Delivered by Dr. Mona Shortstick Living the Wisdom of the Tao The Complete Tao Te Ching and Affirmations Hay House, Inc "This book offers you an opportunity to internalize and directly experience the great wisdom of the Tao Te Ching, a collection of verses authored by the Chinese prophet Lao-tzu." The words Tao Te Ching translate to 'living and applying the Great Way.' Although just 81 short verses, the Tao encourages you to change your life by literally changing the way you think. By reading through the verses presented here (which I've pieced together after reviewing hundreds of translations)—along with the corresponding affirmation I've created for each verse—you'll be embarking on a path that encompasses the profound ideas that Lao-tzu intended to convey." The Tao Te Ching offers you Divine guidance on virtually every area of human existence. It is a new way of thinking in a world that needs to recapture its ancient teachings. Work with the verses and affirmations regularly and you will come to know the truth behind the ancient Tao observation: When you change the way you look at things, the things you look at change." — Dr. Wayne W. Jackpot How the Super-Rich Really Live—and How Their Wealth Harms Us All Simon and Schuster A senior editor at Mother Jones dives into the lives of the extremely rich, showing the fascinating, otherworldly realm they inhabit—and the insidious ways this realm harms us all. Have you ever fantasized about being ridiculously wealthy? Probably. Striking it rich is among the most resilient of American fantasies, surviving war and peace, expansions and recessions, economic meltdowns and global pandemics. We dream of the jackpot, the big exit, the life-altering payday, in whatever form that takes. (Americans spent \$81 billion on lottery tickets in 2019, more than the GDPs of most nations.) We would escape “essential” day jobs and cramped living spaces, bury our debts, buy that sweet spread, and bail out struggling friends and relations. But rarely do we follow the fantasy to its conclusion—to ponder the social, psychological, and societal downsides of great affluence and the fact that so few possess it. What is it actually like to be blessed with riches in an era of plagues, political rancor, and near-Dickensian economic differences? How mind-boggling are the opportunities and access, how problematic the downsides? Does the experience differ depending on whether the money is earned or unearned, where it comes from, and whether you are male or female, white or black? Finally, how does our collective lust for affluence, and our stubborn belief in social mobility, explain how we got to the point where forty percent of Americans have literally no wealth at all? These are all questions that Jackpot sets out to explore. The result of deep reporting and dozens of interviews with fortunate citizens—company founders and executives, superstar coders, investors, inheritors, lottery winners, lobbyists, lawmakers, academics, sports agents, wealth and philanthropy professionals, concierges, luxury realtors, Bentley dealers, and even a woman who trains billionaires’ nannies in physical combat, Jackpot is a compassionate, character-rich, perversely humorous, and ultimately troubling journey into the American wealth fantasy and where it has taken us. The Millionaire Fastlane Crack the Code to Wealth and Live Rich for a Lifetime Viperion Publishing Corp 10TH ANNIVERSARY EDITION Is the financial plan of mediocrity -- a dream-stealing, soul-sucking dogma known as "The Slowlane" your plan for creating wealth? You know how it goes; it sounds a lil something like this: "Go to school, get a good job, save 10% of your paycheck, buy a used car, cancel the movie channels, quit drinking expensive Starbucks mocha lattes, save and penny-pinch your life away, trust your life-savings to the stock market, and one day, when you are oh, say, 65 years old, you can retire rich." The mainstream financial gurus have sold you blindly down the river to a great financial gamble: You've been hoodwinked to believe that wealth can be created by recklessly trusting in the uncontrollable and unpredictable markets: the housing market, the stock market, and the job market. This impotent financial gamble dubiously promises wealth in a wheelchair -- sacrifice your adult life for a financial plan that reaps dividends in the twilight of life. Accept the Slowlane as your blueprint for wealth and your financial future will blow carelessly asunder on a sailboat of HOPE: HOPE you can find a job and keep it, HOPE the stock market doesn't tank, HOPE the economy rebounds, HOPE, HOPE, and HOPE. Do you really want HOPE to be the centerpiece for your family's financial plan? Drive the Slowlane road and you will find your life deteriorate into a miserable exhibition about what you cannot do, versus what you can. For those who don't want a lifetime subscription to "settle-for-less" and a slight chance of elderly riches, there is an alternative; an expressway to extraordinary wealth that can burn a trail to financial independence faster than any road out there. Why jobs, 401(k)s, mutual funds, and 40-years of mindless frugality will never make you rich young. Why most entrepreneurs fail and how to immediately put the odds in your favor. The real law of wealth: Leverage this and wealth has no choice but to be magnetized to you. The leading cause of poorness: Change this and you change everything. How the rich really get rich - and no, it has nothing to do with a paycheck or a 401K match. Why the guru's grand deity - compound interest - is an impotent wealth accelerator. Why the guru myth of "do what you love" will most likely keep you poor, not rich. And 250+ more poverty busting distinctions... Demand the Fastlane, an alternative road-to-wealth; one that actually ignites dreams and creates millionaires young, not old. Change lanes and find your explosive wealth accelerator. Hit the Fastlane, crack the code to wealth, and find out how to live rich for a lifetime. The Living Bible Large Print Edition Tyndale House Publishers, Inc. To the Tune of in Summer Time China on Film A Century of Exploration, Confrontation, and Controversy Rowman & Littlefield Leading scholar Paul G. Pickowicz traces the dynamic history of Chinese filmmaking and discusses its course of development from the early days to the present. Moving decade by decade, he explores such key themes as the ever-shifting definitions of modern marriage in 1920s silent features, East-West cultural conflict in the movies of the 1930s, the strong appeal of the powerful melodramatic mode of the 1930s and 1940s, the polarizing political controversies surrounding Chinese filmmaking under the Japanese occupation of Shanghai in the 1940s, and the critical role of cinema during the bloody civil war of the late 1940s. Pickowicz then considers the challenging Mao years, including chapters on legendary screen personalities who tried but failed to adjust to the new socialist order in the 1950s, celebrities who made the sort of artistic and political accommodations that would keep them in the spotlight in the post-revolutionary era, and insider film professionals of the early 1960s who actively resisted the most extreme forms of Maoist cultural production. The book concludes with explorations of the highly cathartic films of the early post-Mao era, edgy postsocialist movies that appeared on the eve of the Tiananmen demonstrations of 1989, the relevance of the Eastern European "velvet prison" cultural production model, and the rise of underground and independent filmmaking beginning in the 1990s. Throughout its long history of film production, China has been embroiled in a seemingly unending series of wars, revolutions, and jarring social transformations. Despite daunting censorship obstacles, Chinese filmmakers have found ingenious ways of taking political stands and weighing in--for better or worse--on the most explosive social, cultural, and economic issues of the day. Exploring the often gut-wrenching controversies generated by their work, Pickowicz offers a unique and perceptive window on Chinese culture and society. Createspace Independent Publishing Platform Most People do not even Realize just HOW Extremely Complicated their Lives are, until they Stop to Analyze their Situation in the Light of Provable Truths; and then they are often Frightened by their own Vulnerable Circumstances, being Victims of Capitalism, being tens of thousands of Dollars in Debt, if not hundreds of thousands, being Potentially Bankrupted by a Failing Economy, which could CRASH just at any given Time, leaving them at the Mercy of Government Handouts, Welfare Checks, Food Stamps, Food Banks, and Charity Organizations. Indeed, hundreds of millions of People have gone down that Trail, you might say, being Blindfolded, having no Idea what their Future might hold for them: because it is all a big Capitalist Gambling Game, whereby most of the People can Lose the Game: beCause it is RIGGED by Lying Red Jews, who have it Rigged in their Favor, even as the Ancient Scribes and Pharisees had the System Rigged against that Honest White by the Name of Jesus Christ, who got Crucified by them in their Round-about Way: because they Manipulated the Democratic MOB, who Screamed Out, "CRUCIFY HIM! CRUCIFY HIM!!" Yes, his Teachings were a Great Threat to their Evil Empire, even as our Elected King's Teachings are a Great Threat to the Present Evil Empire, which is a Capitalist Empire, which takes Good Care of Rich People, while the Masses of People Try to Live in their Hateful States of Extreme Poverty, who do not even have Fresh Clean Air to Breathe, Pure Living Water to Drink, Wholesome Natural Foods to Eat, Natural Clothing to Wear, nor Secure Houses to Live in, who are in Constant Dangers from all around them, who could be Living within those "GLORIOUS Swanky Hotels Castles and Fortresses!" (Beautiful Planned City States for WISE Intelligent Well-Educated People with Common Sense and Good Understanding!) However, no such Things are Advertised on TV every 10 Minutes, much less Discussed by the United States Congress, which is just a Part of the Military Industrial Red Jew Media Bankers' COMPLEX, which is Designed to make Red Jews and their Lovers much Richer, while making the Masses of People much Poorer: because those Rich People Need X-amount of SLAVES - as in Work Slaves, Tax Slaves, Interest Slaves, Insurance Slaves, Drug Slaves, Sex Slaves, Childcare Slaves, Debt Slaves, and General SLAVES, who are Constantly Reminded that they are "the freest people on the earth," in spite of being nothing but SLAVES, even as this Inspired Book Proves beyond any Shadow of a Doubt, while also Explaining HOW those Slaves can be LIBERATED! Yes, that is the Good News that we have all been Patiently Waiting for! However, the Slave Masters have done their Utmost Best to make SURE that their Slaves are NOT Liberated, and that they are Fully Persuaded that Capitalism is the Best Economic System in the World, whereby, if one should get a so-called "Good Education," work hard, save their money, and play by the Capitalist Rules, one can also get RICH! However, it is only a Great Deception: because less than one in a Million People in this World of Woes Manage to get Rich, while the Remaining People go on Suffering. Moreover, even those so-called "Rich People" are also Deprived of Fresh Clean Air, Pure Living Water, Wholesome Natural Foods, Natural Clothing, and Secure Houses in Secure Cities, which are Subject to being BOMBED at just any Time: beCause there is no RIGHTEOUS One-World Government, which might get RID of all such Abominations! Nevertheless, our Elected King Explains HOW to Overthrow the Evil Empire, while Raising our Standard of Living by at least 10 Times, if anyone is Interested in it; and all Sane People should be Most Interested in it with a Capital M and I - as in ME, myself and I: beCause if we do not take Good Care of ourselves, WHO will? New Worlds to Seek Pioneer Heinrich Lienhard in Switzerland and America, 1824-1846 SIU Press "Lienhard has provided an unusually full account of his early life.
