant relationship between literature and contemporary social, political, and cultural relevance, they also include a capsule biography and illustrated chronology detailing important cultural events as they coincided with the author's life and works, while photographs and illustrations dating from the period capture the flavor of the author's time and social milieu. Equally accessible to students of literature and of life, the volumes offer a complete and rounded picture of each author in his or her America. -- back cover.

---

## 457 MARK TWAIN'S LETTERS — VOLUME 5(1901-1906)}

---

**TTN Theme Travel News Korea** *The Adventures of Huckleberry Finn by Mark Twain*(1884) *The Adventures of Tom Sawyer by Mark Twain*(1876) *Short stories* *Nonfictions* *Travelogue*, *Mark Twain's Speeches*, *Editorial Wild Oats* *Mark Twain's Speeches by Mark Twain* *Chapters from My Autobiography & Mark Twain's Burlesque Autobiography*, *Quotes and Images From The Works of Mark Twain*, *Mark Twain's Letters*. *TTN Korea* *English Classics* *Nowhere is the human being more truly revealed than in his letters. Not in literary letters—prepared with care, and the thought of possible publication—but in those letters wrought out of the press of circumstances, and with no idea of print in mind. A collection of such documents, written by one whose life has become of interest to mankind at large, has a value quite aside from literature, in that it reflects in some degree at least the soul of the writer.* *The letters of Mark Twain are peculiarly of*

the revealing sort. He was a man of few restraints and of no affectations. In his correspondence, as in his talk, he spoke what was in his mind, untrammelled by literary conventions. This volume does not constitute a detailed life story, but is supplementary to it. An extended biography of Mark Twain has already been published. His letters are here gathered for those who wish to pursue the subject somewhat more exhaustively from the strictly personal side. Selections from this correspondence were used in the biography mentioned. Most of these are here reprinted in the belief that an owner of the "Letters" will wish the collection to be reasonably complete. FOREWORD.

SAMUEL LANGHORNE CLEMENS, for nearly half a century known and celebrated as "Mark Twain," was born in Florida, Missouri, on November 30, 1835. He was one of the foremost American philosophers of his day; he was the world's most famous humorist of any day. During the later years of his life he ranked not only as America's chief man of letters, but likewise as her best known and best loved citizen. His family was a good one, of old Virginia and Kentucky stock, but its circumstances were reduced, its environment meager and disheartening. The father, John Marshall Clemens—a lawyer by profession, a merchant by vocation—had brought his household to Florida from Jamestown, Tennessee, somewhat after the manner of judge Hawkins as pictured in *The Gilded Age*. Florida was a small town then, a mere village of twenty-one houses located on Salt River, but judge Clemens, as he was usually called, optimistic and speculative in his temperament, believed in its future. Salt River would be made navigable; Florida would become a metropolis. He established a small business there, and located his family in the humble frame cottage where, five months later, was born a baby boy to whom they gave the name of Samuel—a family name—and added Langhorne, after an old Virginia friend of his father. MARK TWAIN—A BIOGRAPHICAL SUMMARY.

B Nowhere is the human being more truly revealed than in his letters. Not in literary letters—prepared with care, and the thought of possible publication—but in those letters wrought out of the press of circumstances, and with no idea of print in mind. A collection of such documents, written by one whose life has become of interest to mankind at large, has a value quite aside from literature, in that it reflects in some degree at least the soul of the writer. 0000 00 000000 0 000000 0000 00 000000. 00000000 000000 00 000000 0000 0 0000 00 0000, 0000 00 00 00 0000 0000 00 0000 00000000. 00 0000 000000 0 0000 0 0000 00 000000 0000 0000

The letters of Mark Twain are peculiarly of the revealing sort. He was a man of few restraints and of no affectations. In his correspondence, as in his talk, he spoke what was in his mind, untrammelled by literary conventions. Necessarily such a collection does not constitute a detailed life story, but is supplementary to it. An extended biography of Mark Twain has already been published. His letters are here gathered for those who wish to pursue the subject somewhat more exhaustively from the strictly personal side. Selections from this correspondence were used in the biography mentioned. Most of these are here reprinted in the belief that an owner of the "Letters" will wish the collection to be reasonably complete.

**FOREWORD.** SAMUEL LANGHORNE CLEMENS, for nearly half a century known and celebrated as "Mark Twain," was born in Florida, Missouri, on November 30, 1835. He was one of the foremost American philosophers of his day; he was the world's most famous humorist of any day. During the later years of his life he ranked not only as America's chief man of letters, but likewise as her best known and best loved citizen.

The beginnings of that life were sufficiently unpromising. The family was a good one, of old Virginia and Kentucky stock, but its circumstances were reduced, its environment meager and disheartening. The father, John Marshall Clemens—a lawyer by profession, a merchant by vocation—had brought his household to Florida from Jamestown, Tennessee, somewhat after the manner of judge Hawkins as pictured in *The Gilded Age*.

Florida was a small town then, a mere village of twenty-one houses located on Salt River, but judge Clemens, as he was usually called, optimistic and speculative in his temperament, believed in its future. Salt River would be made navigable; Florida would become a metropolis. He established a small business there, and located his family in the humble frame cottage where, five months later, was born a baby boy to whom they gave the name of Samuel—a family name—and added Langhorne, after an old Virginia friend of his father.

## THE REVEREND MARK TWAIN

---

### THEOLOGICAL BURLESQUE, FORM, AND CONTENT

---

**Ohio State University Press** "I was made in His image," Mark Twain once said,  
 "but have never been mistaken for Him." God may have made Mark Twain in His  
 image, but Twain frequently remade himself by adopting divine personae as part of  
 his literary burlesque. Readers were delighted, rather than fooled, when Twain  
 adopted the image of religious vocation throughout his writing career: Theologian,  
 Missionary, Priest, Preacher, Prophet, Saint, Brother Twain, Holy Samuel, the Bishop

of New Jersey, and of course, the Reverend Mark Twain. Joe B. Fulton has not written a study of Samuel Langhorne Clemens's religious beliefs, but rather one about Twain's use of theological form and content in a number of his works—some well-known, others not so widely read.

## AUTOBIOGRAPHY OF MARK TWAIN

---

**Univ of California Press** *The year 2010 marked the 100th anniversary of Mark Twain's death. In celebration of this important milestone and in honor of the cherished tradition of publishing Mark Twain's works, UC Press published *Autobiography of Mark Twain, Volume 1*, the first of a projected three-volume edition of the complete, uncensored autobiography. The book became an immediate bestseller and was hailed as the capstone of the life's work of America's favorite author. This Reader's Edition, a portable paperback in larger type, republishes the text of the hardcover *Autobiography* in a form that is convenient for the ge.*

## MARK TWAIN, A LITERARY LIFE

---

**University of Pennsylvania Press** *Selected by Choice magazine as an Outstanding Academic Title for 2000 "Mark Twain endures. Readers sense his humanity, enjoy his humor, and appreciate his insights into human nature, even into such painful experiences as embarrassment and humiliation. No matter how remarkable the life of Samuel Clemens was, what matters most is the relationship of Mark Twain the writer and his writings. That is the subject of this book."—from the Preface In *Mark Twain, A Literary Life*, Everett Emerson revisits one of America's greatest and most popular writers to explore the relationship between the life of the writer and his writings. The assumption throughout is that to see Mark Twain's writings in focus, one must give proper attention to their biographical context. Mark Twain's literary career is fascinating in its strangeness. How could this genius have had so little sense of what he should next do? As a young man, Samuel Clemens's first vocation, that of journeyman printer, took him far from home to the sights of New York, Philadelphia, and Washington, while his next vocation would give him the identity by which we most frequently know him. His choice of "Mark Twain" as a pen name cemented his bond with the river, as did such books as *Life on the Mississippi* and *Huckleberry Finn*. Then following an unsuccessful try at silver mining, Clemens worked as a newspaperman, humorist, lecturer, but also cultivated an interest in playwriting, politics, and philosophizing. In reporting the author's life, Emerson has endeavored to permit Mark Twain to tell his own story as much as possible, through the use of letters and autobiographical writings, some unpublished. These fascinating glimpses into the life of the writer will be of interest to all who have an abiding affection for Samuel Clemens and his extraordinary legacy.*

## 453 MARK TWAIN'S LETTERS — VOLUME 1(1853-1866)}

TTN Theme Travel News Korea *The Adventures of Huckleberry Finn by Mark Twain*(1884) *The Adventures of Tom Sawyer by Mark Twain*(1876), *Short stories*, *Nonfictions*, *Travelogue*, *Mark Twain's Speeches*, *Editorial Wild Oats* *Mark Twain's Speeches by Mark Twain* *Chapters from My Autobiography & Mark Twain's Burlesque Autobiography*, *Quotes and Images From The Works of Mark Twain*, *Mark Twain's Letters*. *TTN Korea (English Classics)* *Nowhere is the human being more truly revealed than in his letters. Not in literary letters—prepared with care, and the thought of possible publication—but in those letters wrought out of the press of circumstances, and with no idea of print in mind. A collection of such documents, written by one whose life has become of interest to mankind at large, has a value quite aside from literature, in that it reflects in some degree at least the soul of the writer.* *The letters of Mark Twain are peculiarly of the revealing sort. He was a man of few restraints and of no affectations. In his correspondence, as in his talk, he spoke what was in his mind, untrammelled by literary conventions.* *Necessarily such a collection does not constitute a detailed life story, but is supplementary to it. An extended biography of Mark Twain has already been published. His letters are here gathered for those who wish to pursue the subject somewhat more exhaustively from the strictly personal side. Selections from this correspondence were used in the biography mentioned. Most of these are here reprinted in the belief that an owner of the "Letters" will wish the collection to be reasonably complete.* **FOREWORD.** *SAMUEL LANGHORNE CLEMENS, for nearly half a century known and celebrated as "Mark Twain," was born in Florida, Missouri, on November 30, 1835. He was one of the foremost American philosophers of his day; he was the world's most famous humorist of any day. During the later years of his life he ranked not only as America's chief man of letters, but likewise as her best known and best loved citizen.* *The beginnings of that life were sufficiently unpromising. The family was a good one, of old Virginia and Kentucky stock, but its circumstances were reduced, its environment meager and disheartening. The father, John Marshall Clemens—a lawyer by profession, a merchant by vocation—had brought his household to Florida from Jamestown, Tennessee, somewhat after the manner of judge Hawkins as pictured in *The Gilded**

He was one of the foremost American philosophers of his day; he was the world's most famous humorist of any day. During the later years of his life he ranked not only as America's chief man of letters, but likewise as her best known and best loved citizen.* *The beginnings of that life were sufficiently unpromising. The family was a good one, of old Virginia and Kentucky stock, but its circumstances were reduced, its environment meager and disheartening. The father, John Marshall Clemens—a lawyer by profession, a merchant by vocation—had brought his household to Florida from Jamestown, Tennessee, somewhat after the manner of judge Hawkins as pictured in *The Gilded Age*.*

1835년 플로리다. 플로리다 마을, 21개 집으로 이루어진 마을(The Gilded Age)에 설립된 마을이다. Florida was a small town then, a mere village of twenty-one houses located on Salt River, but judge Clemens, as he was usually called, optimistic and speculative in his temperament, believed in its future. Salt River would be made navigable; Florida would become a metropolis. He established a small business there, and located his family in the humble frame cottage where, five months later, was born a baby boy to whom they gave the name of Samuel—a family name—and added Langhorne, after an old Virginia friend of his father. MARK TWAIN—A BIOGRAPHICAL SUMMARY.

21세기 최고의 작가로 꼽히는 그는, 1835년 11월 30일, 미시시피주 플로리다에 위치한 마을에서 태어났다. 그는 낙관적이고 투기적인 성격을 지니고 있었으며, 염색강을 개항할 수 있다고 믿었고, 플로리다가 대도시가 될 것이라고 믿었다. 그는 그곳에 작은 사업을 설립하고, 그곳에 그의 가족을 정착시켰는데, 다섯 달 후 그곳에서 그의 아들이 태어났고, 그들은 아들에게 사뮈엘이라는 이름을 주었고, 그리고 그의 아버지의 친구였던 버지니아의 친구인 랑호른을 추가했다. MARK TWAIN—A BIOGRAPHICAL SUMMARY.

## MRS. MARK TWAIN

---

### THE LIFE OF OLIVIA LANGDON CLEMENS, 1845-1904

---

**McFarland** This is the first book-length biography of Olivia Langdon Clemens, Mark Twain's wife. Livy was an intelligent, well-educated woman of Victorian values and

sensibilities who lived a charmed and tragic life. Raised in the wealthiest family in Elmira, New York, she married the man destined to become the best known American in the world. She befriended the literary elite of America and Europe, traveled the globe, dined with royalty. Yet her life was filled with tragedy. Her son was born prematurely and died at 19 months. Her oldest daughter died of spinal meningitis at 24. Her youngest daughter was an epileptic. Her husband's bad investments drove the family into bankruptcy. Her frail health kept her bedridden for years at a time. Yet through all this, she and her husband shared a family life filled with love and tenderness.

## THE BIBLE ACCORDING TO MARK TWAIN

---

### WRITINGS ON HEAVEN, EDEN, AND THE FLOOD

---

**University of Georgia Press** *This volume collects the most important writings by Mark Twain in which he used biblical settings, themes, and figures. Featuring Twain's singular portrayals of God, Adam, Eve, Satan, Methuselah, Shem, St. Peter, and others, the writings stand among Twain's most imaginative expressions of his views on human nature and humankind's relation to the Creator and the universe. Composed over four decades (1871-1910), the writings range from farce to fantasy to satire, each one bearing the mark of Twain's unmistakable wit and insight. Among the many delights in store for readers are Adam and Eve's divergent accounts of their domestic troubles; Methuselah's discussion of an ancient version of baseball, complete with a parody of baseball jargon; Shem's hand-wringing account of how material shortages and labor troubles were hampering the progress of the ark his father, Noah, was building; a description of the disruptive actions of the fire-and-brimstone evangelist Sam Jones upon arriving in heaven; Captain Stormfield's revelations of what heaven is really like; Satan's musings on our puerile concepts of the afterlife; and Twain's advice on how to dress and tip properly in heaven. Twain's humor, however, is never gratuitous. As readers laugh their way through this volume, they will find ample evidence of Twain's concerns about scriptural fallacies and inconsistencies, the Bible's rather flat portrayal of important characters, and our limited notions about the nature and meaning of our own--and God's--existence. Many of the pieces in this collection, even the most lighthearted, might still be considered controversial; of some of the darker pieces, Twain himself acknowledged that they would be heretical in any age. Moreover, these writings are valuable cultural artifacts of a time when, across the Western world, fundamental religious beliefs were being called into question by the precepts of Darwinism and the rapid advances of science and technology. Several of this volume's selections are previously unpublished; others, like *Letters from the Earth*, are classics. Virtually all have been newly edited to reflect as closely as possible Twain's final intentions for their form and content. For serious Twain devotees, editors Howard G. Baetzhold and Joseph B. McCullough have supplied an abundance of background material on the writings, including details on the history of their composition, publication, and relevance to the Twain canon.*
