KEY=DEATH - ISSAC KEENAN

Winston County, Alabama Newspaper Clippings 1886 - 1900 Lulu.com Handbook of Death and Dying SAGE Review: "More than 100 scholars contributed to this carefully researched, well-organized, informative, and multi-disciplinary source on death studies. Volume 1, "The Presence of Death," examines the cultural, historical, and societal frameworks of death, such as the universal fear of death, spirituality and varioius religions, the legal definition of death, suicide, and capital punishment. Volume 2, "The Response to Death," covers such topics as rites and ceremonies, grief and bereavement, and legal matters after death."--"The Top 20 Reference Titles of the Year," *American Libraries*, May 2004. **Royal Navy Roll of Honour - World War 1, by Date and Ship/Unit Lulu.com** World War 1 Roll of Honour of Royal Navy, Royal Marines and Royal Naval Division men and women lost, including Dominions and Empire, 1914-18. Listed by Date and Ship/Unit. Complements the separately issued volume arranged by Name. Compiled from original sources including Admiralty Death Ledgers and Admiralty Communiques. Foreword by Capt Christopher Page RN Rtd, Head, Naval Historical Branch of the Naval Staff. Downloaded version, available from www.naval-history.net, is searchable. **The Mass Observers A History, 1937-1949 Oxford University Press** The first full-scale history of Mass-Observation, the independent social research organisation which set out to document the attitudes, opinions, and every-day lives of British people between 1937 and 1949. Corrects and revises much of our existing knowledge of M-O, and opens up new and important perspectives on the organisation itself. **Rest in Peace A Cultural History of Death and the Funeral Home in Twentieth-Century America Oxford University Press, USA** Gary Laderman traces the origins of American funeral rituals, & looks at the increasing subordination of religious figures to the funeral director in the late 20th century, demonstrating that the modern director is very far from Mitford's manipulator of 'The American Way of Death'. **Christian Register and Boston Observer... July 1835-Oct.14, 1843 Geolical Magazine Awarding of Medals in the Naval Service, Hearing Before a Subcommittee ..., on S.Res. 285 The Tenth A Century of Scouting at the 10th Belfast 10th Belfast Scout Group Cereal Killer Chronicles of Battle Creek, The Arcadia Publishing** "In this book , you'll learn about the rise of the Kelloggs, from their days as religious fanatics to their breakfast food empire, and all of the death and darkness in between. You'll also learn about their enduring legacy in Battle Creek, from the ghosts they left behind to the curse that appears to haunt those who work and learn in Kellogg-built institutions"--Page 10. **100 Things NASCAR Fans Should Know & Do Before They Die Triumph Books** Detailing 65 years of NASCAR history, this lively book explores the personalities, events, and facts every stock car racing fan should know. Important nicknames, dates, and achievements round out this fan handbook. This guide to all things NASCAR also includes a list of must-do NASCAR-related activities, such as making a pilgrimage to the birthplace of Dale Earnhardt, exploring the hidden gems of major racing venues, and visiting lesser-known museums devoted to the sport. **Universal Pronouncing Dictionary of Biography and Mythology Legal Executions in Georgia A Comprehensive Registry, 1866-1964 McFarland** In the state of Georgia, 1025 men and women are known to have been hanged or electrocuted for capital crimes in the century after the Civil War. Based on more than twenty years of investigative research, this chronological record of these legal executions was pieced together from diverse sources in and outside of the state, with many details never before made public. The author documents the facts as they occurred without delving into the politics of capital punishment. **Dictionary of North Carolina Biography Vol. 6, T-Z Univ of North Carolina Press** The most comprehensive state project of its kind, the Dictionary provides information on some 4,000 notable North Carolinians whose accomplishments and occasional misdeeds span four centuries. Much of the bibliographic information found in the six volumes has been compiled for the first time. All of the persons included are deceased. They are native North Carolinians, no matter where they made the contributions for which they are noted, or non-natives whose contributions were made in North Carolina. **Army and Navy Register Harrison Simon and Schuster** Offers photographs and information about the rock musician, spanning his career from his early days in the Beatles to his later years. **The Pictorial History of England: Being a History of the People As Well as a History of the Kingdom ... The Pictorial History of England Being a History of the People, as Well as a History of the Kingdom ... Jacks, Knaves and Vagabonds Crime, Law, and Order in Tudor England Waterside Press** In this welcome addition to his Crime History Series, Gregory Durston points to the lack of design and short-term expediency that typified Tudor law and order. But he also detects an emergent criminal justice system amidst royal patronage, protection, and the influence of wealthy magnates. Students of English history will have heard how benefit of clergy and the 'neck verse' might avoid a hanging, but what of other stratagems such as down-valuing stolen goods, cruentation, chance medley, pious perjury or John at Death (a non-existent culprit blamed by the accused and treated by juries as real); all devices used to mitigate the all-pervading death-for-felony rule. Together with other artifices deployed by courts to circumvent black-letter law the author also describes how poor, marginalised and illiterate citizens were those most likely to suffer unfairness, injustice and draconian punishment. He also describes the political intrigue and widescale corruption that were symptomatic of the era, alongside such diverse aspects as forfeiture of property, evidential ploys, the rise of the highwayman, religious persecution, witchcraft and infanticide crazes. At a time of shifting allegiances?—?and as Crown, church, judges, magistrates and officials wrestled over jurisdiction, central or local control, 'ungodly customs', laws of convenience or malleable definitions?—?never perhaps were facts or law so expertly engineered to justify or defend often curious outcomes. Part of Durston's Crime History Series. Covers the entire Tudor era. Based on first-hand historical research. Fully referenced to hundreds of sources. **The Pennsylvania School Journal The Universal Dictionary of Biography and Mythology A-clu Cosimo, Inc.** Once considered the largest and most extensive source of biographies in the English language, The Universal Dictionary of Biography and Mythology contains information on nearly every historical figure, notable name, and important subject of mythology from throughout the world prior to the 20th century. Spanning all fields of human effort-from literature and the arts to philosophy and science-and touching on topics from multiple areas of mythological study, including Norse, Greek, and Roman, this extraordinary reference guide continues to be one of the most thorough and accurate collections of biographical data ever created. Combining mythological and biographical entries into a single, comprehensive list, and incorporating a unique system of indicating pronunciation and orthography, The Universal Dictionary of Biography and Mythology offers readers an unparalleled record of historically significant identities, from the obscure and forgotten newsmakers of yesteryear to the highly celebrated shapers of history that remain influential today. Volume I (A-CLU) of this exquisite four-volume set includes information on such names as John Quincy Adams, Achilles, sop, Napoleon Bonaparte, Julius Caesar, and Cleopatra, as well as a detailed introduction to the entire body of this work. JOSEPH THOMAS (1811-1891) also wrote A Comprehensive Medical Dictionary, various pronouncing vocabularies of biographical and geographical names, and a system of pronunciation for Lippincott's **Pronouncing Gazetteer of the World, Athenae Oxonienses An Exact History of All the Writers and Bishops who Have Had Their Education in the University of Oxford : to which are Added the Fasti Or Annals of the Said University Ideological Seduction and Intellectuals in Putin's Russia Springer Nature** This book examines the interplay between key rulers and intellectuals in creating and sustaining popular discourses that often help keep rulers in power. By focusing in particular on the relationship between Putin and Dugin during the early Putin regime, the author zooms in on the questionable honesty in Putin's interest in Dugin's philosophy, and the instrumentality of that philosophy for strategic regime building. Arguing that ideology is largely supported by political philosophies that gain popular traction, the book questions the extent to which rulers are likely to stay faithful to their stated ideologies. Providing on-the-ground insight into Putin's rule, this book appeals to researchers and policymakers studying Post-Soviet Politics. **The Storyteller Tales of Life and Music Simon and Schuster** THE SUNDAY TIMES NO 1 BESTSELLER * ONE OF NME's BEST MUSIC BOOKS OF 2021 * ONE OF VARIETY'S BEST MUSIC BOOKS OF 2021 * INCLUDED IN AUDIBLE'S BEST OF THE YEAR LIST So, I've written a book. Having entertained the idea for years, and even offered a few questionable opportunities ('It's a piece of cake! Just do four hours of interviews, find someone else to write it, put your face on the cover, and voila!'), I have decided to write these stories just as I have always done, in my own hand. The joy that I have felt from chronicling these tales is not unlike listening back to a song that I've recorded and can't wait to share with the world, or reading a primitive journal entry from a stained notebook, or even hearing my voice bounce between the Kiss posters on my wall as a child. This certainly doesn't mean that I'm quitting my day job, but it does give me a place to shed a little light on what it's like to be a kid from Springfield, Virginia, walking through life while living out the crazy dreams I had as young musician. From hitting the road with Scream at 18 years old, to my time in Nirvana and the Foo Fighters, jamming with Iggy Pop or playing at the Academy Awards or dancing with AC/DC and the Preservation Hall Jazz Band, drumming for Tom Petty or meeting Sir Paul McCartney at Royal Albert Hall, bedtime stories with Joan Jett or a chance meeting with Little Richard, to flying halfway around the world for one epic night with my daughters...the list goes on. I look forward to focusing the lens through which I see these memories a little sharper for you with much excitement. **Athenæ Oxonienses An Exact History of All the Writers and Bishops who Have Had Their Education in the University of Oxford. To which are Added, the Fasti Or Annals, of the Said University Athenæ Oxonienses. An Exact History of All the Writers and Bishops who Have Their Education in the University of Oxford. To which are Added the Fasti, Or Annals of the Said University.** By Anthony A Wood, M. A. of Merton College. A New Edition, with Additions, and a Continuation by Philip Bliss, Fellow of St. John's College. **Vol. 1.[-4.] Quality of Life and Mortality in Seventeenth Century London and Dublin Springer** This book provides an examination of the quantitative and qualitative factors affecting mortality in two major cities of the British Isles: London and Dublin. It covers a scale from individuals mentioned by name to aggregates of mortality data in the Bills of Mortality. Focusing on the Seventeenth Century, the book pays attention to the Great Plague of 1665, and to earlier years in which epidemics decimated populations. To the average person living in the seventeenth century, life was a series of challenges. Mortality among the young was high, and for those who survived early childhood, death in their fifties was fairly typical. Men and women might aspire to a longer life span, but even the healthiest practices were no guarantee when the overall quality of life was low. With fatal illnesses exemplified by typhoid fever on the one hand, and the arrival of yersinia pestis - plague through ports on the Mediterranean at regular intervals of several years, on the other, mortality became a foreseeable event. **Randolph Co, II Veterans Turner Publishing Company History of Huntingdon and Blair Counties, Pennsylvania Army, Navy, Air Force Journal & Register The Examiner Royal Navy Roll of Honour - Between the Wars, 1918-1939 Lulu.com** Alphabetical and chronological listings of men from the Royal Navy who lost their lives between the First and Second World Wars. **United States Congressional serial set House Documents House Documents, Otherwise Publ. as Executive Documents 13th Congress, 2d Session-49th Congress, 1st Session House Executive Documents Freedmen's Bureau Letter from the Secretary of War, in Answer to a Resolution of the House of March 8, Transmitting a Report The Alexandra Magazine & Woman's Social and Industrial Advocate The Battle of the Frogs and Fairford's Flies Miracles and the Pulp Press During the English Revolution Springer The Central European Observer**
