ADOBE FIREWORKS CS4 CLASSROOM IN A BOOK

Adobe Press This self-paced guide to Adobe Fireworks CS4 is ideal for beginning users who want to learn key Fireworks concepts and techniques, while readers who already have some experience with Fireworks can use this book to learn Fireworks CS4's more advanced features and newest tools. Using step-by-step, project-based lessons, each chapter walks readers through the creation of a specific project, with successive chapters building on the reader's growing knowledge of the program. With Fireworks CS4, users can collaborate with other Adobe Creative Suite applications to design and mockup basic Web pages or interfaces for rich Internet applications. Demo a design live for a client, or export the design as an interactive PDF and email it to them. Fireworks sports a new user interface, shared in common with other applications in Creative Suite 4. Export complete Web page designs as web standards-compliant CSS-based layouts, or as PDF. All of Peachpit's eBooks contain the same content as the print edition. You will find a link in the last few pages of your eBook that directs you to the media files. Helpful tips: · If you are able to search the book, search for "Where are the lesson files?" · Go to the very last page of the book and scroll backwards. · You will need a web-enabled device or computer in order to access the media files that accompany this ebook. Entering the URL supplied into a computer with web access will allow you to get to the files. · Depending on your device, it is possible that your display settings will cut off part of the URL. To make sure this is not the case, try reducing your font size and turning your device to a landscape view. This should cause the full URL to appear.
