DO CHOCOLATE LOVERS HAVE SWEETER BABIES?

THE SURPRISING SCIENCE OF PREGNANCY

Simon and Schuster Brain Candy for expectant parents! Pregnancy is an adventure. Lots of books tell you the basics—"the baby is the size of [insert fruit here]." But pregnant science writer Jena Pincott began to wonder just how a baby might tinker with her body—and vice versa—and chased down answers to the questions she wouldn't ask her doctor, such as: • Does stress sharpen your baby's mind—or dull it? • Can you predict your baby's temperament? • Why are babies born in the darker months of the year more likely to grow up to be novelty-loving risk takers? • Are bossy, dominant women more likely to have boys? • How can the cells left behind by your baby affect you years later? This is a different kind of pregnancy book—thoughtful, fun, and filled with information you won't find anywhere else.

HEALTHY BEGINNINGS

GUIDANCE ON SAFE MATERNITY AT WORK

International Labour Organization Improving maternal health and reducing child mortality are among the eight UN Millennium Development Goals. This publication contains guidance on maternity protection in the workplace, focusing on measures that can be taken to establish a decent workplace and to identify workplace risks. The starting point is the Maternity Protection Convention (No. 183), adopted by the International Labour Conference in 2000 and its accompanying Recommendation (No. 191). The guide is intended for general use as a reference tool for employers, workers, trade union leaders, occupation health and safety advisors, labour inspectors and others involved in workplace health and maternity protection.

WAITING IN WONDER

GROWING IN FAITH WHILE YOU'RE EXPECTING

Thomas Nelson Pregnancy is a joyful journey, and Waiting in Wonder helps you celebrate and journal your way through this special time while growing closer to God. From the time you discover you're expecting until the moment you hold that baby in your arms, this devotional journal helps you treasure God and record your emotions, prayers, and dreams for your baby.

A MODEST PROPOSAL

POPULAR BOOKS BY JONATHAN SWIFT : ALL TIMES BESTSELLER DEMANDING BOOKS

BEYOND BOOKS HUB A Modest Proposal for Preventing the Children of Poor People From Being a Burthen to Their Parents or Country,

and for Making Them Beneficial to the Publick, commonly referred to as A Modest Proposal, is a Juvenalian satirical essay written and published anonymously by Jonathan Swift in 1729. Swift suggests that the impoverished Irish might ease their economic troubles by selling their children as food for rich gentlemen and ladies. This satirical hyperbole mocks heartless attitudes towards the poor, as well as Irish policy in general.

MY BOOK OF FIRSTS

MATERNAL DEATH AND PREGNANCY-RELATED MORBIDITY AMONG INDIGENOUS WOMEN OF MEXICO AND CENTRAL AMERICA

AN ANTHROPOLOGICAL, EPIDEMIOLOGICAL, AND BIOMEDICAL APPROACH

Springer This ambitious sourcebook surveys both the traditional basis for and the present state of indigenous women's reproductive health in Mexico and Central America. Noted practitioners, specialists, and researchers take an interdisciplinary approach to analyze the multiple barriers for access and care to indigenous women that had been complicated by longstanding gender inequities, poverty, stigmatization, lack of education, war, obstetrical violence, and differences in language and customs, all of which contribute to unnecessary maternal morbidity and mortality. Emphasis is placed on indigenous cultures and folkways—from traditional midwives and birth attendants to indigenous botanical medication and traditional healing and spiritual practices—and how they may effectively coexist with modern biomedical care. Throughout these chapters, the main theme is clear: the rights of indigenous women to culturally respective reproductive health care and a successful pregnancy leading to the birth of healthy children. A sampling of the topics: Motherhood and modernization in a Yucatec village Maternal morbidity and mortality in Honduran Miskito communities Solitary birth and maternal mortality among the Rarámuri of Northern Mexico Maternal morbidity and mortality in the rural Trifino region of Guatemala The traditional Ngäbe-Buglé midwives of Panama Characterizations of maternal death among Mayan women in Yucatan, Mexico Unintended pregnancy, unsafe abortion, and unmet need in Guatemala Maternal Death and Pregnancy-Related Morbidity Among Indigenous Women of Mexico and Central America is designed for anthropologists and other social scientists, physicians, nurses and midwives, public health specialists, epidemiologists, global health workers, international aid organizations and NGOs, governmental agencies, administrators, policy-makers, and others involved in the planning and implementation of maternal and reproductive health care of indigenous women in Mexico and Central America, and possibly other geographical areas.

DEMOCRACY AND EDUCATION

Read Books Ltd This antiquarian volume contains a comprehensive treatise on democracy and education, being an introduction to the 'philosophy of education'. Written in clear, concise language and full of interesting expositions and thought-provoking assertions, this volume will appeal to those with an interest in the role of education in society, and it would make for a great addition to collections of allied literature. The chapters of this book include: 'Education as a Necessity of Life'; 'Education as a Social Function'; 'Education as Direction'; 'Education as Growth'; 'Preparation, Unfolding, and Formal Discipline'; 'Education as Conservative and Progressive'; 'The Democratic Conception in Education'; 'Aims in Education', etcetera. We are republishing this vintage book now complete with a new prefatory biography of the author.

THE BUMP BOOK OF LISTS FOR PREGNANCY AND BABY

CHECKLISTS AND TIPS FOR A VERY SPECIAL NINE MONTHS

Potter Style From the #1 website and lifestyle destination for pregnant women and new moms, The Bump, this portable paperback offers every list, every question to ask, and tip that moms-to-be need to plan and prepare for baby's arrival. The Bump is the most trusted site for moms-to-be and new mothers, and now, Carley Roney and the editors of The Bump present the essential collection of checklists, timelines, and other organizational tools for the nine months before, and the weeks right after, baby's birth. The Bump Book of Baby Lists covers the practical and fun details of every month of pregnancy, including the questions to ask your doctor, what you need for the nursery, how to set up a birth plan, and more. With lines for jotting notes on the go, this portable paperback travels everywhere with the parents-to-be, making the what-to-do, how, and when of pregnancy planning much less stressful.

EXERCISING THROUGH YOUR PREGNANCY

Addicus Books Examining the effects of exercise on women and their babies, this book presents case studies of women who exercised regularly before, during, and after pregnancy. The book provides guidelines for exercise plans that safely fulfill a mother's needs during different phases of pregnancy, answering such questions as, How does exercise benefit the mother? How does exercise affect growth of the fetus? What is the effect of exercise on milk production? Does exercise limit weight gain during pregnancy? What is the right amount of exercise? What are the dos and don'ts of exercising when pregnant? When should exercise be avoided? How late into pregnancy can you exercise? and What should be the exercise regimen after giving birth? Updated to include the latest scientific information on staying fit during pregnancy and emphasize appropriate exercises, this new edition thoroughly describes the changes that happen to the mother while she's pregnant and how both she and the child can benefit through exercise.

SOCIAL MEDIA IN INDUSTRIAL CHINA

UCL Press Life outside the mobile phone is unbearable.' Lily, 19, factory worker. Described as the biggest migration in human history, an estimated 250 million Chinese people have left their villages in recent decades to live and work in urban areas. Xinyuan Wang spent 15 months living among a community of these migrants in a small factory town in southeast China to track their use of social media. It was here she witnessed a second migration taking place: a movement from offline to online. As Wang argues, this is not simply a convenient analogy but represents the convergence of two phenomena as profound and consequential as each other, where the online world now provides a home for the migrant workers who feel otherwise 'homeless'. Wang's fascinating study explores the full range of preconceptions commonly held about Chinese people - their relationship with education, with family, with politics, with 'home' - and argues why, for this vast population, it is time to reassess what we think we know about contemporary China and the evolving role of social media.

EXPECTING BETTER

WHY THE CONVENTIONAL PREGNANCY WISDOM IS WRONG AND WHAT YOU REALLY NEED TO KNOW

Hachette UK FREAKONOMICS meets WHAT TO EXPECT WHEN YOU'RE EXPECTING in this groundbreaking guidebook. Award-winning Emily Oster debunks myths about pregnancy to empower women while they're expecting. Pregnancy is full of rules. Pregnant women are often treated as if they were children, given long lists of items to avoid-alcohol, caffeine, sushi- without any real explanation from their doctors about why. They hear frightening and contradictory myths about everything from weight gain to sleeping on your back to bed rest from friends and pregnancy books. In EXPECTING BETTER, Oster shows that the information given to pregnant women is sometimes wrong and almost always oversimplified. When Oster was expecting her first child, she felt powerless to make the right decisions for her pregnancy so Oster drew on her own experience and went in search of the real facts about pregnancy using an economist's tools. Economics is the science of determining value and making informed decisions. To make a good decision, you need to understand the information available to you and to know what it means to you as an individual. EXPECTING BETTER overturns standard recommendations for alcohol, caffeine, sushi, bed rest, and induction while putting in context the blanket guidelines for fetal testing, weight gain, risks of pregnancy over the age of thirty-five, and nausea, among others. Oster offers the real-world advice one would never get at the doctor's office. Knowing that the health of your baby is paramount, readers can know more and worry less. Having the numbers is a tremendous relief-and so is the occasional glass of wine. This groundbreaking guidebook is as fascinating as it is practical.

GUIDED GRIEF REMEMBRANCE JOURNAL

A HANDBOOK AND KEEPSAKE TO HELP YOU HEAL WITH JOYOUS MEMORIES

POCKET BOOK OF HOSPITAL CARE FOR CHILDREN

GUIDELINES FOR THE MANAGEMENT OF COMMON CHILDHOOD ILLNESSES

World Health Organization The Pocket Book is for use by doctors nurses and other health workers who are responsible for the care of young children at the first level referral hospitals. This second edition is based on evidence from several WHO updated and published clinical guidelines. It is for use in both inpatient and outpatient care in small hospitals with basic laboratory facilities and essential medicines. In some settings these guidelines can be used in any facilities where sick children are admitted for inpatient care. The Pocket Book is one of a series of documents and tools that support the Integrated Managem.

THIS IS GOING TO HURT

NOW A MAJOR BBC COMEDY-DRAMA

Pan Macmillan Now A Major BBC Series Starring Ben Whishaw. The multi-million copy bestseller and Book of the Year at The National Book Awards. 'Painfully funny. The pain and the funniness somehow add up to something entirely good, entirely noble and entirely loveable.' - Stephen Fry Welcome to the life of a junior doctor: 97-hour weeks, life and death decisions, a constant tsunami of bodily fluids, and the hospital parking meter earns more than you. Scribbled in secret after endless days, sleepless nights and missed weekends, Adam Kay's This is Going to Hurt provides a no-holds-barred account of his time on the NHS front line. Hilarious, horrifying and heartbreaking, this diary is everything you wanted to know - and more than a few things you didn't - about life on and off the hospital ward. Sunday Times Number One Bestseller for over eight months and winner of a record FOUR National Book Awards: Book of the Year, Non-Fiction Book of the Year, New Writer of the Year and Zoe Ball Book Club Book of the Year. This edition includes extra diary entries and an afterword by the author.

BOY

TALES OF CHILDHOOD

Random House Presents humorous anecdotes from the author's childhood which includes summer vacations in Norway and an English boarding school.

THE PLAGUE YEAR

AMERICA IN THE TIME OF COVID

Penguin UK 'A virtuoso feat ... a book of panoramic breadth' New York Times Book Review 'A devastating analysis ... Wright is a master of knitting together complex narratives' The Observer Just as Lawrence Wright's The Looming Tower became the defining account of our century's first devastating event, 9/11, so The Plague Year will become the defining account of the second. The story starts with the initial moments of Covid's appearance in Wuhan and ends with Joseph Biden's inauguration in an America ravaged by well over 400,000 deaths - a mortality already some ten times worse than US combat deaths in the entire Vietnam War. This is an anguished, furious memorial to a year in which all of America's great strengths - its scientific knowledge, its great civic and intellectual institutions, its spirit of voluntarism and community - were brought low, not by a terrifying new illness alone, but by political incompetence and cynicism on a scale for which there has been no precedent. With insight, sympathy, clarity and rage, The Plague Year allows the reader to see the unfolding of this great tragedy, talking with individuals on the front line, bringing together many moving and surprising stories and painting a devastating picture of a country literally and fatally misled. 'Maddening and sobering - as comprehensive an account of the first year of the pandemic as we've yet seen' Kirkus

NATURAL PREGNANCY GUIDE: EMPOWERING MOMS TO MAKE HEALTHY CHOICES

A simple guide to pregnancy--explore the birth experience that's a natural fit for you Learn how to create the healthiest environment for your baby by eliminating potentially harmful habits and substances from your body and your surroundings wherever possible. The Natural Pregnancy Guide includes advice about: One size does not fit all--Explore both medicated and non-medicated birth plans, detailing the

pros and cons of each, and the circumstances that may shape your decisions. Cleansing your system--Discover gentle ways to "detox" by making healthy choices about personal care products and avoiding or eliminating toxins in your living and working spaces. A multi-part approach--Learn the importance of establishing healthy habits before moving on to specific guidance for managing the challenges you may encounter during your pregnancy. This companion book will guide you through each step of your pregnancy consciously and safely--just as nature intended.

SOPHIE'S WORLD

Hachette UK The international bestseller about life, the universe and everything. When 14-year-old Sophie encounters a mysterious mentor who introduces her to philosophy, mysteries deepen in her own life. Why does she keep getting postcards addressed to another girl? Who is the other girl? And who, for that matter, is Sophie herself? To solve the riddle, she uses her new knowledge of philosophy, but the truth is far stranger than she could have imagined. A phenomenal worldwide bestseller, SOPHIE'S WORLD sets out to draw teenagers into the world of Socrates, Descartes, Spinoza, Hegel and all the great philosophers. A brilliantly original and fascinating story with many twists and turns, it raises profound questions about the meaning of life and the origin of the universe.

BABY'S JOURNAL

Little Simon Baby's Journal recorded by mother and father.

THE ETHICS OF ABORTION

WOMEN'S RIGHTS, HUMAN LIFE, AND THE QUESTION OF JUSTICE

Routledge Appealing to reason rather than religious belief, this book is the most comprehensive case against the choice of abortion yet published. The Ethics of Abortion critically evaluates all the major grounds for denying fetal personhood, including the views of those who defend not only abortion but also infanticide. It also provides several (non-theological) justifications for the conclusion that all human beings, including those in utero, should be respected as persons. This book also critiques the view that abortion is not wrong even if the human fetus is a person. The Ethics of Abortion examines hard cases for those who are prolife, such as abortion in cases of rape or in order to save the mother's life, as well as hard cases for defenders of abortion, such as sex selection abortion and the rationale for being "personally opposed" but publically supportive of abortion. It concludes with a discussion of whether artificial wombs might end the abortion debate. Answering the arguments of defenders of abortion, this book provides reasoned justification for the view that all intentional abortions are morally wrong and that doctors and nurses who object to abortion should not be forced to act against their consciences.

THE DIVING POOL

Random House Beautiful, twisted and brilliant - discover Yoko Ogawa. A lonely teenage girl falls in love with her foster-brother as she watches him leap from a high diving board into a pool - sparking an unspoken infatuation that draws out darker possibilities. A young woman records the daily moods of her pregnant sister in a diary, but rather than a story of growth the diary reveals a more sinister tale of greed and repulsion. Driven by nostalgia, a woman visits her old college dormitory on the outskirts of Tokyo. There she finds an isolated world shadowed by decay, haunted by absent students and the disturbing figure of the crippled caretaker.

THE BRAIN THAT CHANGES ITSELF

STORIES OF PERSONAL TRIUMPH FROM THE FRONTIERS OF BRAIN SCIENCE

Penguin UK An introduction to the science of neuroplasticity recounts the case stories of patients with mental limitations or brain damage whose seemingly unalterable conditions were improved through treatments that involved the thought re-alteration of brain structure.

MOTHERS IN EXILE

MATERNITY EXPERIENCES OF ASYLUM SEEKERS IN ENGLAND

Includes statistics.

THE PREGNANT ENTREPRENEUR

The Pregnant Entrepreneur is the essential how-to guide for combining pregnancy with running or starting your own business. Although many books for new moms discuss going back to work in a corporation, and just as many cover staying home for those who choose that option, there were no books offering advice to entrepreneurs who become pregnant...until now. From cribs to cash flow, from style to staffing, from maternity leave to marketing plans, this book offers encouragement and practical advice for succeeding as a pregnant entrepreneur. Inside is a wealth of strategies for balancing small business and family life, including tips on building a support team, financing maternity leave, and a one page business plan for busy moms-to-be.

THE ULTIMATE GUIDE TO CHOOSING A MEDICAL SPECIALTY

McGraw Hill Professional The first medical specialty selection guide written by residents for students! Provides an inside look at the issues surrounding medical specialty selection, blending first-hand knowledge with useful facts and statistics, such as salary information, employment data, and match statistics. Focuses on all the major specialties and features firsthand portrayals of each by current residents. Also includes a guide to personality characteristics that are predominate with practitioners of each specialty. "A terrific mixture of objective information as well as factual data make this book an easy, informative, and interesting read." --Review

from a 4th year Medical Student

WHAT WORKS IN GIRLS' EDUCATION

EVIDENCE FOR THE WORLD'S BEST INVESTMENT

Brookings Institution Press Hard-headed evidence on why the returns from investing in girls are so high that no nation or family can afford not to educate their girls. Gene Sperling, author of the seminal 2004 report published by the Council on Foreign Relations, and Rebecca Winthrop, director of the Center for Universal Education, have written this definitive book on the importance of girls' education. As Malala Yousafzai expresses in her foreword, the idea that any child could be denied an education due to poverty, custom, the law, or terrorist threats is just wrong and unimaginable. More than 1,000 studies have provided evidence that high-quality girls' education around the world leads to wide-ranging returns: Better outcomes in economic areas of growth and incomes Reduced rates of infant and maternal mortality Reduced rates of child marriage Reduced rates of the incidence of HIV/AIDS and malaria Increased agricultural productivity Increased resilience to natural disasters Women's empowerment What Works in Girls' Education is a compelling work for both concerned global citizens, and any academic, expert, nongovernmental organization (NGO) staff member, policymaker, or journalist seeking to dive into the evidence and policies on girls' education.

LAMB TO THE SLAUGHTER (A ROALD DAHL SHORT STORY)

Penguin UK Lamb to the Slaughter is a short, sharp, chilling story from Roald Dahl, the master of the shocking tale. In Lamb to the Slaughter, Roald Dahl, one of the world's favourite authors, tells a twisted story about the darker side of human nature. Here, a wife serves up a dish that utterly baffles the police . . . Lamb to the Slaughter is taken from the short story collection Someone Like You, which includes seventeen other devious and shocking stories, featuring the two men who make an unusual and chilling wager over the provenance of a bottle of wine; a curious machine that reveals the horrifying truth about plants; the man waiting to be bitten by the venomous snake asleep on his stomach; and others. 'The absolute master of the twist in the tale.' (Observer) This story is also available as a Penguin digital audio download read by Juliet Stevenson. Roald Dahl, the brilliant and worldwide acclaimed author of Charlie and the Chocolate Factory, James and the Giant Peach, Matilda, and many more classics for children, also wrote scores of short stories for adults. These delightfully disturbing tales have often been filmed and were most recently the inspiration for the West End play, Roald Dahl's Twisted Tales by Jeremy Dyson. Roald Dahl's stories continue to make readers shiver today.

THE JOURNALS OF SYLVIA PLATH

Anchor Sylvia Plath began keeping a diary as a young child. By the time she was at Smith College, when this book begins, she had settled into a nearly daily routine with her journal, which was also a sourcebook for her writing. Plath once called her journal her "Sargasso," her repository of imagination, "a litany of dreams, directives, and imperatives," and in fact these pages contain the germs of most of her work. Plath's ambitions as a writer were urgent and ultimately all-consuming, requiring of her a heat, a fantastic chaos, even a violence that burned straight through her. The intensity of this struggle is rendered in her journal with an unsparing clarity, revealing both the frequent desperation of her situation and the bravery with which she faced down her demons. Written in electrifying prose, The Journals of Sylvia Plath provide unique insight, and are essential reading for all those who have been moved and fascinated by Plath's life and work.

STARTING STRONG ENGAGING YOUNG CHILDREN LESSONS FROM RESEARCH ABOUT QUALITY IN EARLY CHILDHOOD EDUCATION AND CARE

LESSONS FROM RESEARCH ABOUT QUALITY IN EARLY CHILDHOOD EDUCATION AND CARE

Tour.

THE DIARY OF A YOUNG GIRL

Anchor THE DEFINITIVE EDITION • Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. Updated for the 75th Anniversary of the Diary's first publication with a new introduction by Nobel Prize-winner Nadia Murad "The single most compelling personal account of the Holocaust ... remains astonishing and excruciating."—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the "Secret Annex" of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.
