**AN INSPECTOR LYNLEY NOVEL: 13**

---

**Hachette UK When the Metropolitan Police fail to realise a serial killer is at work, London ignites over the fact that the killer's victims are young black and mixed race boys. Institutionalised racism is claimed by the community's activists and tabloids alike. Acting Superintendent Thomas Lynley is given the case, and his Scotland Yard task force is soon handling more killings and a looming tragedy. Elizabeth George brings to the familiar subject of the serial killer a freshness and clarity of vision that provide illuminating insight into the psychological complexity of the tortured criminal mind. She does so within a richly textured, thrillingly suspenseful narrative that defies any reader to predict its outcome. Nor does she neglect our favourite characters, whose private lives provide an engrossing counterpoint to their professional duties.**

## **THE COLLECTED WORKS OF WITNESS LEE, 1954, VOLUME 1**

---

**Living Stream Ministry Brother Witness Lee traveled to Manila, Philippines, at the beginning of 1954. On January 24 he began a seven-day perfecting conference with five special fellowships concerning the subject of pursuing the Lord. After this, he initiated a service training that lasted for six months, with four meetings per week. On Wednesday mornings he gave a Bible study of the Old Testament, and on Wednesday evenings he gave a training on character, including matters such as being the proper person, handling affairs properly, and doing the proper work. On Friday mornings he gave a training on being a minister of God's word, and on Friday evenings he ministered on the proper way to meet. The number who attended these meetings varied between fifty-six and one hundred sixty. The study of the Old Testament and the training on character are included in volume 1 of the 1954 set, along with other messages given in the same time period. Brother Lee left Manila in July and traveled to Hong Kong, where he conducted ten meetings on life and twelve meetings on service, plus four gospel meetings, four young people's meetings, six fellowships on service, and six meetings for the full-time serving ones. These meetings were centered on the indwelling Christ and on the knowledge of spiritual service. They are included in volumes 1 and 2 of this set. Brother Lee left Hong Kong to return to Taiwan in the middle of August. At the end of August and the beginning of September, Brother Lee conducted a special conference in Taipei, Taiwan, that consisted of ten meetings on the subject of spiritual reality, with between one thousand six hundred and two thousand six hundred in attendance. These messages are included in the section entitled Spiritual Reality in volume 2 of this set. In the fall of 1954 Brother Lee began another extended training for serving ones like the one that he carried out in the fall of 1953. During this training he conducted a detailed study on Genesis, Exodus, and Leviticus through Ezra. The messages given in this detailed study are included in volume 4 of this set. He also spoke further on the knowledge of life and the experience of life. These speakings and the speakings in the previous training in 1953 on the same subjects were combined to form the books The Knowledge of Life and The Experience of Life (see The Collected Works of Witness Lee, 1953, vol. 3). During this training he also released messages published in Gospel Outlines, which are included in volume 3 of this set. The Collected Works of Witness Lee, 1954, volume 1, contains messages given by Brother Witness Lee on January 1**

through August 12, 1954. Historical information concerning Brother Lee's travels and the content of his ministry in 1954 can be found in the general preface that appears at the beginning of this volume. The contents of this volume are divided into seven sections, as follows: 1. Two messages given in Manila, Philippines, on January 1 and 3. These messages are included in this volume under the title **The Significance and Application of the Burnt Offering**. 2. Eight messages given in Manila, Philippines, on January 24 through 31. These messages are included in this volume under the title **The Living and Service of the Burnt Offering**. 3. Twenty-four messages given in Manila, Philippines, in February through July. ### **WITH NO ONE AS WITNESS**

---

**Hodder & Stoughton** The police never suspected a serial killer was at large until they found the third murdered boy, the first white victim, his body draped over a tomb in a London graveyard. Suddenly a series of crimes "and" a potential public relations disaster have Scotland Yard on the defensive, scrambling to apprehend a maniac while avoiding accusations of racism. Detective Superintendent Thomas Lynley, distracted by concerns for his pregnant wife, has been assigned to the investigation, along with his disgraced partner, Barbara Havers, who's fighting for her professional future. Winston Nkata, deservedly, if hastily, promoted to detective sergeant, is the black face who will speak to the media. But none of them can imagine the tenacity and ingenuity of the killer they seek . . . and no one is prepared for the savage, shocking instant when everything will change forever.

### **SYSTEMATIC THEOLOGY VOLUME 3**

---

Abingdon Press Ethics, the first volume of McClendon's Systematic Theology, explored the shape of life in the Christian community. Doctrine, the second volume, investigated the teaching necessary to sustain that life. Witness, the third and final volume of the work, considers the wider context in which that life takes place. It asserts that the church's identity is established not only by how it lives and what it teaches but also by how it enters into conversation and connects with systems of thought and social structures outside itself. McClendon continues here his exploration of "the baptist vision," a tradition of the church's understanding of itself, its relation to Scripture, and its place in the larger society, which flows from the Radical Reformation of the 16th century. He employs that vision to engage in conversation with three principal partners: other theologies; current philosophy; and culture, including science and letters, the fine and performing arts, and politics—in short, what Scripture calls "the world."

### **THE POETRY OF MARGARET AVISON**

---

Wipf and Stock Publishers Margaret Avison, one of Canada's premier poets, is a highly sophisticated and self-conscious writer, both charming and intimidating at the same time. She calls to mind her more famous predecessors--the religious poets George Herbert, Gerard Manley Hopkins, and T. S. Eliot--as she vigorously engages both heart and intellect. "She has forged a way to write against the grain, some of the most humane, sweet and profound poetry of our time," write the judges of the 2003 Griffin Poetry Prize. Becoming a Christian in her mid-forties, her life and her vocation were transformed and her lyrics record that shift. In "Muse of Danger," she writes to Christian college students, "But in His strange and marvelous mercy, God nonetheless lets the believer take a necessary place as a living witness in behavior with family and classmate and stranger, in conversation, or in a poem." How she blends her twin passions of poetry and Christian faith becomes a story of a kind of perseverance. Readers who respond with understanding and empathy recognize both the distinctive mystery of poetic witness and the mystery inherent in

Christ's saving work to which it points. Her enduring witness becomes an implicit call for us to persevere in what Avison identifies as the "mix of resurrection life and marred everyday living."

---

Ignatius Press "In the four volumes of the Liturgy of the Hours ... there are nearly 600 selections from the writings of the Fathers and saints. Seeing the potential of this vast collection as a theological resource, Milton Walsh has organized these selection by topics according to the four pillars of the Catechism of the Catholic Church. This topical concordance allows the reader to compare what the various authors have written on the same themes, while a chronological timeline of the readings shows their relationship to each other in time. Walsh has also provided background on the liturgical celebrations of the Church, as well as historical information on each author." --Book jacket.

## **AN ESSAY ON THE CONTEMPORARY RELEVANCE OF THE INTERNAL WITNESS OF THE HOLY SPIRIT**

---

Wipf and Stock Publishers **The Witness of the Spirit** is a clear and comprehensive treatment of the teaching of the Word of God concerning the inner witness of the Spirit of God. The book opens with an account of Calvin's and Luther's contribution to this important theme, followed by a survey of the theological reflection upon this subject from the days

of the early Church Fathers to the present time. Dr. Ramm shows that the work of the Holy Spirit is not a single subject to be discussed in isolation from the total area of Christian theology; therefore, he helpfully relates it to the doctrine of the Trinity, of revelation, redemption, and the Scripture; and to Christian fellowship and the spiritual life. Dr. Ramm's book is an invaluable and much needed contribution to a phase of the Spirit's ministry, an aspect long neglected in evangelical thought.

### **THE EXPERT WITNESS IN CONSTRUCTION DISPUTES**

---

---

John Wiley & Sons The role of the expert witness has long been important in construction litigation and arbitration and most other types of dispute resolution. Today there is a heavier burden on experts because of the diversity of the appropriate dispute process and the added responsibility this brings. The Woolf reforms and the introduction of the Civil Procedure Rules are having a major impact on the role of the expert witnesses. No longer is the expert accountable just to the client but directly owes a duty to the court. In the smaller value claim a new opportunity of acting as single joint expert arises where the parties can save time and money. There is greater flexibility in

arbitration under the Arbitration Act 1996 and a need for expert evidence in the statutory process of adjudication. This book takes account of all these changes, taking the expert stage by stage through his or her duties, from the investigation, preparation and exchange of expert reports, disclosure of documents, the importance of different types of evidence, to preparation for the hearing itself and the giving of oral evidence. The appendices feature appropriate references to the Civil Procedure Rules, guidelines for experts, protocols and other materials of practical interest. Throughout, reference is made to relevant case law.

### **CONTEMPORARY SLAVE NARRATIVES AND THE GLOBAL ANTISLAVERY MOVEMENT**

---

Cambridge University Press Since the 1990s, modern slavery has been recognized as a global problem, with campaigners around the world providing assessments of its nature and extent, its drivers, and possible solutions for ending it. However, largely absent from the global antislavery movement's discourse and policy prescriptions are the voices of survivors of slavery themselves. Survivors' authentic voices are underemployed vital tools in the fight against modern slavery in all its forms. Through close readings of over 200 contemporary slave narratives, Andrea Nicholson repositions the history of the genre and exposes the conditions and consequences of slavery, and the challenges survivors face in liberation. Far from the trope of 'capture, enslavement, escape,' she argues that narratives are rich and vitally important sources that enable the antislavery community to be gain important insights and build more effective interventions.

Greg Kofford Books Stop looking for the Book of Mormon in Mesoamerica and start looking for Mesoamerica in the Book of Mormon! *Second Witness*, a new six-volume series from Greg Kofford Books, takes a detailed, verse-by-verse look at the Book of Mormon. It marshals the best of modern scholarship and new insights into a consistent picture of the Book of Mormon as a historical document. Taking a faithful but scholarly approach to the text and reading it through the insights of linguistics, anthropology, and ethnohistory, the commentary approaches the text from a variety of perspectives: how it was created, how it relates to history and culture, and what religious insights it provides. The commentary accepts the best modern scholarship, which focuses on a particular region of Mesoamerica as the most plausible location for the Book of Mormon's setting. For the first time, that location—its peoples, cultures, and historical trends—are used as the backdrop for reading the text. The historical background is not presented as proof, but rather as an explanatory context. The commentary does not forget Mormon's purpose in writing. It discusses the doctrinal and theological aspects of the text and highlights the way in which Mormon created it to meet his goal of "convincing . . . the Jew and Gentile that Jesus is the Christ, the Eternal God."

## **MANAGING MODERNITY**

---

---

## **POLITICS AND THE CULTURE OF CONTROL**

---

Routledge In the last thirty years, the USA and the UK have witnessed a profound change in the way in which we think about and respond to crime and social control. Crime has become part of everyday life as, for many citizens, has

imprisonment. *Managing Modernity* brings together criminologists, social theorists, and philosophers to consider what explains these changes and what they tell us about ourselves and the way in which we live. The authors consider the pervasive, the obvious, and the covert ways in which crime and social order have come to structure social discourses and social life, from mass imprisonment to zero tolerance, to on-the-spot fines. This volume was previously published as a special issue of the *Critical Review of International Social and Political Philosophy (CRISPP)*.

Duke University Press In *No One's Witness* Rachel Zolf activates the last three lines of a poem by Jewish Nazi holocaust survivor Paul Celan—"No one / bears witness for the / witness"—to theorize the poetics and im/possibility of witnessing. Drawing on black studies, continental philosophy, queer theory, experimental poetics, and work by several writers and artists, Zolf asks what it means to witness from the excessive, incalculable position of No One. In a fragmentary and recursive style that enacts the monstrous speech it pursues, *No One's Witness* demonstrates the

necessity of confronting the Nazi holocaust in relation to transatlantic slavery and its afterlives. Thinking along with black feminist theory's notions of entangled swarm, field, plenum, chorus, No One's Witness interrogates the limits and thresholds of witnessing, its dangerous perhaps. No One operates outside the bounds of the sovereign individual, hauntologically informed by the fleshly no-thingness that has been historically ascribed to blackness and that blackness enacts within, apposite to, and beyond the No One. No One bears witness to becomings beyond comprehension, making and unmaking monstrous forms of entangled future anterior life.
