KEY=THE - HILLARY NATALIE

Green Girls

Harper Collins A writer, a father, a husband, the owner of a strictly ordered life, Jacob Winter is not a man prone to violence—until the day he walks in unexpectedly on his wife's affair. Awakening in a small-town Maine jail with no memory of his alleged rampage, he is bailed out by Alix Callahan, a mysterious ethnobotanist who claims to own a small piece of his past. Drawn into her obsessive relationship with July, an exotic Indian beauty from the rainforests of South America, Jacob is simultaneously mesmerized and unnerved by the two women's strange erotic dance as his meticulously controlled world slips even farther out of its orbit—leading him to a clandestine meeting at the top of a bridge, where he helplessly watches Alix plunge 250 feet into the raging waters below. A suicide, a murder, neither, or both pull Jacob Winter into a twisted game of dark deceptions and psychological terror, one that could destroy his sanity and his soul.

The Green Girls

Poems

LSU Press Green is the color of beginnings, of memory and regeneration, of the "fluid arc of what has been, / forever becoming us." John Blair's debut poetry collection, *The Green Girls*, takes the reader on a journey through life as it explores such subjects as marriage, family, and sex. Written in several voices, from husband and wife, brother and sister, young and old, the poems remind us that paradise "doesn't invite us back." Although filled with sadness and pain, Blair's elegantly written free years resonates with a quiet optimism even while discussing losses and lapses that give life both its terror and its potential for redemption.

Girls Who Green the World

Thirty-Four Rebel Women Out to Save Our Planet

Delacorte Press Part biography, part guidebook to the contemporary environmental movement, this book is the perfect gift for future and current activists and changemakers! *Girls Who Green the World* features the inspiring stories of 34 revolutionaries fighting for our future! An inspired collection of profiles, featuring environmental changemakers, social entrepreneurs, visionaries and activists. Journalist Diana Kapp has crisscrossed this country writing for and about empowered girls, girls who expect to be leaders, founders and inventors. This book takes it a step further. It says to girls: while you're striving to be CEOs and world leaders, consider solving the biggest challenge of our lifetime, too—because you can do both at the same time, and here are 34 women doing just that.

Where the Grass Is Green and the Girls Are Pretty

A Novel

Random House NEW YORK TIMES BESTSELLER • GOOD MORNING AMERICA BUZZ PICK • From the bestselling author of *The Devil Wears Prada* and *When Life Gives You Lululemons* comes a highly entertaining, sharply observed novel about sisters, their perfect lives . . . and their perfect lies. "Goes down like an ice-cold guilty pleasure on a hot beach-reading day."—USA Today A seat at the anchor desk of the most-watched morning show. Recognized by millions across the country, thanks in part to her flawless blond highlights and Botox-smoothed skin. An adoring husband and a Princeton-bound daughter. Peyton is that woman. She has it all. Until . . . Skye, her sister, is a stay-at-home mom living in a glitzy suburb of New York. She has degrees from all the right schools and can helicopter-parent with the best of them. But Skye is different from the rest. She's looking for something real and dreams of a life beyond the PTA and pickup. Until . . . Max, Peyton's bright and quirky seventeen-year-old daughter, is poised to kiss her fancy private school goodbye and head off to pursue her dreams in film. She's waited her entire life for this opportunity. Until . . . One little lie. That's all it takes. For the illusions to crack. For resentments to surface. Suddenly the grass doesn't look so green. And they're left wondering: will they have what it takes to survive the truth?

Girls in Green

A Portrait of St. Helen's, Northwood

Third Millennium Information A vivid and entertaining portrait of the School's history, celebrating the experience of being at St. Helen's, both past and present. This book tells the story of the School through informative text, beautiful imagery and fascinating reminiscences from Old Girls, staff and current pupils. Starting with the School's foundation by May Rowland Brown in 1899, the book traces the history of St. Helen's and its development into the school that it is today. It looks at some of the School's traditions and profiles the individuals who have played a part in the St. Helen's story, as well as exploring the physical development of the School. The book ends with a portrait of life at St. Helen's today, reflecting its vibrant community and looking to the future of the School as it continues to provide new opportunities and experiences for its pupils. Edited by Susan Millership

The Green Book for Girls. Edited by Mrs. H. Strang

Girls in Green

Memoirs from St. Mary's

Goa1556 The book is a collection of essays penned by the alumni of St. Mary's Convent, a prominent six-decades old institution located in the North Goa town of Mapusa. An interesting read not just if you're linked to the school, but also for educators and those interested in understanding issues related to schooling and growing up, at another level.

The Girls in Green

Soon to be a major web series

Bloomsbury Publishing Four girls. One uniform. One dream. Set in the Officers' Training Academy, this is the story Of Bijli Bijarnia aka Billi, the girl with feline grace and lightning-fast reflexes, determined to tear through the social taboos of Haryana hinterland from where she hails. Of Lakmenlang Zyiem aka Lakme from Shillong, the optimistic law graduate who is the first Khasi girl to join the academy. Of Shiny Joseph from Kottayam, who only joins the academy to be near her boyfriend but finds herself pitted against him more often than not. Of Nutan Patil aka Nutty from Jalna, the mimic, the incurable romantic, the effervescent drama queen. The Girls in Green is a story not only about soaring ambition and punishing military regimens, but also about gratifying rewards and the joys of friendship.

Fifty Pounds. A Sequel to "The Green Girls of Greythorpe" ... With ... Illustrations

Green Glass Beads

A Collection of Poems for Girls

Pan Macmillan 'The joy for me is that this is my anthology, and I love every single poem in this book.' Jacqueline Wilson This is a gorgeous, stunningly produced collection of classic and modern poems that girls will turn to again and again throughout their lives. Jacqueline has taken great delight in selecting and arranging her favourite poems for this book, and you can hear her voice in the beautiful poems she has chosen, making it a truly personal collection. There are poems that will make you smile, laugh, frown and cry, and poems that will stay with you for the rest of your life.

The Wind of the Green Hula Girls

Lulu.com

The Green Elephant (Or How to Get a Girls Attention) #1

DryHumour How do you talk to someone you've never met? Well, this is the situation that Lucas finds himself in... Lucas gets most of his dating advice from his friends, specifically, his co-workers at Treehouse. The Treehouse Crew are like family to him and they don't hesitate to inject themselves into his personal life. Some of the advice is good, some might be pushing it, but they mean well. It's difficult to keep your head straight about it when you feel like you've got one shot...one opportunity, to make a move. But when it's with someone you don't know, how do you engage? Here's what we're going to explore...the reason for a conversation needs to make sense. Created and written by Ary M. of DryHumour and illustrated by the wonderful QUSHUNG.

The Shining Girls

HarperCollins UK The jaw-dropping, page-turning, critically-acclaimed book of the year: a serial-killer thriller unlike any other from the award-winning Lauren Beukes. 'GONE GIRL has not exactly gone. But THE SHINING GIRLS have arrived' (The Times).

The Ockley Green Girls

Dog Ear Publishing FIVE FUNNY WOMEN - PORTLAND OREGON - THEN AND NOW. . . . In 1936 five kindergarteners walked into Ockley Green Grade School - and into each other's lives. Graduation from Jefferson High in 1948 sent them their separate ways until they met again at the 50th class reunion -- and every year thereafter for a week at the beach. "Shortly after that first week at the beach, we took to calling ourselves 'The Yayas' due to a book which hit the bestseller list about that time and later became a movie. We, of course, are the real Yayas and they are obviously fakes - a bunch of southern women with too much time on their hands who drink mint juleps and throw their underwear off tall buildings. We ourselves would never do such a thing but is no doubt the reason Hollywood producers aren't knocking down our door." Lois, the author, well knows she is the bad apple in the bunch. Says so herself. "Well, that's just how it is with me. A person who often sees things other people pay no attention to. A person who often sees things differently than others. And lets it bother her. Like the horses at Petra. Like Sissy Austin's birthday party. Like the way I react to Joan. Like the way I'm wondering why this last reunion is different from our other reunions, and why I'm having a hard time about it." "Joan, by all accounts, mine included, is a wonderful mother and grandmother. She knows how to fold fitted sheets and butters the bread out to the edges. Joan never comes to a Yaya function without a little gift for each of us. The other four of us never bring one damn thing. Wherein lies part of the problem I have with Joan." "Beverly is definitely our Leader. She was the Queen Bee when we were little and still is. Of course, she is the oldest in our group but it goes beyond that. Bev has an ability that somehow ends up with her calling the shots and getting things her way." "Doris' state of mind is a red flag flying. Last winter she failed to appear for our Christmas lunch, having gotten confused and lost. This spring at our reunion-planning meeting she didn't show again, having gotten her dates mixed up, so she said. She has moved into assisted living and uses a walker now." "Elaine's been breathing the rarified air of academia for so many years that it takes her awhile after landing at PDX to get her bearings. Sometimes we have to help her. We beat her up and remind her that she is a North Portland girl, same as us." ABOUT THE AUTHOR After 48 nomadic corporate years in Seattle, Los Angeles, Pittsburgh, St. Louis and New York City, Lois Gaither Nelson Hallock returned to her roots, settling along the Columbia River with her second/other husband, Robert. "If you come looking for me," she says, "start with a body of water."

The Girl Who Loved Tom Gordon

Hachette UK Tricia is lost in the woods. But she's not alone . . . 'The world has teeth and it could bite you with them anytime it wanted. Trisha McFarland discovered this when she was nine years old. Lost in the woods.' Trisha has only veered a little way off the trail. But in her panic to get back to the path, Trisha takes a turning that leads into the tangled undergrowth. Deeper and deeper in the terrifying woods. At first it's just the bugs, midges and mosquitoes. Then comes the hunger. For comfort she tunes her Walkman into broadcasts of the Red Sox baseball games and the performances of her hero Tom Gordon. As darkness begins to fall, Trisha realises that she is not alone. There's something else in the woods - watching. Waiting . . .

A Girl's On-Course Survival Guide to Golf Series 2

A Girl's On-Course Survival Guide to Golf Series 2 is the follow-up book and, like the first best-selling title, is jam-packed with cover to cover pictures and Christina's signature Step 1-2-3's, DO's/DONT's and YES/NO's. This Survival Guide is the sister to the Pink book addressing the main culprits that keep our scores high from tee to green. The Pink book was my journey to a 5-handicap in 5 years. This book is YOUR journey towards your goals. Over the last few years, I have seen common threads among women that continually frustrate them from getting to that next level. I am addressing these threads head on; real problems with real solutions! In fact, I am thrilled to announce a new section called Before & Afters with Real Women! Real women that'll inspire your game!

Girls in Khaki

A History of the ATS in the Second World War

The History Press At the outbreak of the Second World War, Britain's manpower crisis forced them to turn to a previously untapped resource: women. For years it was thought women would be incapable of serving in uniform, but the ATS was to prove everyone wrong. Formed in 1938, the Women's Auxiliary Territorial Service was a remarkable legion of women; this is their story. They took over many roles, releasing servicemen for front-line duties. ATS members worked alongside anti-aircraft gunners as 'gunner-girls', maintained vehicles, drove supply trucks, operated as telephonists in France, re-fused live ammunition, provided logistical support in army supply depots and employed specialist skills from Bletchley to General Eisenhower's headquarters in Reims. They were even among the last military personnel to be evacuated from Dunkirk. They grasped their new-found opportunities for education, higher wages, skilled employment and a different future from the domestic role of their mothers. They earned the respect and admiration of their male counterparts and carved out a new future for women in Britain. They showed great skill and courage, with famous members including the young Princess Elizabeth (now about to celebrate her Diamond Jubilee as Britain's Queen) and Mary Churchill, Sir Winston's daughter. Girls in Khaki reveals their extraordinary achievements, romances, heartbreaks and determination through their own words and never-before published photographs.

The Intersectional Environmentalist

How to Dismantle Systems of Oppression to Protect People + Planet

Voracious From the activist who coined the term comes a primer on intersectional environmentalism for the next generation of activists looking to create meaningful, inclusive, and sustainable change. The Intersectional Environmentalist examines the inextricable link between environmentalism, racism, and privilege, and promotes awareness of the fundamental truth that we cannot save the planet without uplifting the voices of its people -- especially those most often unheard. Written by Leah Thomas, a prominent voice in the field and the activist who coined the term "Intersectional Environmentalism," this book is simultaneously a call to action, a guide to instigating change for all, and a pledge to work towards the empowerment of all people and the betterment of the planet. Thomas shows how not only are Black, Indigenous and people of color unequally and unfairly impacted by environmental injustices, but she argues that the fight for the planet lies in tandem to the fight for civil rights; and in fact, that one cannot exist without the other. An essential read, this book addresses the most pressing issues that the people and our planet face, examines and dismantles privilege, and looks to the future as the voice of a movement that will define a generation.

Understanding ADHD in Girls and Women

Jessica Kingsley Publishers Written by expert professionals, this book provides comprehensive information about available support for women and girls with ADHD and tips for clinicians and professionals who work with them. The symptoms of ADHD are no less impairing in females than males, but can be missed or misunderstood. This book arms professionals, parents, and women themselves as it maps out where to go for information, who can help and how to understand ADHD better. It explains routes to assessment and diagnosis for girls and young women, how to access support in education, available treatments, and the impact of living with ADHD on overall mental health. It explores the benefits of ADHD coaching for girls to help develop their unique strengths and talents. There is also a focus on ADHD diagnosis for women in adulthood and specific advice about treatment and medication for later in life. Central to the book are the personal experiences of ADHD from women and girls from a variety of backgrounds. These tell of late diagnosis, missed opportunities, a lifetime of adaptations and the power of recognition and treatment and are powerful stories for professionals and individuals with ADHD alike.

Across the Green Grass Fields

Tordotcom A young girl discovers a portal to a land filled with centaurs and unicorns in Seanan McGuire's Across the Green Grass Fields, a standalone tale in the Hugo and Nebula Award-winning Wayward Children series. "Welcome to the Hooflands. We're happy to have you, even if you being here means something's coming." Regan loves, and is loved, though her school-friend situation has become complicated, of late. When she suddenly finds herself thrust through a doorway that asks her to "Be Sure" before swallowing her whole, Regan must learn to live in a world filled with centaurs, kelpies, and other magical equines—a world that expects its human visitors to step up and be heroes. But after embracing her time with the herd, Regan discovers that not all forms of heroism are equal, and not all quests are as they seem... A standalone Wayward Children story containing all-new characters, and a great jumping-on point for new readers. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Country Girls: Three Novels and an Epilogue

(The Country Girl; The Lonely Girl; Girls in Their Married Bliss; Epilogue)

Farrar, Straus and Giroux A treasure of world literature back in print, featuring a new introduction by Eimear McBride The country girls are Caitheleen “Kate” Brady and Bridget “Baba” Brennan, and their story begins in the repressive atmosphere of a small village in the west of Ireland in the years following World War II. Kate is a romantic, looking for love; Baba is a survivor. Setting out to conquer the bright lights of Dublin, they are rewarded with comical miscommunications, furtive liaisons, bad faith, bad luck, bad sex, and compromise: marrying for the wrong reasons, betraying for the wrong reasons, fighting in their separate ways against the overwhelming wave of expectations forced upon “girls” of every era. The Country Girls Trilogy and Epilogue charts unflinchingly the pattern of women’s lives, from the high spirits of youth to the chill of middle age, from hope to despair, in remarkable prose swinging from blunt and brutal to whimsical and lyrical. It is a saga both painful and hilarious, and remains one of the major accomplishments of Edna O’Brien’s extraordinary career. This omnibus edition includes the novels The Country Girls, The Lonely Girl, and Girls in Their Married Bliss.

Ruth and the Green Book

Lerner Digital™ Audisee® eBooks with Audio combine professional narration and sentence highlighting for an engaging read aloud experience! The picture book inspiration for the Academy Award-winning film The Green Book Ruth was so excited to take a trip in her family's new car! In the early 1950s, few African Americans could afford to buy cars, so this would be an adventure. But she soon found out that black travelers weren't treated very well in some towns. Many hotels and gas stations refused service to black people. Daddy was upset about something called Jim Crow laws . . . Finally, a friendly attendant at a gas station showed Ruth's family The Green Book. It listed all of the places that would welcome black travelers. With this guidebook—and the kindness of strangers—Ruth could finally make a safe journey from Chicago to her grandma's house in Alabama. Ruth's story is fiction, but The Green Book and its role in helping a generation of African American travelers avoid some of the indignities of Jim Crow are historical fact.

The Green Company; Pow-wows on Pioneering for Boys and Girls

The Girl Who Fell Beneath Fairyland and Led the Revels There

Hachette UK In the kingdom of Fairyland-Below, preparations are underway for the annual Revels . . . but aboveground, the creatures of Fairyland are in no mood for a party. It has been a long time since young September bid farewell to Fairyland, and she is excited to see it again; but upon her return she is shocked to find that her friends have been losing their shadows, and therefore their magic, to the kingdom of Fairyland-Below... It spells certain disaster and September won't stand for it. Determined to make amends, she travels down into the underworld where, among creatures of ice and moonlight, she encounters a face she recognizes all too well: Halloween, the Hollow Queen. Only then does September realize what she must do to save Fairyland from slipping into the mundane world forever. Come and join in the Revels with September and her friends. But be warned: in Fairyland-Below, even the best of friends aren't always what they seem . . . Praise for The Girl Who Circumnavigated Fairyland in a Ship of Her Own Making: 'A glorious balancing act between modernism and the Victorian Fairy Tale, done with heart and wisdom.' Neil Gaiman. 'An Alice in Wonderland for the 21st century... So effortless, so vivid, so funny. Every page has a phrase or observation to savour and her characters are wondrous creations.' Sunday Telegraph. 'A charming modern fairytale...with a knowing twinkle in its eye.' Telegraph. 'A whole esoteric world of whimsy - Alice meets the Wizard of Oz meets the Persephone story with a whiff of Narnia.' Independent on Sunday. 'Bundles of imagination and wry wit.' Financial Times.

Green Algae and Bubble Gum Wars

Simon and Schuster Science isn't exactly Maeve's favorite subject, but she's still excited to be going to the Sally Ride Science Festival at MIT with her hunky tutor, Matt. Sure, the BSG and her annoyingly brilliant younger brother are going as well, but it's still almost kind of a date, isn't it? The festival gives the BSG a super idea -- an environmental science fair at Abigail Adams Junior High. But plans for a bubble gum factory nearby put Avery and Katani on opposite sides of an environmental issue -- and Avery finds herself in a bubble gum war with the Queens of Mean!

Wilder Girls

Pan Macmillan 'Your new favourite book' - Cosmopolitan An instant New York Times bestseller, Wilder Girls is Rory Power's chilling and unputdownable YA debut. The Power meets We Were Liars in this compelling story of survival and the power of female friendships, perfect for fans of A Good Girl's Guide to Murder. Everyone loses something to the Tox; Hetty lost her eye, Reese's hand has changed, and Byatt just disappeared completely. It's been eighteen months since the Raxter School for Girls was put in quarantine. The Tox turned the students strange and savage, the teachers died off one by one. Cut off from the mainland, the girls don't dare wander past the school's fence where the Tox has made the woods wild and dangerous. They wait for the cure as the Tox takes; their bodies becoming sick and foreign, things bursting out of them, bits missing. But when Byatt goes missing, Hetty will do anything to find her best friend, even if it means breaking quarantine and braving the horrors that lie in the wilderness past the fence. As she digs deeper, she learns disturbing truths about her school and what else is living on Raxter Island. And that the cure might not be a cure at all . . . 'Wholly original and compelling' - Observer 'A staggering gut punch of a book' - Kirkus 'Body horror meets boarding school in a moving, terrifying thriller' Guardian

Lehota and the Green Spell_Soft Cover

Lulu.com I regard this book as a duty to honor my grandfather, Andras Lehoczky's memory. My intention is to present the Legend telling how my ancestor witnessed one of the most fundamental turn of the Human history: Genghis Khan's vast Mongol empire's rise and decline, the Muslim world's crisis and beginning of the still ongoing expansion as well as crumbling of the Roman Church's crusade and political superiority. The stage is Central & Eastern European Region and the Near East at the time of the crusades.

When Life Gives You Lululemons

Simon & Schuster “The Devil Wears Prada’s Emily Charlton gets the spin-off she deserves” (Cosmopolitan) in the months-long New York Times bestseller from Lauren Weisberger in which three women team up to bring a bad man down in the tony suburb of Greenwich, Connecticut. Welcome to Greenwich, Connecticut, where the lawns and the women are perfectly manicured, the Tito’s and sodas are extra strong, and everyone has something to say about the infamous new neighbor. Let’s be clear: Emily Charlton does not do the suburbs. After leaving Miranda Priestly, she’s been working in Hollywood as an image consultant to the stars, but recently, Emily’s lost a few clients. She’s hopeless with social media. The new guard is nipping at her heels. She needs a big opportunity, and she needs it now. When Karolina Hartwell, a gorgeous former supermodel, is arrested, her fall from grace is merciless. Her senator-husband leaves her, her Beltway friends disappear, and the tabloids pounce. In Karolina, Emily finds her comeback opportunity. But she quickly learns Greenwich is a world apart and that this comeback needs a team approach. So it is that Emily, the scorned Karolina, and their mutual friend Miriam, a powerful attorney turned stay-at-home mom, band together to navigate the social land mines of suburban Greenwich and win back the hearts of the American public. Along the way, an unexpected ally emerges in one Miranda Priestly. With her signature wit, Lauren Weisberger offers an alluring look into a sexy, over-the-top world—and proves it’s style and substance together that gets the job done. “A delicious sequel to The Devil Wears Prada...exploring what it’s like to be a woman buffeted by conflicting messages about career, relationships, and motherhood” (The

Washington Post), *When Life Gives You Lululemons* is “amazing novel about...truth, lies and how everyone is a little bit insecure” (Associated Press). “Fast-paced, funny, and gossipy, this is the must-have accessory for your beach bag” (PopSugar).

Pretty Girls

Random House The compelling new standalone novel from the Sunday Times No. 1 bestselling author of *Unseen* and *Cop Town*. With a missing girl in the news, Claire Scott can't help but be reminded of her sister, who disappeared twenty years ago in a mystery that was never solved. But when Claire begins to learn the truth about her sister, nothing will ever be the same.

Me and Earl and the Dying Girl

Atlantic Books ****Now a major motion picture**** It is a universally acknowledged truth that high school sucks. But on the first day of his senior year, Greg Gaines thinks he's figured it out. The answer to the basic existential question: How is it possible to exist in a place that sucks so bad? His strategy: remain at the periphery at all times. Keep an insanely low profile. Make mediocre films with the one person who is even sort of his friend, Earl. This plan works for exactly eight hours. Then Greg's mother forces him to become friends with a girl who has cancer. This brings about the destruction of Greg's entire life.

Grimms' Bad Girls and Bold Boys

The Moral and Social Vision of the Tales

In this book -- the first in more than fifty years to treat the entire body of Grimms' Tales -- Ruth B. Bottigheimer provides a thorough analysis of the stories' content, focusing in particular on the matter of gender. By combining a sociohistorical examination of the stories with close scrutiny of the language in which they are told, Bottigheimer reveals coherent patterns of motif, plot, and image and brings new insight into the moral and social vision of the collection.

Guerrilla Girls: The Art of Behaving Badly

Chronicle Books *Guerrilla Girls: The Art of Behaving Badly* is the first book to catalog the entire career of the Guerrilla Girls from 1985 to present. The Guerrilla girls are a collective of political feminist artists who expose discrimination and corruption in art, film, politics, and pop culture all around the world. This book explores all their provocative street campaigns, unforgettable media appearances, and large-scale exhibitions. • Captions by the Guerrilla Girls themselves contextualize the visuals. • Explores their well-researched, intersectional takedown of the patriarchy In 1985, a group of masked feminist avengers—known as the Guerrilla Girls—papered downtown Manhattan with posters calling out the Museum of Modern Art for its lack of representation of female artists. They quickly became a global phenomenon, and the fearless activists have produced hundreds of posters, stickers, and billboards ever since. • More than a monograph, this book is a call to arms. • This career-spanning volume is published to coincide with their 35th anniversary. • Perfect for artists, art lovers, feminists, fans of the Guerrilla Girls, students, and activists • You'll love this book if you love books like *Wall and Piece* by Banksy, *Why We March: Signs of Protest and Hope* by Artisan, and *Graffiti Women: Street Art from Five Continents* by Nicholas Ganz

The Girls in the Snow: A Completely Unputdownable Crime Thriller

Nikki Hunt Madison walked through the fallen snow, looking left and right. It had been Kaylee's idea to use the trail through the forest; she said no one would follow them. But Madison lost sight of Kaylee for a moment and when she found her again she wasn't alone... In the remote forests of Stillwater, Minnesota, you can scream for days and no one will hear you. So when the bodies of two fifteen-year-old girls are discovered frozen in the snow, Special Agent Nikki Hunt is sure the killer is local: someone knew where to hide the girls and thought they would never be found. Though Nikki hasn't been home in twenty years, she knows she must take over the case. The Sheriff's department in Stillwater has already made a mistake by connecting the girls' murders to those of a famous serial killer, refusing to consider the idea that the killer could be someone from town. Then another girl's body is found, a red silk ribbon tied in her hair, and Nikki realizes that the killer has a connection to her own dark past, and the reason she left Stillwater. Nikki is not the only person in town who wants those secrets to stay hidden. Will she be able to face her demons before another child is taken? Gripping and spine-chilling, *The Girls in the Snow* will make you gasp, unable to put it down until the final heart-pounding twist. Perfect for fans of Karin Slaughter, Lisa Gardner and Robert Dugoni. What readers are saying about *The Girls in the Snow* "This is the thriller that I didn't know I was waiting for and needed in my life until I picked it up. SO GOOD. I'm still reeling and trying to catch my breath from this highly suspenseful and emotionally charged story... I need more ASAP." Reading in Autumn, 5 stars "First time reading this author and I couldn't put it down. Suspense that will keep you hooked until the very last page. Even when I wasn't reading it, I couldn't stop thinking about it... I had to see what happened." Goodreads reviewer, 5 stars "A dagger sharp crime thriller. Highly recommended... I loved Nikki Hunt... Engaging. I never figured out what was going to happen next until I read it myself." NetGalley reviewer, 5 stars "This is the first book in a long time that I've given up all household responsibilities, all TV time for and all my study time for. [I] knew nothing was going to get done outside of my day job until I finished this book, which I did in 24 hours... Fast-paced and jam-packed from start to finish." Goodreads reviewer, 5 stars "Kept me guessing throughout... This one gets 5 stars, great series starter... a compelling mystery that had me wondering whodunit right up until the killer was revealed." Goodreads reviewer, 5 stars "This book was fantastic! Everything about it worked... I was hooked from page one and didn't put it down until I was done... I had no idea who the killer was until it was revealed. This is going to be a must read series!" Goodreads reviewer, 5 stars

The Girls Who Refused to Quit

Welford Publishing The Girls Who Refused to Quit shares the powerful, real-life journeys of fifteen inspirational women. They have all overcome adversity and now want to make a difference with their stories. They want you to know that no matter what challenges you face, you can hold your head high, believe in yourself and follow your dreams. They have not only found the courage to rise from the depths of despair, they have also found the strength never to give up. They are The Girls Who Refused to Quit.
