Perspectives on Males and Singing

Springer Science & Business Media “Since singing is so good a thing, I wish all men would learn to sing” (William Byrd, 1588) Over the centuries, there has been reluctance among boys and men to become involved in some forms of singing. **Perspectives on Males and Singing** tackles this conundrum head-on as the first academic volume to bring together leading thinkers and practitioners who share their insights on the involvement of males in singing. The authors share research that analyzes the axiomatic male disinclination to sing, and give strategies designed to engage males more successfully in performing vocal music emphasizing the many positive effects it can have on their lives. Inspired by a meeting at the Australian symposium ‘Boys and Voices’, which focused on the engagement of boys in singing, the volume includes contributions from leading authorities in Australia, New Zealand, Canada, the United States and Europe.

Book of Instructions in the Elements of the Art of Astrology

Astrology Center of America Al Biruni, one of the greatest Arab scholars, was born on September 4, 973, in what is now Uzbekistan. He showed talent at an early age and by his early 20's had written several acclaimed papers. Political unrest in his 20's and 30's found him at one point at Gurgan, on the shores of the Caspian Sea. Peace found him in Ghaznah, which is today in Afghanistan. From 1017 to 1030 he travelled extensively in India, becoming fluent in Sanskrit. From this he wrote his monumental survey, *India, of the history, customs and beliefs of the subcontinent*. His other books include *The Chronology of Ancient Nations*, *the Masudic Cannon*, *Book of Instructions*, and more than 100 others, some of which are lost. He died on December 13, 1048, aged 75. He is buried in Ghaznah. *The Book of Instruction in the Elements of the Art of Astrology* was written for Lady Rayhanah, to whom it is dedicated. R. Ramsay Wright, the translator, said it could be regarded as a primer of 11th century science. Among its highlights are a comprehensive list of more than 150 Lots, various forms of aspects and planetary relationships, planetary positions relative to the sun, an excellent text on rulerships as well as comprehensive notes on weather and meteorological phenomena. This book was unknown to medieval European astrologers. This edition, comprising the astrological part

of the original (sections 347-530) has been taken from Wright's pioneering 1934 translation, itself taken from Persian and Arabic sources. For this edition, text and tables have been reset, and a new index added.

Twelve Years a Slave

Prabhat Prakashan "Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

The Fair Tax Book

Saying Goodbye to the Income Tax and the IRS

Harper Collins Wouldn't you love to abolish the IRS . . .Keep all the money in your paycheck . . .Pay taxes on what you spend, not what you earn . . .And eliminate all the fraud, hassle, and waste of our current system? Then the FairTax is for you. In the face of the outlandish American tax burden, talk-radio firebrand Neal Boortz and Congressman John

Linder are leading the charge to phase out our current, unfair system and enact the FairTax Plan-replacing the federal income tax and withholding system with a simple 23 percent retail sales tax. This dramatic revision of the current system, which would eliminate the reviled IRS, has already caught fire in the American heartland, with more than 600,000 taxpayers signing on in support of the plan. As Boortz and Linder reveal in this first book on the FairTax, this radical but eminently sensible plan would end the annual national nightmare of filing income tax returns, while at the same time enlarging the federal tax base by collecting sales tax from every retail consumer in the country. The FairTax, they argue, would transform the fearsome bureaucracy of the IRS into a more transparent, accountable—and equitable—tax collection system. Endorsed by scores of leading economists—and supported by a huge and growing grassroots movement—the FairTax Plan could revolutionize the way America pays for itself.

Barefoot Boy with Cheek

A Novel

Open Road Media A wild and witty satire of American college life from the author of *The Many Loves of Dobie Gillis* On his first day of college, farm boy Asa Hearthrug enthusiastically jumps out of bed—and discovers that his pajama pants are caught in the bedsprings. He learns that his dog has died, and his father, in an effort to soften the blow, tells an

absurd story about a female bullfighter. Next, the freshman pays a visit to his high school sweetheart to say a heartfelt goodbye, but Lodestone La Toole is more interested in hamburgers than vows of devotion. And when Asa finally arrives at the University of Minnesota—wham!—he gets run over by a frat boy's convertible. Max Shulman's bestselling debut novel, written when he was almost as fresh-faced as his protagonist, delightfully skewers every sacred cow of collegiate life. From the faculty expert on "Merrie Olde England" who once spent two weeks on that distant land to the sidewalk booby-trap used by the Alpha Cholera fraternity to round-up reluctant pledges, *Barefoot Boy with Cheek* bursts at the seams with outrageous characters, delirious set pieces, and gut-busting one-liners.

Modern Piano Accordion Method

Music Hall Suite for Brass Quintet

Novello & Company Limited (Music Sales America). Suite of five pieces for brass quintet: two trumpets, horn, trombone and tuba. Full Score. This work was composed in 1964 at the request of the well known American tuba player Roger Bobo. It was soon taken into the repertoire of the Philip Jones Brass Ensemble, who gave the first BBC broadcast. The first recording was on Pye records, by the Halle Brass Ensemble. Since then it has become a regular repertoire piece and recorded as well as broadcast all over the world. The Suite consists of five movements, all illustrating aspects of the Burlesque Theatre, Music Hall, circus and cabaret, so popular at the end of the 19th century and into the 20th. The titles of the short movements are: Soubrette Song, Trick Cyclists, Adagio Team, Soft Shoe Shuffle and Les Girls. The five orchestral brass instruments (two trumpets, horn, trombone and tuba) are exploited in a chamber music manner, but the cumulative effect has a theatrical quality in keeping with the title.
