In the past two hundred years, there have been many accounts of Hamilton's life?mostly commenting on his political personality rather than his character, but none have touched upon the private life of the man quite like The Intimate Life of Alexander Hamilton. Drawn chiefly from collected original family letters and documents, some never published before this book's initial publication in 1910, Hamilton's grandson Allan McLane Hamilton presents a portrait of one of America's chief founding fathers unlike any other, recounting the life of his grandfather with an unmatched insider's eye. The author intimately discusses his grandfather's private affairs in great detail, dispelling many rumors about Hamilton's personal life. The book presents an astounding portrait of the man and his character, revealing a softness and charisma unknown to the public at the time of its publication. From primary sources so close to Hamilton they could very well be called heirlooms, Hamilton's private life and personality are described with a closeness only a member of his family could possibly provide. Return to this forgotten classic, and see what one of America's most controversial historical figures was like behind closed doors in The Intimate Life of Alexander Hamilton. Alexander Hamilton: The Formative Years Eletheria Publishing Even though Alexander Hamilton was among the most important Founding Fathers, less is known about his early life than that of any other major Founder. Relatively few records have been found regarding Hamilton's birth, childhood, and origins in the West Indies. Alexander Hamilton "rarely . . . dwelt upon his personal history" and never recorded his life's story. Most of Hamilton's correspondence prior to 1777 was lost during the American Revolution. This has resulted in many gaps in Alexander Hamilton's biography, which has given rise to much conjecture regarding the details of his life. Relying on new research and extensive analysis of the existing literature, Michael E. Newton presents a more comprehensive and accurate account of Alexander Hamilton's formative years. Despite being orphaned as a young boy and having his birth be "the subject of the most humiliating criticism," Alexander Hamilton used his intelligence, determination, and charisma to overcome his questionable origins and desperate situation. As a mere child, Hamilton went to work for a West Indian mercantile company. Within a few short years, Hamilton was managing the firm's St. Croix operations. Gaining the attention of the island's leading men, Hamilton was sent to mainland North America for an education, where he immediately fell in with the country's leading patriots. After using his pen to defend the civil liberties of the Americans against British infringements, Hamilton took up arms in the defense of those rights. Earning distinction in the campaign of 1776-77 at the head of an artillery company, Hamilton attracted the attention of General George Washington, who made him his aide-de-camp. Alexander Hamilton was soon writing some of Washington's most important correspondence, advising the commander-in-chief on crucial military and political matters, carrying out urgent missions, conferring with French allies, negotiating with the British, and helping Washington manage his spy network. As Washington later attested, Hamilton had become his "principal and most confidential aid." After serving the commander-in-chief for four years, Hamilton was given a field command and led the assault on Redoubt Ten at Yorktown, the critical engagement in the decisive battle of the War for Independence. By the age of just twenty-five, Alexander Hamilton had proven himself to be one of the most intelligent, brave, hard-working, and patriotic Americans. Alexander Hamilton: The Formative Years tells the dramatic story of how this poor immigrant emerged from obscurity and transformed himself into the most remarkable Founding Father. In riveting detail, Michael E. Newton delivers a fresh and fascinating account of Alexander Hamilton's origins, youth, and indispensable services during the American Revolution. Alexander Hamilton An Intimate Portrait Putnam Publishing Group Details the events, relationships, political battles, and scandals that informed Hamilton's life and delineates the forces that motivated his obstinacy, idealism, and ambition. Women of the Constitution Wives of the Signers Rowman & Littlefield Features biographical sketches of the spouses of the signers of the United States Constitution. Papers Miscellaneous Papers Private Correspondence The Federalist Papers Alexander Hamilton An Intimate Portrait Putnam Publishing Group Details the events, relationships, political battles, and scandals that informed Hamilton's life and delineates the forces that motivated his obstinacy, idealism, and ambition. Alexander Hamilton and the Persistence of Myth "Knott observes that Thomas Jefferson and his followers, and, later, Andrew Jackson and his adherents, tended to view Hamilton and his principles as "un-American." While his policies generated mistrust in the South and the West, where he is still seen as the founding plutocrat, Hamilton was revered in New England and parts of the mid-Atlantic states. Hamilton's image as a champion of American nationalism caused his reputation to soar during the Civil War, at least in the North. However, in the wake of Gilded Age excesses, progressive and populist political leaders branded Hamilton as the patron saint of Wall Street, and his reputation began to disintegrate."--BOOK JACKET. Alexander Hamilton and the Growth of the New Nation Transaction Publishers Here is the premier biography of Alexander Hamilton, written by one of the foremost scholars of early American history. Miller weaves together the complex facets of Hamilton's life to make a vivid, absorbing biography. Alexander Hamilton Penguin The #1 New York Times bestseller, and the inspiration for the hit Broadway musical Hamilton! Pulitzer Prize-winning author Ron Chernow presents a landmark biography of Alexander Hamilton, the Founding Father who galvanized, inspired, scandalized, and shaped the newborn nation. "Grand-scale biography at its best—thorough, insightful, consistently fair, and superbly written . . . A genuinely great book." —David McCullough "A robust full-length portrait, in my view the best ever written, of the most brilliant, charismatic and dangerous founder of them all." —Joseph Ellis Few figures in American history have been more hotly debated or more grossly misunderstood than Alexander Hamilton. Chernow's biography gives Hamilton his due and sets the record straight, deftly illustrating that the political and economic greatness of today's America is the result of Hamilton's countless sacrifices to champion ideas that were often wildly disputed during his time. "To repudiate his legacy," Chernow writes, "is, in many ways, to repudiate the modern world." Chernow here recounts Hamilton's turbulent life: an illegitimate, largely self-taught orphan from the Caribbean, he came out of nowhere to take America by storm, rising to become George Washington's aide-de-camp in the Continental Army, coauthoring The Federalist Papers, founding the Bank of New York, leading the Federalist Party, and becoming the first Treasury Secretary of the United States. Historians have long told the story of America's birth as the triumph of Jefferson's democratic ideals over the aristocratic intentions of Hamilton. Chernow presents an entirely different man, whose legendary ambitions were motivated not merely by self-interest but by passionate patriotism and a stubborn will to build the foundations of American prosperity and power. His is a Hamilton far more human than we've encountered before—from his shame about his birth to his fiery aspirations, from his intimate relationships with childhood friends to his titanic feuds with Jefferson, Madison, Adams, Monroe, and Burr, and from his highly public affair with Maria Reynolds to his loving marriage to his loyal wife Eliza. And never before has there been a more vivid account of Hamilton's famous and mysterious death in a duel with Aaron Burr in July of 1804. Chernow's biography is not just a portrait of Hamilton, but the story of America's birth seen through its most central figure. At a critical time to look back to our roots, Alexander Hamilton will remind readers of the purpose of our institutions and our heritage as Americans. 9780143034759 The Political Philosophy of Alexander Hamilton JHU Press Introduction: Hamilton's significance --The personal background of a political theorist --Hamilton's philosophical anthropology --Theoretical foundations of constitutionalism --Hamilton and American constitutional formation --Hamilton's foreign policy --Hamilton's political economy --Hamilton and Jefferson --Conclusion: Hamilton's legacy. Eliza Hamilton The Extraordinary Life and Times of the Wife of Alexander Hamilton Thorndike Press Large Print New York Times Bestselling Author A comprehensive and riveting biography of Eliza Hamilton, the wife of founding father Alexander Hamilton and a powerful, unsung hero in America's early days. Rough Diamond The Life of Colonel William Stephen Hamilton, Alexander Hamilton's Forgotten Son -First biography of William Stephen Hamilton, son of Founding Father, Alexander Hamilton. William Hamilton left D.C and moved to the midwestern frontier to seek his fortune. -Hamilton's life offers a first-hand account of the formation of the Midwestern states, the realities of life on the frontier, and mass migration caused by the California Gold Rush. Biography by Americans, 1658-1936 A Subject Bibliography University of Pennsylvania Press This volume is the most comprehensive bibliography of purely biographical material written by Americans. It covers every possible field of life but, by design, excludes autobiographies, diaries, and journals. Discovering Hamilton New Discoveries in the Lives of Alexander Hamilton, His Family, Friends, and Colleagues, From Various Archives Around the World Eleftheria Publishing For over two centuries, Alexander Hamilton's birth, youth, and family background have been shrouded in mystery. For the first time ever, Michael E. Newton has conducted a systematic examination of the primary source material to discover the truth about Alexander Hamilton's early life. In the greatest and most significant collection of original Hamilton discoveries to be made in decades, Newton separates fact from fiction to create a new portrait of the tempestuous early years of America's most remarkable and enigmatic Founding Father and the people that comprised his world. An icon in life and a legend in death, Alexander Hamilton continues to fascinate. Discovering Hamilton answers some of the most important and intriguing questions about Hamilton's biography and introduces abundant new material about the lives of Alexander Hamilton, his family, friends, and colleagues. A History of American Biography, 1800-1935 University of Pennsylvania Press A survey and evaluation of the whole range of American biography, from the earliest important lives to book of the present day. Essays in the Earlier History of American Corporations: Number IV The Lawbook Exchange, Ltd. ALEXANDER HAMILTON, American Simon and Schuster Explores the life and times of an American founding father, who grew from an impoverished immigrant to a patriot, war hero, Secretary of the Treasury, and a man whose vision helped shape America. The Jewish World of Alexander Hamilton Princeton University Press Genesis -- Exodus -- Revolution -- New York -- Constitutions -- Statesmanship -- Church and State -- Law and Politics. ALEXANDER HAMILTON, American Simon and Schuster Alexander Hamilton is one of the least understood, most important, and most impassioned and inspiring of the founding fathers. At last Hamilton has found a modern biographer who can bring him to full-blooded life; Richard Brookhiser. In these pages, Alexander Hamilton sheds his skewed image as the "bastard brat of a Scotch peddler," sex scandal survivor, and notoriously doomed dueling partner of Aaron Burr. Examined up close, throughout his meteoric and ever-fascinating (if tragically brief) life, Hamilton can at last be seen as one of the most crucial of the founders. Here, thanks to Brookhiser's accustomed wit and grace, this quintessential American lives again. The Rhetoric of Alexander Hamilton Sex and Sexuality in Early America NYU Press Sex and sexuality have always been the subject of much attention, both scholarly and popular. Yet, accounts of the early years of the United States tend to overlook the importance of their influence on the shaping of American culture. This book addresses this neglected topic with original research covering a wide spectrum, from sexual behavior to sexual perceptions and imagery, and more. ALEXANDER HAMILTON - Summarized for Busy People Based on the Book by Ron Chernow Goldmine Reads This book summary and analysis was created for individuals who want to extract the essential contents and are too busy to go through the full version. This book is not intended to replace the original book. Instead, we highly encourage you to buy the full version. Ron Chernow creates the first full-length biography of Alexander Hamilton in decades. He shares the story of a man who faced all challenges in order to create and inspire newborn America. Historian, Joseph Ellis, Alexander Hamilton is "a robust full-length portrait, in my view the best ever written, of the most brilliant, charismatic, and dangerous founder of them all." Of all the founding figures in American history, Alexander has been the most hotly debated and grossly misunderstood. Chernow's biography sets the information straight in creating a picture of how Hamilton had countless sacrifices in order to make political, financial, and economic changes to achieve the greatness that America is today. Chernow shares the early life of Hamilton from an illegitimate, largely self-taught orphan from the Caribbean, taking America by storm and rising to George Washington's side in the Continental Army, founding the Bank of New York, and becoming the Treasury Secretary of the United States. It has been a longstanding view that America's birth had been the triumph of Jefferson, but Chernow creates a whole new perspective from a man whose great vision was motivated not merely by self-interest but by a passion for patriotism and a stubborn will to create the foundations of American greatness. The biography by Chernow illustrates a more humanistic view of Hamilton—from his birth, intimate relationships, and feuds to his publicized affair to his loving marriage to his loyal wife Eliza. Never before had there been a more poignant and vivid account of Hamilton's famous and mysterious death in a duel with Aaron Burr in July 1804. Not only does the book provide a portrait of Hamilton and his life, but the story of the birth of America around the lives of its most central figures. Alexander Hamilton's life reminds the readers of the purpose and vision behind the American heritage. Wait no more, take action and get this book now! Citizen Hamilton The Wit and Wisdom of an American Founder Rowman & Littlefield A portrait based on the Federalist Papers author's speeches, writings, and personal letters offers insight into his roles during the American Revolution and Constitutional Convention and his beliefs about such topics as war, liberty, and honor. Guide to the Study of American History Guide to the Study and Reading of American History
