THE BOOK OF LOVE AND HATE

Akashic Books The author of the Lambda Literary Award winner Kamikaze Lust delivers “a thrilling tale of espionage, family ties, sex, love, and betrayal” (The Advocate). Jennifer Baron is a failed Olympic speed skater now running her family’s foundation and trying to stay sober, when her billionaire father disappears. She travels to Israel in search of him, becoming recklessly entangled in his illegal dealings and with his enigmatic lover, Gila, a former Mossad agent gone bad. Along the way, she is drawn into the shadow worlds of the Promised Land, where career-jockeying government agents, fake Orthodox Jews, queer Palestinians on the run, and other displaced wanderers scramble to find home amid the endless cycles of war, occupation, and heartbreak. The Book of Love and Hate is an unraveling of white-collar crime and its motivations. It’s a testament to the magnificent oblivion of love and a shattering of inherited trauma, both personal and historical. “A thriller of literary pedigree, unbound by convention . . . If you’re seeking a cathartic resolution in the final pages, you might be disappointed—but you shouldn’t be surprised. Not when you’re talking about Israel and corrupt fortunes, and madness, obsession, and abuse . . . Just don’t expect to find a safe, comforting space in the pages of Lauren Sanders’s discomfiting and terrific book.” —The Village Voice “Sanders knows how to craft a story. The storyline is riveting, and the personal development of the characters kept me engaged on a deeper level than even her thrilling plot could. Her prose is beautiful and brings you to an ending that is sure to have you reeling.” —Windy City Times

TEN THINGS I HATE ABOUT ME

Trapeze 'This is a remarkable book. The honesty is startling and potent' Dawn French 'You have to buy this book. I mean it. It's very funny and sad and utterly true. It's a life-saver' Miriam Margolyes Hi. I hope you're ok. My name's Joe, and I have one job, every day: don't kill myself. I live with a complex mental illness called Borderline Personality Disorder (BPD). 15% of people with BPD die by suicide, and 40% try. I'm already in the 40%. My job is to keep out of the 15%. In this book I want to try and explain what life is like when you have a brain that is essentially trying to murder you every day. It's a collection of the funny, sad and shocking stuff that has happened to me along the way. Writing this book has been the hardest thing I've ever done. It had to be dragged into the world, with my condition telling me that every single word, sentence and chapter was terrible and would make strangers walk up to me in the street and punch me in the face. But I had run out of options. I'd done everything I 'd been told to do and I still thought about killing myself every day. So I wrote this book to save my life. But if there is even the smallest chance that me telling you how I live with me helps you live with you; if it opens up a space for someone, somewhere to be more honest about their mental illness, it will have been worth it. Please don't kill yourself. Love Joe xx 'Please read this book. It will make the world a better place' James O'Brien 'This book will save lives' Lorraine Kelly 'Just holding this book will make you a better person' Paddy McGuinness

LOVE TO HATE

AMERICA'S OBSESSION WITH HATRED AND VIOLENCE

Columbia University Press *Why?* is the simple, impulsive question we ask when confronted by horrible acts of hatred and violence. Why do students shoot fellow students or employees their coworkers? Why do mothers drown their children or husbands stalk and kill their wives? *Love to Hate* challenges us to turn this question upon ourselves at a deeper level. Why, as a culture, are we so fascinated by these acts? Why do we bestow celebrity on the perpetrators, while allowing the victims to fade into a second death of obscurity? Are we, as Pope John Paul II famously accused, "a culture of death"? And if so, how can we break free of this unacknowledged aspect of the cycle of violence? Unlike those who point solely to media imagery, splintered families, or lax gun control laws in search of the roots of America's endemic violence, Jody M. Roy suggests that we all must be held responsible. She argues that we reveal our love affair with hatred and violence in the ways we think and speak in our daily lives and in our popular culture. The very words we use function as building blocks of callousness and contempt, betraying our immersion in subtexts of violence and hatred. These subtexts are further revealed in our complex attitudes toward street gangs, school shooters, serial killers, and hate groups and the paroxysms of violence they unleash. As spectators, driven by our impulse to watch, we become an integral part of the equation of violence. In the book's final section, "Freeing Ourselves of Our Obsession with Hatred and Violence," Roy offers practical steps we can take—as parents, consumers, and voters—to free ourselves from linguistic and cultural complicity and to help create in America a culture of life.

EVERYONE YOU HATE IS GOING TO DIE

AND OTHER COMFORTING THOUGHTS ON FAMILY, FRIENDS, SEX, LOVE, AND MORE THINGS THAT RUIN YOUR LIFE

Random House This is the Pandora's Box of self-help books. - Conan O'Brien Daniel Sloss's stand-up comedy engages, enrages, offends, unsettles, educates, comforts, and gets audiences roaring with laughter - all at the same time. In his groundbreaking specials, seen on Netflix and HBO, he has brilliantly tackled everything from male toxicity and friendship to love, romance and marriage - and claims (with the data to back it up) that his on-stage laser-like dissection of relationships has single-handedly caused more than 300 divorces and 120,000 breakups. Now, in his first book, he picks up where his specials left off, and goes after every conceivable kind of relationship - with one's country (Sloss's is Scotland); with America; with lovers, ex-lovers, ex-lovers who you hate, ex-lovers who hate you; with parents; with best friends (male and female), not-best friends; with children; with siblings; and even with the global pandemic and our own mortality. In *Everyone You Hate Is Going to Die*, every human connection gets the brutally funny (and unflinchingly incisive) Sloss treatment as he illuminates the ways in which all of our relationships are fragile and ridiculous and awful - but also valuable and meaningful

and important.

I HATE THE INTERNET

A NOVEL

Serpent's Tail In New York in the middle of the twentieth century, comic book companies figured out how to make millions from comics without paying their creators anything. In San Francisco at the start of the twenty-first century, tech companies figured out how to make millions from online abuse without paying its creators anything. In the 1990s, Adeline drew a successful comic book series that ended up making her kind-of famous. In 2013, Adeline aired some unfashionable opinions that made their way onto the Internet. The reaction of the Internet, being a tool for making millions in advertising revenue from online abuse, was predictable. The reaction of the Internet, being part of a culture that hates women, was to send Adeline messages like 'Drp slut ... hope u get gang rape.' Set in a San Francisco hollowed out by tech money, greed and rampant gentrification, I Hate the Internet is a savage indictment of the intolerable bullshit of unregulated capitalism and an uproarious, hilarious but above all furious satire of our Internet Age.

I HATE THE LAKE DISTRICT

MIT Press An alternative view of the North West of England that delves into its stranger past. I Hate the Lake District offers a different vision of the rural environment from those found in much contemporary nature writing. Based on the author's trips around North West England, the book engages with nuclear power and nuclear war, slavery, imperialism, ghosts, love, God, cockroaches, and the sheer violence and contingency of "nature" itself—of which the human presence is merely a part. Each chapter starts with an account of a visit to a place in this remote part of England, the deep north, but digresses and wanders through multifarious themes and subjects. Among the sites Gere visits are the defunct nuclear power station at Sellafield, home of all British nuclear waste; Lake Coniston, where Donald Campbell died trying to break the water speed record; Hadrian's Wall, furthestmost reach of the Roman Empire; the mysterious and deathly Morecambe Bay; sites of slavery in the North West; places where UFOs have been sighted, avant-garde artists created work, and Islamic terrorists trained; shantytowns where the navvies who built the railways lived with their families; and even the remains of Blobbyland in Morecambe. In I Hate the Lake District, Gere challenges the bourgeois pastoralism of popular nature writing and reveals the landscape of North West England as profoundly unnatural and strange.

LIVING WITH YOUR BODY AND OTHER THINGS YOU HATE

HOW TO LET GO OF YOUR STRUGGLE WITH BODY IMAGE USING ACCEPTANCE AND COMMITMENT THERAPY

New Harbinger Publications Let's be honest: most people are unhappy with at least some aspect of their physical appearance. Just think of all the money we spend each year trying to improve our looks! But if worrying about your appearance is getting in the way of living, maybe it's time to start thinking about body image in a completely new way. Based in proven-effective acceptance and commitment therapy (ACT), Living with Your Body and Other Things You Hate offers a unique approach to addressing your struggle with body image. In this book, you will not be told that your self-perceptions are wrong, that your thoughts are irrational, or that your feelings are misguided. Instead, you will learn to live with the reality that these often painful thoughts and beliefs about yourself will arise from time to time, and that what is really important is accepting these distressing thoughts without allowing them to dominate your life. You know what it's like to constantly be checking the mirror, to avoid certain social situations where your body may be exposed, or to gaze longingly at a fashion model in a magazine and think, "Why can't I be her?" But what you may not know is that people who struggle with negative body image are at an increased risk for depression, anxiety, eating disorders, and low self-esteem. Body image problems can even lead to major financial issues. By focusing on your appearance and little else, you are hurting yourself in more ways than one. If you are ready to find a purpose in life that is more important than the pain you feel about your appearance, this book provides a truthful, powerful resource.
