The American College Town A vivid portrait of a distinctly American phenomenon. The New American College Town Designing Effective Campus and Community Partnerships [Johns Hopkins University Press](#) Singer, Allison Starer, Wim Wiewel, Eugene L. Zdziarski II The City College of New York [Arcadia Publishing](#) The City College of New York, founded in 1847 as the Free Academy, began as an educational and political experiment. The campus provided the setting for dynamic interaction between generations of students, immigrant and native alike, with the local and global community. Many of those educated by the "poor man's Harvard" distinguished themselves in various fields, including the former U.S. secretary of state Colin Powell, former U.S. Supreme Court justice Felix Frankfurter, writers Walter Mosley and Paddy Chayefsky, actors Samuel "Zero" Mostel and Richard Schiff, the scientist Jonas Salk, along with two Rhodes Scholars and nine Nobel laureates. These alumni and numerous others during the college's history made their contributions to the macrocosm utilizing the skills honed within the microcosm of the school's campus. Through images from the college's archives, The City College of New York illustrates the fascinating history of the first entirely publicly supported institution of higher education in the United States. City On A Hill Testing The American Dream At City College [Addison Wesley Publishing Company](#) Explores the results of City College's open admissions policy, and the ideological conflicts that continue among the faculty and in the press New York City College of Technology [Arcadia Publishing](#) New York City College of Technology, known today as City Tech, traces its earliest roots to the trade school movement, which was supported by both organized labor and industry. Opening in February 1947 as the New York State Institute of Applied Arts and Sciences, the school served the needs of returning GIs and others in need of employment training. City Tech trained United States Air Force personnel in its employment-oriented programs, including the first college-based program in the country in restorative dentistry. City Tech became the first public community college in New York, and in 1981, it became the senior college of technology of The City University of New York. Today City Tech is the largest public college of technology in the Northeast and the most diverse. New York City College of Technology highlights the history of this vibrant institution that has continually served the needs of both its students and its city. American Towns An Interpretive History [Ivan R Dee](#) A richly informed history of one of the centerpieces of American life. Grove City College [College Prowler, Inc](#) Provides a look at Grove City College from the students' viewpoint. American Revisions and Additions to the Encyclopaedia Britannica Institutions of Higher Education Index, by State and Congressional District Grove City College 2012 [College Prowler](#) City College of San Francisco [Arcadia Publishing](#) With an annual student population of more than 100,000, City College of San Francisco has educated one in seven city residents and has alumni in every state. A Depression-era dream of Archibald Cloud, the college opened in 1935 with 1,483 students and no central campus. Today the college not only has a main campus at Ocean and Phelan Avenues, but also has 10 others spread throughout San Francisco. Science Hall, designed by Timothy Pflueger, proudly stands on the hill, a visible landmark beckoning students to walk through its portals. Pflueger's dream also included the incorporation of art into his buildings. His organization of the Art in Action program at the 1939-1940 Golden Gate International Exposition on Treasure Island resulted in the acquisition of Mexican muralist Diego Rivera's Pan American Unity, as well as mosaics and sculptures by other artists that adorn Science Hall. American Revisions and Additions to the Encyclopaedia Britannica A Dictionary of Arts, Sciences and General Literature Investigation of Un-American Propaganda Activities in the United States Hearings Before a Special Committee on Un-American Activities, House of Representatives, Seventy-fifth Congress, Third Session-Seventy-eighth Congress, Second Session, on H. Res. 282, to Investigate (1) the Extent, Character, and Objects of Un-American Propaganda Activities in the United States, (2) the Diffusion Within the United States of Subversive and Un-American Propaganda that is Instigated from Foreign Countries Or of a Domestic Origin and Attacks the Principle of the Form of Government as Guaranteed by Our Constitution, and (3) All Other Questions in Relation Thereto that Would Aid Congress in Any Necessary Remedial Legislation Federal City College as a Land Grant College Hearing Before Subcommittee No. 5...90-2, on H.R. 15280, H.R. 15886, S. 1999, March 13, 1968 The American Freshman Twenty Year Trends, 1966-1985 Departments of State, Justice, Commerce, the Judiciary, and Related Agencies Appropriations for 1967 Hearings Before a Subcommittee of the Committee on Appropriations, House of Representatives, Eighty-ninth Congress, Second Session : Department of State City College of New York 2012 [College Prowler](#) Courses on Latin America in Institutions of Higher Education in the United States College Costs Basic student charges, 2-year and 4-year institutions Jewish Frontier Higher Education Humanities Small Town Women Remaking American Judaism [Wayne State University Press](#) Description of the changes in American Judaism to ensure that its rituals, texts and liturgies reflected the lives of women. Hearings Latin American Studies Programs and Centers in U.S. Universities North American Buddhists in Social Context [BRILL](#) The first multi-author collection of social scientific scholarship on North American Buddhists, this volume examines the current state of research and key aspects of Buddhist life and experience in social context. Case studies feature Southeast Asian, Japanese, Taiwanese, Korean, meditation-oriented, and socially engaged Buddhists. Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954 Educational Television and Radio Amendments of 1969 Hearings, Ninety-first Congress, First Session ... June 18 and 19, 1969 Hearings on the Reauthorization of the Higher Education Act Hearings Before the Subcommittee on Postsecondary Education of the Committee on Education and Labor, House of Representatives, Ninety-eighth Congress, Second Session, on H.R. 5240 ... Hearings Held in Washington, DC, on March 27, 28, 29; St. Louis, MO ... Flushing, NY ... Winona, MN ... Eau Claire, WI ... and Washington, DC, on April 10, 11, 12, 1984 Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971 Making America: A History of the United States [Cengage Learning](#) Shaped with a clear political chronology, MAKING AMERICA reflects the variety of individual experiences and cultures that comprise American society. The book's clear and helpful presentation speaks directly to students, sparking their curiosity and inviting them to "do history" as well as read about it. For instructors whose classrooms mirror the diversity of today's college students, the strongly chronological narrative, together with visuals and an integrated program of learning and teaching aids, makes the historical content vivid and comprehensible to students at all levels of preparedness. Available in the following split options: MAKING AMERICA, Seventh Edition (Chapters 1-29), ISBN: 978-1-285-19479-0; Volume I: To 1877 (Chapters 1-15), ISBN: 978-1-285-19480-6; Volume II: Since 1865 (Chapters 15-29), ISBN: 978-1-285-19481-3. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. Research in Education The Socialist Party of America A Complete History [U of Nebraska Press](#) At a time when the word "socialist" is but one of numerous political epithets that are generally divorced from the historical context of America's political history, The Socialist Party of America presents a new, mature understanding of America's most important minor political party of the twentieth century. From the party's origins in the labor and populist movements at the end of the nineteenth century, to its heyday with the charismatic Eugene V. Debs, and to its persistence through the Depression and the Second World War under the steady leadership of "America's conscience," Norman Thomas, The Socialist Party of America guides readers through the party's twilight, ultimate demise, and the successor groups that arose following its collapse. Based on archival research, Jack Ross's study challenges the orthodoxies of both sides of the historiographical debate as well as assumptions about the Socialist Party in historical memory. Ross similarly covers the related emergence of neoconservatism and other facets of contemporary American politics and assesses some of the more sensational charges from the right about contemporary liberalism and the "radicalism" of Barack Obama. The Restless City A Short History of New York from Colonial Times to the Present New York has always been a bellwether for the nation, representing both its brightest ambitions and its darkest fears. The Restless City is a short, readable history of New York City, from colonial times to the present, showing how the successes and struggles of the city reinforced each other to create a distinctly dynamic, shocking, and therefore influential city. Organized around conventional time periods, each chapter provides an introduction to the era, followed by four or five mini-essays on different economic, political, social, or cultural conflicts that impacted NYC in that time period. This would make a great short text for a course on New York history, or on urban history and the development of the American city. California Colleges and Universities The California Legal Directory With Arizona, Hawaii, and Nevada Sections Profiles of American Colleges with CD-ROM 2004 Edition [Barrons Educational Series](#) America's definitive guide to all accredited four-year colleges and universities has been updated with the latest information, figures, and fees. More than 1,650 schools are profiled with details on admission requirements, academic programs, tuitions and other fees, sources of available financial aid, library facilities, computer facilities, descriptions of campus environments, athletic facilities, extracurricular activities, e-mail addresses, fax numbers, web sites, and more. Each school receives Barron's exclusive academic rating system, which advises students on its degree of academic competitiveness-from "Noncompetitive" to "Most Competitive." Also included on tinted pages for quick reference is a complete index of college majors, listed in chart form and including every major offered by every college. A CD-ROM enclosed with each copy of the book can be used for both Windows and Mac operating systems. It is set up in an interactive format, allowing students to ask specific questions about individual schools. Report Hearings
